A series of five articles appeared in the "New York Daily News" from 1/20-24/59 written by David Burk entitled "Peddling Hate in America: Egypt's Nasser." In these articles Burk accuses the Arabs (particularly President Nasser of the United Arab Republic) for fomenting much of anti-Jewish acts perpetrated by hate groups in United States by alleging anti-Jewish literature prepared by the Arabs has been given to Americans active in racist and hate campaigns for distribution. The articles further point out that some of these racists have been in contact with Arab officials and establishments in this country and some of their publications have contained pro-Nasser propaganda, the implication being that such propaganda was furnished by the Arabs. One Photostat each of these articles is enclosed for the use of each recipient office.

These articles specifically name certain persons as being leaders of a hate corps acting in behalf of President Nasser of the United Arab Republic in spreading anti-Jewish literature in this country through their publications or their activities. The names of these individuals together with the identities of the offices of origin of investigation concerning them or their publications are:

- (1) James H. Madole: head of the National Renaissance Party, New York City.

New York is office of origin of current investigation entitled "National Renaissance Party, IS - X," New York file 105-6112 and also case entitled "James H. Madole, Registration Act - United Arab Republic," New York file 105-6129.

✓ In order to ascertain the extent of Arab participation
and influence in the distribution of hate literature in the
United States, a file has been opened bearing instant caption.
Each office is instructed to make a complete and thorough
review of its files concerning the above individuals and
publications published by those persons located in their
respective divisions in order to locate all information
which may indicate Arab influence, associations or connection
in any way with above persons or their publications. You
should be particularly alert for any information indicating
that articles prepared by the Arabs or constituting Arab
propaganda are published in any of the publications. You
should also be alert for all information showing contacts on
the part of the above-mentioned racists with Arab officials,
or diplomatic establishments in the United States. In
addition to a thorough file review, you should also contact
established sources and informants for any information they
may have in this regard. All leads developed therefrom
should be afforded thorough and intensive investigation. The
results of your efforts in connection with above should be
set forth in detail, properly documented as to source, in
report form under instant caption and submitted within 30
days from receipt of this letter.

Object of this file is to compile a complete
picture of this particular situation and to effect a definite
separation of this investigation, for report purposes, from
any past or present investigations of these individuals, their
organizations and their publications. This will eliminate
reporting of extraneous data in connection with this case.
The New York Office is designated as office of origin.

Letter to SAC, New York
Re: Arab Participation and Influence in
Distribution of Hate Literature in
the United States

Reports in this case should be designed to provide a well-documented picture of the background of the individual involved, the nature and extent of his participation in distribution of hate literature, the allegations in the news articles indicating his connections or associations with the Arabs, any prior data available in files on this point, and results of investigation to determine extent of participation and influence in or control of his activities by Arabs. Reports should be planned and coordinated so that Newark Office report, for example, will be restricted to data regarding Conde McGinley. In some offices several individuals will be involved and report should be broken down according to individuals. All offices should bear in mind in connection with interviews conducted as to whether persons being interviewed can furnish information regarding individuals in other offices and promptly furnish such data to appropriate field offices for inclusion in reports prepared by them.

In the event recipient offices are aware of other individuals or publications which allegedly are being used by or cooperating with Arabs in distributing hate literature, such information should also be set forth in these reports.

In any instance where data is developed or available indicating possibility of Registration Act violation separate cases should be opened promptly aimed at obtaining evidence and the investigation should be given continuous and preferred attention. Bureau should be advised immediately when case is opened. Concise summary of data developed in such individual case, carefully documented as to source, should also be reported in this control file.

With regard to the individuals mentioned as racists in the "New York Daily News" articles as set forth above, the recipient offices may confine their file reviews to those persons and publications located in their respective divisions with the exception of the Washington Field Office and New York Office. The latter two offices are instructed to review their files and contact appropriate sources concerning each of those individuals and publications inasmuch as Arabic diplomatic establishments with which those persons may have been in contact are located in Washington, D. C., and New York City. In addition, WFO and New York should thoroughly

Distribution of Hate Literature in
the United States

review information obtained through coverage on Arabic diplomatic establishments for any data pertinent to this study. New York should also contact Customs to ascertain if any bulk shipments of Arab propaganda have been observed and to whom such shipments were designated.

Give this matter your continuous and prompt attention and make certain 30-day deadline is met.

Ties Arabs Here to Hate Drive

Washington, Jan. 19 (Special).—Arab students at U. S. universities, organized and financed by their governments, are spreading propaganda, much of it anti-American, in an effort to mobilize opinion behind the Arab cause, Sen. Kenneth B. Keating (R-N.Y.) told THE NEWS exclusively today.

Keating and his fellow GOP Senator from New York, Jacob K. Javits, toured the South at the end of last year to probe the flareup of racist violence and hate propaganda.

Javits told THE NEWS that he, Keating and other Senators, including Prescott Bush (R-Conn.) and Hugh Scott (R-Pa.), plan to fight for enactment of a group of bills "to curb hate bombings and outlaw the hate propaganda which incites to violence."

Active in 30 Colleges

"Any alliance between Arab groups and hate propagandists," said Javits, "must undergo the pitiless gleam of public disclosure. THE NEWS is performing a great service by focusing public attention on those here at home and abroad who would wage a massive campaign of hate in the U. S."

Keating said: "There is telling evidence that students from the Arab nations have engaged in the U.S. in hostile propaganda activities financed by their governments. They have engaged in co-

ordinated efforts to mobilize opinion behind the Arab cause through the Organization of Arab Students, which has chapters on some 30 college and university campuses in the U.S.

"There has also been a constant drumfire of anti-Jewish propaganda from this organization, which is subsidized by the Arab League.

Anti-Israeli, Anti-American

"Petitions have been circulated. Newspaper advertisements have been purchased. Student information centers have been opened and political pamphlets distributed. The tenor of all these

activities has been strongly pro-Arab and anti-Israeli, and often anti-American."

Keating added: "Everyone in the U.S. has the right to express his views and this freedom extends 100% to visitors. But when there is an organized attempt to influence public opinion in this country, directed and financed by foreign governments, such people become in fact, as well as in spirit, agents of a foreign power and should be so registered under our laws.

Mailings Timed to Bombs

Javits, referring to the fact-finding tour of the south he made with Keating and other Senators, said they found that large hate mailings frequently preceded the dynamitings like that of the Atlanta Temple last October.

"I will read THE NEWS series very closely and plan to take up the facts disclosed in it with the Department of Justice in order to determine what action can be taken under present law, and to see if there is need for additional legislation to deal with the vicious activities of the racists," Javits said.

Apparent anti-Jewish propaganda could then be compared with similar material appearing in the racist publications which would be at least an indication that American racist publications are following the Arab line in this regard. No doubt some of this Arab material might be paraphrased by the American publications to the extent that it could not be definitely identified. However, it is believed that in many instances there would be no doubt as to the Arab origin of this material in racist material.

If definite indications appear that anti-Jewish propaganda is finding its way into American racist media in its entirety, in part or even by paraphrasing, then inquiry could be made of the particular publication or publications involved.

Attempts could then be made to determine the degree of influence being exerted in one form or another on the Americans responsible for reproducing this material in American publications.

The Arab Information Center is one of the agencies known to the NYO which is responsible for a great deal of the distribution of Arab propaganda in the United States. However, the following countries represent more or less the principal Arab countries who conceivably could be responsible for Arab propaganda in the United States:

- Iraq
- Jordan
- Lebanon
- Saudi Arabia
- Sudan
- United Arab Republic

It is suggested that the Washington Field contact the Registration Division of the Department of Justice to determine if any agencies of the above mentioned countries are registered.

If agencies of these governments are registered, if possible, a copy of all publications listed by these agencies should be obtained for review for period July 1, 1958 to present.

In the event the Bureau decides that this line of inquiry is not warranted at this time the Washington Field and the NYO should be so advised.

The file review and other investigation requested by the Bureau in referenced letter is being pursued by the NYO.

international Jewry which controls this country financially and politically; and that these organizations are not membership organizations but represent followers who contribute to them or subscribe to their literature. Although GERALD L. K. SMITH and his close associates are not known to have appealed to illegal action, the tenor of their statements and program is intensely anti-Semitic as indirectly indicated by the slogan of the Christian Nationalist Party, announced in 1950, which was "One Faith - One Race - One Nation." No credence should be given to any allegations that SMITH's meetings are "secret." It is true that SMITH and his staff hold policy meetings and the like restricted to themselves but that statements of "secret" meetings regarding their appearance at the Embassy Auditorium are intended only to spur interest in attendance. It is possible that small groups of CMC followers may hold meetings of a sort, but that such meetings receive no organizational direction or control from CMC Headquarters. (The CMC, as a "national political committee" makes regular reports to Congress under the Federal Corrupt Practices Act, listing names of contributors of more than \$100.)

Informant was not familiar with the names of GERALD B. RINCH or FRANK L. This report is classified "~~Confidential~~" because it contains information ascribed to [redacted] indicating Bureau coverage and interest in foreign diplomatic establishments, disclosure of which could be prejudicial to the national defense interests.

/ FRANK L. BRITTON's "The American Nationalist" is the subject of Bufile 105-22921.

/ ROBERT H. WILLIAMS's "Williams Intelligence Summary" is the subject of Bufile 105-10091.

/ GERALD L. K. SMITH's "Christian Nationalist Crusade" is the subject of Bufile 62-43818.

Literature of the above persons and organizations contains voluminous material critical of Jews and Israel differing not at all in character and content from what would be expected of persons writing in the anti-Semitic field. Practically all of this material, of course, is favorable from the viewpoint of Arab interests, however only those instances where mention was made of contacts with persons connected with Arab state official establishments or suggestive of actual Arab influence have been included in this report.

In other instances, notably in SMITH's literature, there are the usual references to public sources or quotations

from such sources (newspapers, news magazines, letters from Arab propagandists or officials published in newspapers, all the way to articles culled from Jewish publications), editorial comment on current events in the Middle East and revelations of the results of SMITH's interviews with Arab refugees or persons interested in Arab refugee problems - all dealt with in a manner to serve SMITH's ends (in retaining his following) as well as, if not more so than, Arab interests. Where the one begins and the other ends cannot be determined. Consequently, it has been considered that the reporting of voluminous anti-Israel (necessarily pro-Arab) articles would serve no valuable purpose at this time.

It would not be surprising were it learned that DAVID BURK's articles in the "New York Daily News" are merely part of a program influenced by the Anti-Defamation League itself, which has been in a running feud with SMITH and others - not always to its own advantage - for years; the one side seeking to involve SMITH and the others with the authorities, and the others on their part demanding investigation by the House Committee on Un-American Activities of the ADL as a subversive organization dedicated to serving Israeli interests and itself acting in violation of the Foreign Agents Registration Act and the Corrupt Practices Act. At any rate, BURK's articles are filled with little fact and considerable hint, as exemplified in this report, (at least as far as concerns SMITH, BRITTON and WILLIAMS), and apparently have been prompted by his concern to put the "nearly 90 dynamite blasts (that) have echoed around the country in the last two years, aimed mainly at Jews, Negroes and sincere Christians who have publicly backed these groups)" into a co-ordinated pattern. It is known that the ADL is very much interested in bills to be presented to Congress, making bombings of churches, synagogues, schools, etc., violations of federal law.

It is not recommended that a Registration Act investigation be conducted concerning WILLIAMS because he has already ceased the publishing field (since 1957).

Because BRITTON has publicly staunchly denied the ADL accusation of having been paid \$500.00 for reprinting an article

~~CONFIDENTIAL~~

- E -

COVER PAGE

~~CONFIDENTIAL~~

WJM:bcl
LA 105-6400

allegedly prepared by an Arab propagandist, it is not recommended that a Registration Act investigation be conducted at this time pending New York's contact with the ADL for full particulars.

Because so much is known concerning SMITH's contacts with Arab officials, much based on his own admissions, but so little concerning a possible arrangement that could be construed as an agreement or contract such as is required in Registration Act violations, and because his literature is so written as to discount the possibility of indicating such an arrangement were there one, it is not recommended that a Registration Act investigation be conducted concerning him.

REQUEST TO THE BUREAU:

The Bureau is requested to consider the advisability of direct interview with GERALD L. K. SMITH or other of his associates, FRANK L. BRITTON and ROBERT H. WILLIAMS should information supposedly obtainable from ADL in New York City leave insufficient basis for conducting a Registration Act investigation.

DETAILS:

This investigation is based upon a series of five articles entitled "Peddling Hate in America: Egypt's NASSER" by DAVID BURK which appeared in the "New York Daily News" during January 20-24, 1959.

In the first article of the series, BURK stated (in part), referring to the "nearly 90 dynamite blasts (that) have echoed around the country in the last two years aimed mainly at Jews, Negroes and sincere Christian citizens who have publicly backed these groups," that: "practically every operation fitted into a national pattern which, authorities believe, was etched by a loose-linked network of American neo-fascist groups peppered around the country. This hate corps...today has emerged as a fifth column acting in behalf of President GAMAL ABDEL NASSER of the so-called United Arab Republic and his dreams of empire...The race groups here, coordinated rather than organized and with a total following throughout the country that officials estimate at not more than a few thousand, are zealously following NASSER's line. But what, you may ask, could NASSER possibly want with a fifth column in the United States? The answer, as officials at the Department of Justice explained it to me, is transparently simple....The NASSER-dominated segment of the Arab world, fed on an information diet prescribed by our native racists, frankly regards not only American Jewry but the U. S. Administration, too, as the fountainhead of Israel's moral and financial help. Looked at in this light, NASSER must knock out Israel's backers in the U. S. before he can keep his pledge to his followers to knock out Israel itself. The U. S. thus becomes a legitimate 'second front.' NASSER himself, back in the early 50s when he still was the unassuming Col. NASSER, Egyptian prime minister under fatherly Gen. MOHAMMED NAGUIB, whom he later liquidated as subtly as any trained Kremlinite, once told me bitterly in Cairo. 'America is in the hands of the Zionists. The Jews control the press and government. The Arab voice is never heard. How can we fight back?' For at least four years now he has been fighting back, using Egyptian military intelligence officers and men who can hide behind diplomatic immunity as the contact men, and a group of individuals and periodicals as his mouthpieces. The periodicals, all neatly arranged in alphabetical order on the Attorney General's List of Subversive Publications, rarely go to press without some item of NASSER's propaganda, and their own outpourings turn up in Arab press and broadcasts. The basic hope is that, by breeding hatred and suspicion of the Jews, outraged public opinion might force Congress to stop official support for Israel. With a little

LA 105-6400
WJM:BLH

additional shove, Congress might even be persuaded to legislate against support for Israel from Jewish organizations....The Atlanta Temple bombing, however, triggered a series of shocks.... thanks to a story carried exclusively in THE NEWS, the link between the Arabs and the hate-mongers held responsible for the blast suddenly emerged....At the New York information office maintained by the Arab League, but largely dominated by NASSER, at the UAR delegation to the United Nations and at the UAR embassy in Washington, a firm front was maintained against 'these undesirable elements.' The order had gone out: 'Deny, deny, deny.' The hate-mongers I sought out have been less discreet....Even the Egyptians are apt to break down under stress. During a long talk one night in Washington with an official of the UAR embassy, I was repeatedly assured that not only would no one from his government have dealings with 'these scum,' they would kick them out bodily if they dared to cross the embassy threshold. But finally he raised his hands shoulder high in extreme exasperation and snarled: 'What can we do if these people want to help tell our story? Is that our fault? You know as well as I do that the Jews control your so-called free press here. Only the Zionists voices are heard.' He might have been quoting straight from an American hate sheet, or from Cairo Radio."

In the second article of the series BURK stated (in part) that after the Atlanta, Georgia temple bombing on October 12, 1958, Cairo Radio, "which is under the personal supervision of...NASSER," announced that: "It is reported from the United States that unknown persons have destroyed a synagogue in the city of Atlanta. It is further reported that publications throughout the Southern states are carrying hostile articles against the Jewish community." Pointing out that such publications could only have been "those put out by America's neo-fascist groups whose activities identify them daily more closely as a NASSER fifth column," BURK then mentioned that "such hate sheets as...and 'The Cross and Flag' put out in Los Angeles by GERALD L. K. SMITH, print a routine combination of pro-NASSER and anti-Jewish propaganda...(which) always flood into the areas afflicted by racial incidents and violence." Further on the article states: "In their anxiety to be all-embracing, to reach the hearthstones of American families of different tastes and viewpoints, the raciest periodicals adopt a variety of fronts. From California, GERALD L. K. SMITH offers the Christian approach... ROBERT H. WILLIAMS, who calls himself 'major' although the Army stripped him of the rank in 1950, pretended he was in U. S. intelligence during World War II for the benefit of those who like their hate diet served from the top-secret drawer. The House Committee on Un-American Activities, in a report on 'Neo-Fascist

LA 105-6400
WJM:BLH

and Hate Groups' in December, 1954, called the monthly Intelligence Summary WILLIAMS put out from Santa Ana, Calif., 'a deception'. (WILLIAMS recently went out of the publishing business, probably temporary.) Far from being a high-powered innercircle man, the committee said, 'WILLIAMS' intelligence duty comprised less than a year as an administrative officer for the intelligence section of a bomber wing.' Thus, adds the report, 'he would have received no intelligence information dealing with the Communist conspiracy.' FRANK L. BRITTON, a disciple of GERALD L. K. SMITH, thumps the ultra nationalist, defend-America tub from California."

In the third article of the series, BURK stated (in part): "Soon after the Atlanta Temple bombing, Ambassador KAMIL ABDEL RAHIM, suave, ambitious head of the Arab Information Office, was recalled to Cairo 'for consultations.' Reliable reports say RAHIM, who inspired and founded Arab Information Office in early 1955, has been sacked....Back in the early '50's, when RAHIM was posted to Washington as Egyptian ambassador, he and his senior aids were flattered by the attentions they received from some of the racist fanatics. An identity of viewpoint was found on several issues, especially regarding the creation of the State of Israel and its support by Jews in the U.S....ROBERT WILLIAMS, who pretends to readers of his Intelligence Summary that he got the whole inside dope on the Communist conspiracy as an intelligence officer in World War II, was in touch with OMAR HALIQ of the Saudi UN delegation, offering pamphlets and mailing lists. Subscriptions were taken to such hate sheets as GERALD L. K. SMITH's The Cross and the Flag....RAHIM saw the potential in all these individuals and their outlets. Then, when he learned that the Arab Information Office officially sponsored by all the Arab League states, would have to register with the Justice Department as the agent of a foreign power, RAHIM quickly had himself transferred to the Yemen delegation to the UN to preserve his diplomatic immunity. The Foreign Agents Registration Act, 1938, As Amended, is specific. Any person or organization engaging in propaganda in behalf of a foreign power must send the Justice Department a half-yearly report listing its staff, activities, income and expenses. The Arab Information Office, which now has branches in Washington, Chicago, San Francisco and Ottawa, opened its New York headquarters in March, 1955." After hinting the possible untrustworthy returns by the Arab Information Centers to the Foreign Agents Registration Section of the United States Department of Justice, BURK added: "But the propaganda field is one in which money moves in mysterious ways. It is not even probable that the Arab Information Office is cooking its books. The penalties for any breach of the law are severe. But there is nothing to prevent the Egyptian embassy or

LA 105-6400
WJM:BLH

UN delegation, or those of the other Arab states involved, from footing bills in behalf of the AIO. Moving behind their shield of diplomatic immunity their finances are not controlled in any way by the U. S. authorities. Whatever monies pass to the American racist groups would certainly be handed over in cash. Ever here there is no difficulty in avoiding official scrutiny. In any free money market, like Lebanon or Switzerland, both handily on the route from Cairo to New York, dollars can be bought in any quantity without the transaction being recorded. Since diplomatic bags are sacrosanct, there is no way of telling how much cash, if any, is brought here in this way. Except for GERALD L. K. SMITH, none of the race groups has any special obligation under law to report either the amount of its income or its source. SMITH is in a separate category because his Christian National Crusade takes an active, if never welcome, part in political campaigns and elections. This obliges him to report his expenses and income to the Clerk of the House of Representatives under the Corrupt Practices Act. SMITH, whose Cross and the Flag carries even more than the usual quota of Arab propaganda, picks his favorite candidates in every Congressional and Presidential election and announces that his 'National Political Committee' will throw the full weight of its support behind the chosen ones....One of the penalties of denouncing SMITH and his fellow-racists in this manner, as their publications show, is that the denouncer will in turn be denounced--as a pawn of the Jews, a hireling of the Jews, or very often, however fantastically, simply as a Jew." Further, suggesting that SMITH's reports to Congress under the Corrupt Practices Act as a "national political committee" list contributors who "seem to exist only on paper" BURK stated: "SMITH, on his own printed admissions, is virtually in constant contact with Egyptian officials and diplomats. In last January's issue of The Cross and the Flag, he boldly identifies one of his friends in an article titled: 'A Guest From Egypt.' On a visit to Washington, writes SMITH, 'I was called upon by a brilliant young man who is a citizen of Egypt. His name is IBRAHIM BAGHDADY. He is a journalist and a radio commentator.' BAGHDADY, however, is not a journalist and radio commentator. He is a major in army intelligence, one of the platoon of intelligence agents NASSER spikes his foreign missions with. There is little point in listing them all. But intelligence officers sent to the U. S. on short visits, generally in the role of 'diplomatic couriers, are worthy of mention. So also is the fact that the Egyptian State Information Department in Cairo, publisher of most of the tracts distributed and reprinted by America's racists, is a branch of NASSER's security and intelligence network. Lt. Col ADBEL KHADR HATTEM, who took over the department during my years in Cairo and who now is deputy minister for presidential affairs, had

LA 105-6400
WJM:BLH

previously been in command of a group of agents whose function was to snoop on foreign correspondents, tap their telephones and steam open their mail. He is in charge of all press and radio activities. The NASSER agents who come here in sheep's clothing are naturally as free as any other visitor to travel around the U. S. and meet whom they please. That is one of the advantages of working in a free country, a fact Egyptians, especially, would appreciate."

In the fourth and fifth articles of the series, there appeared no other information implicating SMITH with Arab propaganda except probably the concluding statement in the fifth article that "the jigsaw pieces had clicked into place," that various persons including "SMITH" were tied into "a network of subversive hate. Each group feeding on the others like jungle animals on a diet of shady finance, propaganda gimmicks, and methods and ideas that reek of Red Moscow and Nazi Berlin." (In this passage "SMITH" could equally apply to GERALD L. K. SMITH and one CHARLES SMITH of the "New York Racist Forum" mentioned in the second article.)

I. GERALD L. K. SMITH;
CHRISTIAN NATIONALIST CRUSADE

[redacted] furnished information on January 31, 1957 that the Christian Nationalist Crusade (CNC) was organized in St. Louis, Missouri in 1947, and moved its headquarters to Glendale, California in 1953, where it continues to be located; that from the parent CNC, subsidiary organizations, including the Christian Nationalist Party (of America), have developed; that these organizations all reflect in their literature the imprint of their chief organizer and director, GERALD L. K. SMITH, whose basic argument has been that this nation, traditionally Christian, and racially segregated, is threatened by anti-Christian and racially "mongrelizing" forces such as communism and internationalism, all dominantly motivated by international Jewry which controls this country financially and politically; and that these organizations are not membership organizations, but represent followers who contribute to them or subscribe to their literature. Although GERALD L. K. SMITH and his close associates are not known to have appealed to illegal action, the tenor of their statements and program is intensely anti-Semitic, as indirectly indicated by the slogan of the Christian Nationalist Party, announced in 1950, which was: "One Faith - One Race - One Nation."

Issues of "The Cross and the Flag" (TCTF) dated November, 1954 and November, 1958, which identify that publication as the official monthly organ of the CNC, set forth on page 26 the same statement showing ownership, management and circulation of TCTF as required by law. [redacted] furnished information in December, 1958 that GERALD L. K. SMITH, National Director of the CNC, 1200 South Central Avenue, Glendale, California (P.O. Box 27895, Los Angeles 27, California) has, since the mid 1930's, been one of the leading distributors of anti-Semitic and anti-Negro literature and ideas. He moved his organizational headquarters from St. Louis, Missouri to Glendale, California in 1953. His public meetings take place at irregular times throughout the year, usually at the Embassy Auditorium, Los Angeles, but occasionally elsewhere in the country during tours to the East Coast. A United Press "Thumbnail Biography" of GERALD L. K. SMITH printed in the "Huntington Park Signal", November 15, 1948, states: "GERALD L. K. SMITH went back to Viroqua, Wisc., Aug. 18, 1946, as a 'favorite son.' An estimated 24,000 persons heard 'the boy orator' at his oratorical best in a Viroqua centennial address he was chosen especially to deliver. H. L. MENCKEN said of SMITH in the Baltimore Sun in 1936 that he was the 'gustiest and goriest, the loudest and lustiest, the deadliest and damndest orator ever heard on this or any other earth.' As a supporter of the late Sen. HUEY P. LONG--he was with LONG when the Louisiana 'Kingfish' was shot--and later as the leader of numerous anti-New Deal, anti-Communist organizations, SMITH claimed to have spoken to more human beings in person than any living American. SMITH was born at Viroqua Feb. 27, 1898. Before he moved to Shreveport, La., in 1929 to become pastor of the Kingshighway Christian Church, SMITH completed his high school education in three Wisconsin schools. He attended Valparaiso and Butler Universities in Indiana, but returned to his native Wisconsin to serve several small churches as a young, unmarried preacher. SMITH also preached in several small churches in Illinois. But it was in Louisiana that he found himself. SMITH joined hands with LONG in 1933. He said he did it because he believed the Louisiana dictator was the most effective weapon against the late FRANKLIN D. ROOSEVELT. From those days right on through experiences with Father COUGHLIN and Dr. TOWNSEND, and into the troubles he found in organizations of his own, SMITH stood on the Bible, wrapped himself in the flag--and orated. SMITH started his own organization in 1938 under the name of the 'Committee of One Million.' He didn't stop at the first million, however, but went on to recruit an estimated 3,000,000 followers. During his many years before the public, demonstrations were often rowdy. SMITH's most widely-publicized battles came when he was an 'America First' speaker. In those bitter days, he was often kicked out, chased off, and otherwise hampered in his oratory. SMITH married Miss ELNA SORENSON in 1918. One son, GERALD L. K. SMITH, 'JR.', was wounded four times in World War II."

B. RENATA E. LEGANT

TCTF dated November, 1949 contains a photograph of RENATA E. LEGANT on page 20, beneath which it is stated that she: "Is the private secretary of GERALD L. K. SMITH. She is an associate editor of the 'Washington Letter' and is on the editorial staff of TCTF. She has lived and traveled with Mr. and Mrs. SMITH for six years. No person in the organization is more familiar with all phases of detail having to do with the Crusade than Miss LEGANT. She knows hundreds of the Nationalist leaders personally and has met them in their own home towns. She has typed 90% of Mr. SMITH's personal correspondence through the years. Although a highly competent secretary and stenographer, her relationship to the movement

WJM:bcl

is in no sense commercial. No one believes in and stands for the high principle of the Crusade more than does she."

C. OPAL M. TANNER (WHITE)

TCTF dated October, 1948, contains a photograph of OPAL TANNER on page 23, beneath which she is identified as:
✓ "Member of the editorial staff of TCTF, former executive secretary of United Farmers of America. Until his death, the right-hand helper of the late and much respected CARL H. MOTE, editor of 'America Preferred.'" Beside this photograph, as beside those of other "leading nationalists" who spoke at the 1948 Christian Nationalist Convention, Miss TANNER is quoted as having stated: "It is with deep feeling that I recall having attended the first Nationalist Convention in 1944 not only as a delegate but as the Secretary of the Chairman of that Convention, Mr. CARL H. MOTE. Mr. MOTE realized that both 'old' political parties were completely controlled by the same gang of Internationalists. I feel confident in saying that if Mr. MOTE were present as a delegate to this Christian Nationalist Convention he would bring to his fellow delegates the same challenge that he brought to the America First Convention in 1944 when he said: 'Fellow Americans, the times are rotten ripe for change. The times are overripe for a new political party which will say what it means and mean what it says. Let us go forth to battle--to battle for our common country and for the God of our Fathers.'"

TCTF dated November, 1949, contains a photograph of OPAL M. TANNER on page 21, beneath which it is stated that she: "presented the address in the dedication of the Mote Memorial Building. This building is the headquarters of the Christian Nationalist Crusade, located at 1533 South Grand Avenue, St. Louis, Missouri. Miss TANNER was the executive secretary of the late CARL H. MOTE, eminent writer, attorney and business executive. In his will he remembered Miss TANNER in a modest way, and without a suggestion on the part of any individual, she offered to dedicate this legacy to the purchase of a building to be used for the national headquarters of the Christian Nationalist Crusade. The building is the property of Miss TANNER, but it has been made available by lease to the Crusade as long as it is

E. DR. WESLEY A. SWIFT

As of 1954, [REDACTED] furnished information that Dr. WESLEY A. SWIFT is originally from New Jersey. He attended Columbia University and later post graduate courses at Harvard University. After a ministerial career he became active in the Ku Klux Klan and early in the World War II period was equivalent to the Ku Klux Klan's state organizer in California, which position he held until the Klan's dissolution about 1948. Over a period of years he and GERALD L. K. SMITH have shared the platform of one another's meetings, and until he recently accepted the position of legislative representative for the CNC he had no official connection with the CNC and its related organizations.

TCTF dated March, 1953 contains an article by Dr. WESLEY SWIFT on page 25 which is prefaced by an editorial note which states that: "Outstanding clergyman of Lancaster, California, specializes in scriptural interpretation. Dr. SWIFT is chairman of the California Anti-Communist League. He has been a pioneer in the battle against Communism, New Dealism and all other forms of Marxism. He was at San Francisco when the United Nations Charter was approved and has been a consistent foe of treasonable implications from that day to this."

II. FRANK LOLLAR BRITTON,
THE AMERICAN NATIONALIST

The "California Jewish Voice" newspaper, a weekly newspaper published in Los Angeles, California, which reports mainly information of interest to the Jewish community in the Los Angeles area, contains an article on page 5 of its issue dated May 29, 1953, entitled "A Hate-Pamphleteer Dedicates His Commodity to Rival Dispensers." This article states, in part:

"FRANK BRITTON of Hawthorne, California, is a young hero-worshipper studying to become a hero. BRITTON's current idols are of a peculiar stipe for an American not quite 33 years old, a veteran of World War II and a former student at the University of Southern California. They include:

"The magnificent GERALD L. K. SMITH, funder and leader of the Christian Nationalist Movement

"BRITTON's career as a professional anti-Semite began in 1950 while he was still a student at the University of Southern California. There he distributed anti-Semitic leaflets which won high praise from WESLEY SWIFT, of Ku Klux Klan fame, who for a while made BRITTON his protege.

"After publication of the two Treason pamphlets ("Atom Treason" and "Hollywood Treason"), BRITTON came up with a new anti-Semitic 'expose,' a 96-page booklet, Behind Communism, which he published in the summer of 1952. This has been sold around the country by the bigoted faithful for a dollar a copy. It, too, stresses, the Jewish-Zionist-Communist equation.

"An ambitions, striving man, BRITTON decided to form his own 'patriotic' movement in September 1952 by sending out invitations for a meeting of his 'great new organization' aimed at combatting the 'Jew Marxist' program of world conquest. The invitation appeared on the reverse side of a 'Buy Gentile' flyer which he had been distributing in the Los Angeles area.

"The meeting was a dud. About 200 people appeared at the Embassy Hall to hear BRITTON charge that the nation's

WJM:bcl
LA 105-6400

ills were attributable to 'immigrant Jew-Communists,' that 'Jew agitators' were exploiting the American Negro. Very little money was collected and the organization -- called The New Confederates -- died in its infancy.

"BRITTON has other irons in the fire. One of them is his 'fortnightly' publication, The American Nationalist, started in December 1952. Its content is similar to that of many other anti-Semitic publications. . . .

"But BRITTON's printed material has one distinction. Unlike most professional bigots, BRITTON has the advantage of a college education. He may even have studied journalism. His products are technically better, more polished than most. He makes judicious use of color, of two-page layouts, for maximum reader appeal. His Treason pamphlets--vicious and full of distortions--are readable and physically attractive. . . ."

The "American Nationalist" (AN) consistently identifies itself as a four-page publication of The American Nationalist, Post Office Box 301, Inglewood, California, edited by FRANK LOLLAR BRITTON.

[] furnished information on October 22, 1958 that BRITTON has been investigated by the Postal Inspectors on four or five different occasions in connection with his four-page "The American Nationalist" and miscellaneous anti-Semitic and anti-Negro leaflets, replete with lurid photographs, but has never been found to have misused the mails, having never advocated the use of violence in his literature. He said that BRITTON frequently visits the Post Office to deposit batches of his literature in the mails, destined to addressees locally and in the Southern States. He added that the AN is not a membership organization, conducts no meetings, and is solely operated by BRITTON for the purpose of selling his literature and seeking donations, through these means "earning" a living for himself and his wife. He added that BRITTON is not the sort to get along with others and he has never sought the association of others in his AN.

ALLEGED ARAB CONTACTS

I. GERALD L. K. SMITH

The book entitled "Cross-Currents" by ARNOLD FORSTER and BENJAMIN R. EPSTEIN, copyrighted 1956 by "The Anti-Defamation League of B'nai B'rith," published by Doubleday & Company, Inc., Garden City, New York, which states in the authors' acknowledgment that "Only after reading this book from cover to cover can one truly understand the debt its authors owe to the Anti-Defamation League of B'nai B'rith. The work is based upon the files of an agency composed of many men and women whose actual memoranda make up page after page of this document. . . .," and which contains a two-page forward by HENRY EDWARD SCHULTZ, National Chairman of the Anti-Defamation League of B'nai B'rith, contains various passages pertinent to the subject of this investigation, which are as follows:

"November 20, 1954

"AF to BRE (ARNOLD FORSTER to BENJAMIN R. EPSTEIN):

"KAMIL ABDUL RAHIM, Egypt's former ambassador to the United States, returned to this country this morning, this time to assume the duties of executive director of the long-planned Arab League propaganda office in the United States.

"November 22, 1954

"Research to AF:

"RAHIM made some interesting, off-the-record comments about American Jews to friends the day he arrived. If the Arabs in the United States were to minimize their anti-Semitic agitation,

WJM:bcl
LA 105-6400

said RAHIM, many American Jews might then lose interest in Zionism and Israel. But, added RAHIM, this was not the solution; there is a better answer. Most Americans do not distinguish between Zionists and Jews. This, he added, is 'something we have to exploit carefully.' Understanding American public opinion as well as he does, RAHIM concluded, it won't be very difficult--although delicate.

"November 23, 1954

"Library to BRE:

"One of the professional agitators with whom the newly arrived RAHIM has been in touch, at least through intermediaries, is GERALD SMITH.

"In 1952, SMITH sent out a number of letters to prominent Arabs concerning various aspects of the 'Jewish problem.' Among those to whom he wrote was KAMIL ABDUL RAHIM, ambassador from Egypt at the time, and when RAHIM's representative, Colonel MOHAMMED ABDEL HALIM KHALIFA, attended the 1952 Republican Convention in Chicago, he had an hour's conversation with the Christian Nationalist leader.

"In his report to RAHIM, KHALIFA indicated that he had been very favorably impressed by SMITH, whom he characterized as one of the principal fighters against Zionism and Jewish influence in the United States. Always the salesman, SMITH boasted to KHALIFA of the 'wonderful cooperation' he had been receiving from various representatives of Syrian-Lebanese American clubs. Believe it or not, SMITH promised KHALIFA that he would exert great influence to see that the platforms of both major parties pay respect to the national aspirations of the Arab states. For a discredited rabble-rouser like SMITH to palm off successfully such a patently phony promise, KHALIFA must be a man who is quite ignorant of the American scene.

"But apparently SMITH has a way with the Arabs. Back in January 1953, Dr. AHMED GALAL ABDELRAZEK, Egypt's permanent representative to the United Nations, ordered SMITH's pamphlets for his legation and found The Cross and the Flag so stimulating that he purchased a hundred subscriptions and expressed an interest in personally meeting its editor, DON LOHBECK.

WJM:bcl
LA 105-6400

"It is interesting, also, to note that the Saudi Arabian delegation, subscribing to ten copies of The Cross and the Flag at a subscription rate of \$2.00 each, sent SMITH a \$120 check for the purchase; the \$100 gratuity obviously reflected Saudi Arabian gratitude.

SMITH must really have put his best foot forward in Arab circles. Our files also show that back in October 1951 he was the subject of extended comment during a meeting at the home of MAHMOUD FAWZY BEY, permanent Egyptian representative to the United Nations. Six very top official representatives from the Arab world attended, including the Iraqi, Syrian, and Saudi Arabian representatives to the UN, and CHARLES MALIK, Lebanese ambassador. The Iraqi delegate, AWNI KHALIDY, was holding forth. Here is the substance of his remarks:

"My brothers, my activities last week were concentrated mainly on reports from Iraqi students in American universities. I have given them the task of carrying on an intensive agitation against the gangsters of Tel Aviv. I received eighteen letters from my correspondents in which they reported distributing a considerable number of pamphlets and prospectuses in favor of the Arab cause at universities in Michigan, Massachusetts, California, Washington and at Syracuse and Philadelphia. In these universities my correspondents work quietly and secretly so that Jewish students do not learn about their activities or report about them to their espionage agencies. I sent my correspondents 1800 copies of a pamphlet which I received from my very good friend GERALD SMITH. The sum of it was that the cause of the Arabs is our cause; that we must try to understand it; that we must try to fight for it and learn about it day and night; that we should understand that the cause that the Arab world defends is real anti-communist democracy, and that the Jews are the inventors of communism and are its largest supporters; that we must study the Arab world and understand it; that the Arab world is a world founded by honest people, sincere, frank, and cherishing democracy. I believe that such a pamphlet will touch the hearts of young Americans. Last week I also succeeded in obtaining from my government an appropriation of \$2000 which I will spend exclusively to finance our friends organizing a number of meetings. . .

WJM:bcl

"December 27, 1954

"Research to AF

"An Arab League plan, nursed for five years, to organize a major, centrally directed, opinion-molding apparatus in the United States, becomes a reality with the opening by the League of its propaganda center at 445 Park Avenue in New York City.

"According to the current plan, this will be the main coordinating point for nationwide dissemination of pro-Arab, anti-Israel, and anti-Semitic propaganda; and here various activities will originate to rouse public feeling against Zionist and the 'all-pervading Jewish influence' on American opinion.

"To attain these ends, representatives of the Arab Center will seek the aid of the nation's well-known professional anti-Semites, such as GERALD L. K. SMITH, . . ROBERT H. WILLIAMS, FRANK BRITTON, . . and others.

"Dr. OMAR HALIQ, Arab League representative in New York, in a comprehensive report submitted last August to his superiors in the Middle East, outlined the suggestions and offers of assistance he has already received from . . . BRITTON and WILLIAMS. On the question of how and under what circumstances the Arab Center could proceed to work with these people without provoking accusations of anti-Semitism, HALIQ strongly advised 'steady' contact, carried out in secrecy, so as not to hinder or 'deeply impair' the work of the new Center.

"Outlining the cooperation the new Arab office could expect from these men, HALIQ said his conclusions were based upon talks he himself had with them; . . with SMITH . . . some time later. (after last July).

"HALIQ suggested in his report that to rule these men out of the Arab propaganda effort, as recommended by friends in the American Friends of the Middle East, would be unrealistic, because the Arab Center's mission with regard to Jews is identical with that of the anti-Semites." (Pp. 328-331.)

"Our library has just dropped on this desk the current issue of The Cross and the Flag containing a malicious piece entitled: 'The New Crucifixion in Palestine.' SMITH prefaces his very detailed story with an admission that it is actually based on a memorandum which came to him 'from Jerusalem.' Our files, however, indicate that SMITH's admission is somewhat of an understatement. This is what we mean:

"Some months ago, SMITH met with EZZAT TANNOUS in Washington about the possibility of publishing TANNOUS' propaganda material in his magazine for a fee. The cost would be on a 'per line' basis as though it were advertising matter. TANNOUS agreed; but since the cost was high, \$10 a line, he has been careful about the quantity forwarded to SMITH. By TANNOUS' own admission, there is only one story in the current issue of The Cross and the Flag submitted by him.

"In all of SMITH's distortions about alleged desecration of Christian holy places he finds no room to report the appreciation expressed by leaders of the Christian communities to the government of Israel for having safeguarded their property and for making prompt repairs to damage which occurred during the course of fighting. Such statements are available by the Latin Patriarch in Jerusalem, the Greek Orthodox Patriarchate and the Greek consul general in Jerusalem, the Greek Catholic archbishops of Galilee, the special delegate of the Lutheran World Federation, and many others.

"And, of course, SMITH has maintained a very careful silence about the failure of the Arabs to show the same consideration for Jewish religious property in the Old City of Jerusalem. Twenty-seven synagogues were razed to the ground. The historic cemetery on the Mount of Olives where Jews had been laid to rest for generations was sacrilegiously plowed up and the headstones reduced to dust.

"When we first learned of the GERALD SMITH-EZZAT TANNOUS arrangement, we asked our Library to run through recent issues of The Cross and the Flag and mark off the pro-Arab material. Of course we do not know whether the following two items are the result of the SMITH-TANNOUS arrangement, but their substance fascinates us:

"In the August 1954 issue we find the following:

"We (GERALD SMITH) were received by the Ambassador from Egypt and his staff. They are the ones who represent the new government of Egypt in the United Nations. There are Jews in Egypt, but the Jews are not running Egypt. It is the intention of the internationalist clique, directed by Jewish and British politicians, to starve Egypt out by denying her the proper world trade facilities. The trick is to force her to trade with Russia, if possible, so that propaganda can be put out in the U.S. that Egypt is pro-Russian. Then the American people will be taught by the Jews to hate Egypt thus exploiting the American antipathy for Communism. . . . Egypt refuses to recognize the Jew-Palestine Government on the grounds that it is an invasion. The Ambassador, whose name is ABDEL HAMEID GHALEB, is a Moslem. . .

"In his June 1953 issue, SMITH's 'Letter No. 6,' addressed 'Dearest Mother,' reads in part as follows:

"One of the most outspoken delegations concerning the world situation is the delegation representing Lebanon, which is one of the Arab states. We interviewed this delegation and confirmed many important and sensational facts which we already knew. Jew-Zionists captured Palestine with the help of England and the United States, driving a million Arabs out of their homes and their places of business to suffer and die in the desert. Many of these people were refined and cultured people living in lovely homes. The Jews not only came in and stole their homes and their farms, but they froze the bank accounts, looted their safety deposit boxes, stole their cattle, swine and orange groves,

WJM:bcl
LA 105-6400

using the prestige and power of the United States and Western governments to support their lootings. . . .

"If SMITH's allegations seem vaguely familiar to you, there is good reason for it. You have read these statements many times before in Arab propaganda, the difference being that for the most part Arab literature uses less blunt language than SMITH. But I suppose SMITH feels impelled to rewrite all his source material; he has earned the right to consider his style imimitable, after all the years he has spent on it." (Pp. 351-353).

"January 31, 1955

"An examination of recent issues of SMITH's The Cross and the Flag against propaganda emanating from the Arab Middle East shows that he has echoed a very large part of it, viz., editorials the 'Israeli Invasion of Palestine' combined with pleas for Arab refugees and charges of church desecration by Jews; articles accusing Israel of peddling opium; stores accusing the Jews of using the United Nations to create war upon the Arabs; items claiming that the Jews want peace with the Kremlin but war with the Arabs; editorials in behalf of the Arabs and endorsing such booklets as The Palestine Refugees, etc., etc.

"Most of these items in SMITH's magazine appeared previously in substantially the same form in Arab literature, radio broadcasts, or official releases. Those that SMITH thought of first appeared later in Arab propaganda." (P. 355).

"The answer as to why there is such a deadly parallel between the propaganda of official Arab representatives in the United States and local American anti-Semites lies in the close behind-the-scenes cooperation between the two groups. The fact of such cooperation is absolutely documented by such letters as the one Dr. TANNOUS wrote from New York to a colleague three days ago.

WJM:bcl
LA 105-6400

Indicating with apparent regret that he will have to register in the United States as a foreign agent, TANNOUS goes on to describe 'the pro-Arab Americans' with whom he will have to deal on the domestic scene:

"These Americans can be divided into two categories. The first consist of decent and honest Americans who do not know enough about the Jewish plot in Palestine and who could be well influenced. They are not aggressive but honest. They will not help us in any 'big way,' but their influence on the US public opinion is steady and important. They include Church people, some relief organizations, and others. The second category consists of what the Jews call anti-Semites. I have seen some of them and although I cannot say the same thing of all of them, there are some who can do a lot of things to our cause. I have met people like GERALD SMITH, a strong anti-Zionist with a tremendous following (who helped us in his publications by some articles we have sent him), Our contacts with them have been careful to avoid accusations by strong Jewish organizations, like the Anti-Defamation League (which is called here the Gestapo of the Jews). But we remain always on our defensive to prevent wrong interpretations of our actions." (P. 356).

"We were received by the Ambassador from Egypt and his staff. They are the ones who represent the new government of Egypt in the United Nations.

"Then the American people will be taught by the Jews to hate Egypt, thus exploiting the American antipathy for Communism.

"Egypt is taking care of 250,000 refugees who were driven out of their homes by the Jews in Palestine.

"Egypt refuses to recognize the Jew-Palestine Government on the grounds that it is an invasion.

TCTF dated January, 1958, contains "Editorial Briefs" by GERALD L. K. SMITH, which includes the following item (quoted in part) on page 5:

"A Guest From Egypt: When I was in Washington, D. C., recently I was called on by a brilliant young man, 33 years of age, who is a citizen of Egypt. He is a journalist and a radio commentator. His name is Ibrahim Baghdady. Mr. Baghdady insists that Egypt is not only not Communist, but Egypt is anti-Communist. He told me that the very day they were called on by a representative of the Russian Government agreeing to furnish wheat and other materials to Egypt, the Government of Nasser sentenced numerous high officials in the Communist Party to long prison terms. Mr. Baghdady insists that the Arab world is afraid of one monster; namely, Jewish aggression, Israeli invasion, Jewish imperial control. They are conscious of the hazards of Communism and they hope and pray that the United States will give Egypt the kind of cooperation and support which will prevent her from being pushed into the arms of Soviet Russia. Mr. Baghdady says, however, that if the United States continues to tie up Egyptian money and continues to refuse to deliver wheat and foodstuffs to Egypt and continues to arm and furnish money to Israel, which will be used eventually to invade Egypt, Egypt then will be forced to turn wherever she can turn and regardless of the risk involved for allies necessary to fight off the threatened invader. . . ."

TCTF dated January, 1958, contains an article entitled, "Items of Interest" on pages 3, 20-20. On page 3 appears an Editor's note, which states that: "Gerald L. K. Smith and a staff of three people recently carried on an intensive interviewing campaign in New York and Washington. The representatives of 33 nations were contacted. Important and well-informed citizens were interviewed. Out of these interviews came the following items:" Among the items are the following, which appear respectively on pages 22-23, 26, and 27:

LA 105-6400

WJM:rjn

(A) "While in New York City members of my staff or I visited the headquarters offices of the following legations: Australia, Bolivia, Cambodia, Chile, China, Denmark, Egypt, El Salvador, Finland, France, Germany, Honduras, India, Iran, Israel, Italy, Japan, Mexico, Norway, Philippines, Saudi Arabia, Spain, Syria, Turkey, South Africa, United Kingdom, United States, Uruguay, USSR.

"Some were free to give out information, others were very secretive, others manifested a bewildered attitude concerning world affairs in general. Representatives to the United Nations are divided into blocs. Each Bloc is under the influence, control and leadership of a 'bell wether'. . . ."

(B) "I visited at length with two very wise and important men. These men are no part of the United Nations. One is highly informed concerning the Middle Eastern crisis and the other is highly informed concerning the present crisis in the United States. Here are some facts which I obtained from these gentlemen. I shall not give the name of Man No. 1. Otherwise it would dry up my sources of information concerning the Middle East. . . ."

(C) "Opinion from Egypt: I conferred in Washington with a prominent citizen of Egypt. He is an editor and radio commentator. He insists that there is no Communism in Egypt with the legal approval of the government. Notorious Communists were sentenced to prison at the very time that Egypt was visited by Russian personalities. My informer insists that the Arabs fear more than anything else the aggressive designs of the Zionist Jews. They know that Jews are coming out of Russia and Poland at the rate of 7,000 per week. They know that Israel is expecting to bring in between two and three million more Jews within the next few years. They know that in order to handle these new Jews, the Zionists will need more territory, and they are hoping to get this territory by invading Egypt and Jordan and Syria. The Arabs are in a life and death battle to save their territory from Jewish invasion. . . ."

TCTF dated February, 1958, contains an article entitled, "Editorial Briefs" by GERALD L. K. SMITH, which includes the following item on page 5:

LA 105-6400

WJM:rjn

"Controlled Information: Dr. Farid Zeineddine, the Syrian ambassador to the United Nations, when interviewed concerning the Middle East crisis said: 'The American people are not informed concerning the Middle East because of Zionist influence.'

"He went on to say that Syria has nothing to do with Russian authorities as far as political faith is concerned and that Syria's attitude toward the United States has become what it is because the United States has occasionally taken the side of Syria's enemies. He insisted that a campaign was now being carried on in the United States to prepare us for war and that the Middle East is apprehensive concerning the Eisenhower doctrine.

"The fact remains that the troublemakers in the Middle East are the Jew Zionists. They control our press, much of our television, much of our radio, and they insist on keeping our people in the dark while our diplomats and our propagandists alienate the goodwill of 50 million Arabs who tried and tried to be the friends of the United States of America."

II. FRANK L. BRITTON

The book, "Cross-Currents", mentioned above in this report, contains the following items pertinent to FRANK L. BRITTON:

"October 28, 1954

"Library to BRE

"The current issue of Frank Britton's monthly newsletter, 'The American Nationalist', includes this very significant item: 'If you read Arabic you will be interested to learn that an Arabic translation of our book, "Behind Communism", is now available from the Farajalla Press, Box 1012, Beirut, Lebanon.'

"It means that for the second time, at least, this young professional anti-Jewish agitator has worked a deal for himself with the Arabs. The November 1953 issue of his slick-sheet publication featured a piece on the Kibya incident, purporting to show how 'the parasitic state of Israel added another murderous chapter to its already blood-spattered record....' In January, Britton got his reward for the article - money from Arab sources.

LA 105-6400

WJM:rjn

"The pay-off was for services rendered; the article had been drafted by Omar Halig of the Arab League, then shipped to Britton for publication. With the check went an order for more copies of the Britton publication, ten to twenty thousand, which the Arab League will underwrite.

"The Arabs cannot wriggle out of this one. A quick perusal of the Britton newsletter reveals that it is one of the worst anti-Semitic rags in the United States. On a solid basis of co-operation with most of the older professional Jew-baiters, Britton conceals nothing. . . .

"Britton apparently has still other deals pending with the Arabs at this very moment. Earlier this month he was invited on behalf of Abdul Khalek Hassouna, secretary general of the Arab League, to come East as a guest of the Arab League, all expenses covered, for a private conference. In extending the invitation it was explained to Britton that no final commitments could be made to him via mail pending the arrival of the new director of the Arab League propaganda office (Kamil Abdul Rahim) from the Middle East.

"October 29, 1954

"AF to BRE

"Now we understand why Frank Britton is preoccupied with rewriting for his magazine much of the Arab propaganda coming out of the Middle East. His stories include charges that Arabs suffer second-class citizenship in Israel; that Israel has been blackmailing Germany with demands for reparations; that all Jews give their first loyalty to Israel; that Jews are mistreating Arab refugees; that Israel's immigration laws are harsher than the McCarran-Walter Immigration Act; that Israel pursues an anti-Gentile policy more ruthless than Nazi Germany's Nuremberg laws; that Israel is an aggressor nation, a perpetrator of atrocities, a deadbeat on its obligations to Arab refugees, etc., etc. . . ." [] furnished information on March 11, 1959, that FRANK L. BRITTON allegedly offered his assistance to KAMEL ABDUL RAHIM, head of the Arab Information Office, in representing the Arab League at the 10th anniversary of the UN in San Francisco in 1955. At that time the Arab League planned to open a small office at San Francisco.

[] on March 11, 1959, made available the following item, which appeared on page 12 in "Facts" dated March, 1954, volume IX, number 3, published by the Anti-Defamation League, B'nai B'rith, New York City:

"FRANK L. BRITTON

"Unlike legitimate publishers who pay for editorial content, the hate press often works in reverse, collecting for its propaganda. So it is with Frank L. Britton (see: 'Facts', Mar. 1953), the 33 year-old publisher of a slick, four-page, anti-Semitic fortnightly called The American Nationalist.

"In his Nov. 23, 1953 issue Britton, who operates out of Inglewood, Calif., featured a slanted, inflammatory piece on the Kibya incident to show how 'the parasitic state of Israel added another chapter to its already blood-spattered record . . .'. Last January he got his reward - a \$500 check from the Arab League. Made payable to The American Nationalist, it was signed by Rachad Mourad, former Egyptian consul general in New York who has since moved up to a new job as propaganda chief in Washington, with diplomatic rank of counsellor.

LA 105-6400

"The payoff was for services rendered: the article had been written by Omar Halliq of the Arab League, then shipped to Britton for publication. With the check came an order for more copies, 10- to 20,000, which the Arab League will underwrite.

"Rachad plans more such 'publishing deals' with Britton in the future."

"The American Nationalist", volume 3, number 39, dated November, 1955, contains an article on page 2, entitled, "Editor's Report", which states in part:

"Our attention was recently drawn to a smear article which appeared in Georgia's left-wing 'Macon Telegraph', and which was reprinted in the Southern Israelite and other Jewish newspapers. The article, which purported to be an 'expose' of the American Nationalist, complained that 'the Southern states presently are being blanketed' by our mailings. 'It is important', warned the 'Macon Telegraph', 'that Southerners receiving copies of this publication know its origin and its reputation'.

"There followed a twisted and distorted 'history' of the American Nationalist which was saved from being ludicrous only by the vicious intent behind it. The following paragraph will suffice as an example:

"'Early in December 1952', stated the 'Telegraph' article, 'the first issue of the American Nationalist was published. In January 1954 Britton received a \$500 reward from the Arab League for his reports on the Kibya incident which were printed in his paper. The article had been written by Omar Halliq of the Arab League and sent to Britton for publication.'

"Needless to say, there is not a word of truth in the allegation. But since the story seems to have received wide circulation in the South, we thought it best to set the record straight in the matter. The truth is that we never received \$500 from the Arab League. We never received even \$1.00 from them - for any purpose whatever. As for the story Omar Halliq was supposed to have written for our paper: we don't even know anyone by that name. Most certainly neither

LA 105-6400

he, the Arab League nor anyone else ever had an article published by us. We write our own material, and if we do say so ourselves, it is considerably more accurate than the stuff appearing in papers like the 'Macon Telegraph'."

III. ROBERT H. WILLIAMS

The book, "Cross-Currents", mentioned above, contains the following passages concerning ROBERT H. WILLIAMS:

"October 10, 1953

"Middle Eastern Correspondent to Research

"Several days ago Omar Haliq responded favorably to a proposition he received through the mails from Robert Williams. In September, Williams contacted the Arab League with an offer to prepare a 12-page pamphlet on various phases of the Israeli-Arab controversy, including a report on the alleged pro-Israel activities of the Anti-Defamation League and the American Jewish Committee. Williams offered to do the complete job, furnishing suitable names from his mailing list to aid distribution, for the 'bargain price' of \$2000.

"Haliq asked Williams for an outline of the proposed brochure for submission to Cairo. Haliq hoped that the suggested project would be approved and he offered to assist Williams in its preparation in any way he could.

"But Haliq does not make the decisions; his approval alone is meaningless.

"October 11, 1953

"Library to Research

"This is to remind you that the tentative Haliq-Williams deal is not the first time Williams has tried to do business with the Arabs. In the spring of last year, before the political conventions, Williams got in touch with Abed Bouhafa, correspondent for the influential Cairo daily, 'Al Misri', and pointed out the danger to the Arab cause in a 'Zionist-supported' candidate

LA 105-6400

receiving the nomination. Williams had, he said, a scheme to spike such a move which deserved the support of Arab newspapers and suggested getting together with Bouhafa to talk the matter over.

"Williams' strenuous efforts to sell his services to Arab representatives in the United States is a long-time thing. Read the following letter to Bouhafa from Williams after the latter sold the Syrian Minister a bill of goods:

"ROBERT H. WILLIAMS

"Dear Mr. Buhafa:

"The Hon. Faiz ~~El-Khour~~ El-Khour, Minister for Syria, writes that he has talked with you about my unfinished manuscript 'A Gentile Looks at the Jewish Problem' and that your paper might possibly be interested in publishing the book in Arabic, when it is finished.

"I think I would be greatly interested in such a proposition.

"The book really is finished, but requires much revising and reducing. It now stands at something over 500 pages of double-spaced typed manuscript and should be reduced to not more than 300 pages, I should think. Furthermore, on the chapter dealing with the destruction of Rome and the two chapters dealing with the destruction of Russia, I must do some more research.

"I doubt that the book can be ready before fall.

LA 105-6400
WJM:rjn

"Meanwhile, it occurs to me that your paper might want to publish in Arabic one or both of the two booklets which I am sending you separately: 'The Anti-Defamation League and Its Use in the World Communist Offensive' and 'FEPC and the Minority Machine'.

"If your paper wants to publish them, in book or booklet form, I would be agreeable to the customary royalty arrangement. If, in addition to the booklets, or without publishing them as booklets, your paper should want to print them serially in its columns, then I would welcome a reasonable offer of remuneration.

"May I hear from you at your convenience?

"Sincerely,
Robert H. Williams
Major, MI-Res.

"PS - I believe I shall send both booklets herewith instead of separately." (pages 318-320).

(An allegation in "Cross-Currents" that ROBERT H. WILLIAMS had made "suggestions and offers of assistance" to Dr. OMAR HALIQ, Arab League representative in New York, has been quoted above under the subcaption "GERALD L. K. SMITH" in the passages beginning "December 27, 1954: Research to AF".)

[] furnished information on March 11, 1959, that a confidential source, believed to be reliable, had furnished information that EL ABED BOUHAFI, on a letterhead of the UN Office of the Cairo newspaper Al-Misri, from New York City on August 18, 1953, addressed to "Dear Major", who is thought to be ROBERT H. WILLIAMS (Major in the Military Intelligence Reserve), a letter BOUHAFI stated (in part) as follows: "I have communicated your letter and its enclosure to the editor of my newspaper 'Al-Misri'." He then assured his addressee of the large circulation of that paper and mentioned the general subject matters in which the publication would be interested and willing to pay for; such as, inside stories of "Jewish intrigue", and added: "I am sure that the League of the Arab states would be very much interested to get these data and even compensate for whatever expenses such an investigation might involve. I might even say that I am authorized to inform you of

The Arab Information Center is registered as agent for Iraq, Jordan, Lebanon, Saudi Arabia, Yemen, and Egypt (UAR).

The Palestine Arab Refugee Office is registered as agent for Iraq, Lebanon and Saudi Arabia.

EDWARD K. MOSS is registered as agent for Sudan.

According to [] the above three agents have been responsible for most of the propaganda distributed by agents of Arab countries as shown by Registration Section records. [] added that she was unable to locate any record of propaganda distribution on the part of any of the other registered agents listed above.

b6
b7C

On 3/11/59, [] Registration Section, informed SA [] that she would make available to the Bureau propaganda submitted to the Justice Department by the above agents for the year 1957 for whatever action deemed appropriate. [] added that propaganda for the year 1958 could be made available on a temporary basis at this time, but pointed out that in approximately two months, this material could be given to the Bureau, adding that she would no longer need the material after the "report to Congress" was prepared. [] also advised that propaganda for the year 1959 would be made available to this Bureau on a temporary basis for photostating.

b6
b7C

WFO 105-29384

The propaganda for the year 1958 is estimated to consist of approximately 500 documents, varying in page numbers from one to fifty. It is felt that the cost to photostat this material would be prohibitive at this time, especially since this material can be made available at no cost in less than two months.

UACB, WFO contemplates obtaining the propaganda for the year 1957 and plans to borrow from Justice Department, propaganda for the year 1959, which is limited in quantity, for photostating. WFO will also obtain the propaganda for the year 1958 as soon as it becomes available in approximately two months.

Since New York is origin in captioned matter and will be in position to conduct the comparison outlined in re airtel, WFO will forward all propaganda material to New York for such comparison. In this connection, some of the material submitted to Registration Section consisted of travel brochures and other items obviously not propaganda and WFO will attempt to screen such material before transmittal to New York.

Synopsis:

Series of five articles appeared in "New York Daily News" 1/20-24/59, written by DAVID BURK and entitled, "Peddling Hate in America; Egypt's NASSER." BURK accuses Arabs for fomenting much of anti-Jewish acts perpetrated by hate groups in the United States by alleging anti-Jewish literature prepared by the Arabs has been given to Americans active in racist and hate campaigns for distribution. Articles further point out that some of these racists have been in contact with Arab officials and establishments in this country and some of their publications have contained pro-NASSER propaganda, the implication being that such propaganda was furnished by the Arabs. Articles specifically name certain persons as being leaders of a hate corps acting on behalf of NASSER in spreading anti-Jewish literature in this country through their publications or their activities. Persons specifically named in BURK's articles are JAMES H. MADOLE, BENJAMIN H. FREEDMAN, MERWIN K. HART, CHARLES SMITH, HAROLD N. ARROWSMITH, JR., GERALD B. WINROD, FRANK L. BRITTON

ARTICLES IN "NEW YORK"
DAILY NEWS"

A series of five articles appeared in the "New York Daily News" from January 20 to 24, 1959, written by DAVID BURK and entitled, "Peddling Hate in America: Egypt's Nasser." In these articles BURK accuses the Arabs for fomenting much of the anti-Jewish acts perpetrated by hate groups in the United States by alleging anti-Jewish literature prepared by the Arabs has been given to Americans active in racist and hate campaigns for distribution.

The articles further point out that some of these racists have been in contact with Arab officials and establishments in this country and some of their publications have contained pro-NASSER propaganda, the implication being that such propaganda was furnished by the Arabs.

These articles specifically name certain persons as being leaders of a hate corps acting on behalf of President NASSER of the United Arab Republic in spreading anti-Jewish literature in this country through their publications or their activities. Those persons specifically named in BURK's articles are as follows:

- (1) JAMES H. MADOLE

NY 105-34293

JAMES H. MADOLE
NATIONAL RENAISSANCE PARTY
NATIONAL RENAISSANCE BULLETIN

The "New York Daily News" of January 20, 1959, in the above referred to articles by DAVID BURK states in part:

"The hatemongers I sought out have been less discreet. The connection with an established regime is too good for their egos to be hidden. Men like James H. Madole, the Basilisk-eyed, stiff jointed leader of Manhattan's National Renaissance Party, boasted of 'meeting regularly with the Arabs.'"

In the "New York Daily News" of January 21, 1959, in the above referred to articles by DAVID BURK states in part:

"Manhattan's James H. Madole, one of the several petty fuehrers who strut around the U.S. produced an ingenious sidestep. At a meeting held in the Nola Studios above Steinway Hall, 113 W. 57th St., he charged (and repeated in a leaflet priced at a modest 25¢ a copy) that Atlanta's Jews had blown up their own synagogue.

"Titled 'The Untold Facts Behind the Synagogue Bombing' Madole said it 'had set off a chain reaction from President Eisenhower ---- to five unemployed nationalists who were being legally crucified --- to appease the Jewish vote. An unprecedented wave of publicity has swept the entire United States calling for the suppression of all hate literature.'

"By 'hate literature' Madole explained, he means 'any publication which has the temerity to criticize the un-American activities of the Jew and his multimillion-dollar propaganda agencies'.

"Let us, Madole continued, 'analyze the facts. Which group has gained more from the veritable epidemic of bombings and dynamitings culminating in the Atlanta explosion?'

TGS:bam
(9)

NY 105-34295

"The dynamitings in Clinton, Nashville, Jacksonville, Miami and other Southern cities, Madole said, have been used by the Jewish press 'to rally Catholics and Protestant clergy behind the fundamentally Jewish - sponsored drive for complete racial integration'.

"Moreover he added, 'reports of bomb threats and the wave of violence, bombings and 'hate literature' around the country brought pledges of increased contributions to support the American-Jewish Committee and the 'B'nai B'rith'.

"Quite obviously said Madole who stares as he talks, with wide eyes that never flicker and seem to be focused on outer space, 'the Jews were the only group to gain, both financially and economically, from the dynamitings. No sane American nationalist could expect anything but the interventions of federal authorities, a tidal wave of investigations, and unfavorable publicity in the national press'.

"However, laments the, wild eyed fuehrer, since Atlanta's Mayor WILLIAM B. HARTSFIELD, Police Chief HERBERT JENKINS and Prosecutor PAUL WEBB 'are part of the Jewish fifth column in the Deep South----political traitors kept in power by the wealthy Jewish community----to open the door to racial integration who can expect justice.

"Another Madole leaflet lashes out at F.B.I. Chief J. Edgar Hoover's book on Communism in the U.S., 'Masters of Deceit'. ('One of the top propaganda lines of the hate groups, alongside their plugging of the Nasser cause, is one developed by Goebbels in the 30s. Communism, goes the slogan backed up by a grab bag of fractured history, sociology and other sciences, is Jewish').

NY 105-34293

TGS:bam
(10)

"For defining this charge in his book as 'one of the most malicious myths that has developed in the United States', Hoover is fingered by Madole as 'American's foremost master of deceit' who must be 'planning to retire soon and wants to assure either a good job in the business world or a nice fat ADL (Anti-Defamation League) check'.

"Madole, who periodically drops into burlesque-stage Jewish accents to wring a chuckle from his small audiences (of the 50 present Nov: 14, Madole claimed 'many are Jews, secret agents and reporters') then swung into his Arab routine.

"We must get together with the Arabs', he asserted. 'We have a common cause. We are anti-Jew. Nasser has sworn to get rid of all Egypt's Jews but his policy hasn't succeeded yet. There are still 25,000 of them there'.

"But it's only a matter of time. I see some of these Arabs regularly and you can take that as a fact.

"If anyone wanted fuller information on that subject, he said, there were some leaflets on the table at the back of the hall. There were indeed. Leaflets titled, 'Murder, Rape and Devastation' (by Israel in Gaza), 'The story of Zionist Espionage in Egypt', 'GAMAL ABBUL NASSER', 'GAZA under the Zionist Heel', and others.

"They outnumbered the National Renaissance Party's own literature heavily. Each was rubber stamped 'National Renaissance Party, 10 W. 90th St., New York 24, NY'. on one side and: 'Egyptian State Information Dept., 22 Soleman Street, Cairo on the other.

TGS:bam
(11)

NY 105-34295

"The Egyptian Embassy in Washington and the Egyptian UN delegation headquarters and Arab Information Office in New York, all expressed surprise that their publications fall into such hands.

"Perhaps, suggested one helpful employee at the Arab Information Office, 120 E. 56th St., 'they find one or two and then have them copied here.'

"The official, an Egyptian like all the top men in this office which purports to represent the nine-nation Arab League, thought the same answer might apply to Nasser boasts appearing in other racist publications around the country.-----

"Madole offers a combination that includes atheism and a party program that is 'for a dictatorship in place of Jewish-controlled democracy' and will 'solve all problems - social, economic, labor and juvenile delinquency.' 'Our slogan,' he says, 'is one nation, one race, one leader.'"

The "New York Daily News" of January 23, 1959 in the above referred to articles by DAVID BURK states in part:

"Selim (HUSSEIN KAMEL SELIM) expressed amazement when specific instances of Nasser's men consorting with racists were mentioned. Such as the time when ABDEL MAWGOUD HASSAN, press officer of the Egyptian U.N. delegation, addressed one of New York fuhrer James Madole's muck-raking meetings.

TGS:bam
(12)

NY 105-34293

"Perhaps said Selim hopefully, 'Hassan didn't know who Madole was.'

"He conceded that the office has a copy of the Attorney General's list of subversive, fascist groups, which includes both Madole and his National Renaissance Party. He also conceded that it behooves a diplomat to make inquiries before accepting invitations to address meetings.

"Hassan himself, when nailed on the subject during a recent television interview, at first denied that he had been present. When however, he was shown a photograph of himself sitting beside Madole on the rostrum, he went through the rest of the program like a man with violent stomach cramps."

The Un-American Activities Committee of the United States House of Representatives, in a preliminary report dated December 17, 1954, stated the "National Renaissance Party activities and propaganda are clearly subversive and un-American."

"NATIONAL RENAISSANCE PARTY"

A political party devoted to the restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice.

105-34293

"NATIONAL HEADQUARTERS:

224 East Main Street Beacon, N.Y.
National Director - JAMES H. MADOLE

New York Chairman

KURT IMERTIG
317 E. 54th St., N.Y.C.

Brooklyn Chairman

JOHN M. LUNIOFF
341 Senator Street
Brooklyn 20, N.Y.

BASIC PROGRAM:

- "1. To encourage racial nationalism among the peoples of Europe, Africa and Asia as an antidote to the spread of international Communism.
- "2. To enforce a strict policy of racial segregation in America in order to preserve and advance the culturally dominant White Aryan Race which brought the cultural and social benefits of Western Civilization to our shores in 1492.
- "3. To bring about a gradual deportation of those racial elements which cannot be assimilated with the culturally predominant White Race. Laws must be passed to rigidly prohibit racial intermarriage.
- "4. The Jewish Race, which constitutes the motivating financial and intellectual force behind Communism, shall be deprived of their American Citizenship and hence barred from all political and professional posts. Marriage between Jews and members of the dominant White Race shall be forbidden.

105-341293

- "5. To bring about the withdrawal of the United States from the United Nations in order to prevent the further exploitation of American resources and manpower by foreign parasites.
- "6. The alliance of German scientific and military genius combined with American technology, mass production technique and manpower could dominate both the American and European Continents. Therefore, our foreign policy must have a threefold objective of realizing a German-American alliance in Europe; a Moslem-American alliance in the Middle East; and a Japanese-American alliance in Asia.
- "7. The creation of an American Corporate economy wherein labor and mangement will be equally represented in the Economic Dept. of the Federal Government. All disputes will be settled by impartial labor tribunals.
- "8. The abolition of parliamentary government and the substitution of government by a trained national-minded elite.

On February 25, 1959, [] advised that a portion of the next N.R.P. bulletin would be devoted to a reply to the recent "New York Daily News" articles by DAVID BURK.

On March 3, 1959, [] advised that JAMES MADOLE has prepared the next issue of the "National Renaissance Bulletin" which will be captioned "Who Are the Real Hate Mongers"? MADOLE in this edition will comment that Jewish organizations are demanding a passage of legislation banning all publications which dare to oppose the activities of the Jews and he singles out Senator JACOB JAVITZ and Senator KENNETH KEATING whom he indicates "earn their living by wagging their tongues at Jewish fund raising devices for the State of Israel". MADALE indicates that Jewish organizations are demanding that "anti-Semitic political organizations like the National Renaissance Party must be either outlawed or crippled by legislation which would bar their literature from going through the mail." MADALE states that instead of demanding a study of the non-existent exchange between the National Renaissance Party and the Government of the United Arab Republic as recently claimed by DAVID BURK in the "New York Daily News" articles, he suggests a congressional study of methods by which a foreign state, the State of Israel, solicits hundreds of millions of tax deductible dollars each year to build up her war machine in the Middle East.

The following editions of the "National Renaissance Bulletin" were furnished by [redacted] These bulletins carry the caption, "National Renaissance Bulletin" and the first paragraph thereafter states as follows:

"Official organ of the NATIONAL RENAISSANCE PARTY devoted to a restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice."

In the upper left hand corner is printed, "Published in New York, N.Y. \$2.00 per 12 issues." These bulletins are mimeographed and contain from 3 to 7 pages per issue, and are issued on a monthly basis. However, in some instances the issues are only put out bi-monthly.

On April 10, 1956, [] made available the following described post card:

"MUST AMERICAN BOYS DIE IN PALESTINE?"

"American boys must not be used as cannon fodder to appease the Zionist aggressors in the Holy Land. Oceans of mothers' tears and innumerable empty chairs at family dinner tables remind us of the terrible price in blood and resources paid by the American people for involvement in futile world conflagrations like World War II and the Korean Epic. Traitorous politicians seeking to line their pockets with Zionist gold and votes by sacrificing the flower of American manhood on the battle fields of the Middle East must be repudiated and dealt with as traitors to the American Republic.

"All patriotic American nationalists are cordially invited to attend a mass meeting of the National Renaissance Party to be held on Saturday evening, April 14th, at 8 P.M. at the NOLA STUDIOS, 113 West 57th STREET, ROOM 601, NYC. (between Sixth and Seventh Avenues). Our guest speaker of the evening will be His Excellency DR. OMAR KHADRA of the Saudi-Arabi Delegation to the United Nations. Dr. Khadra will present the view of the Arab States on the PALESTINE QUESTION.

"KEEP AMERICAN BOYS HOME. ATTEND THIS MASS MEETING ON SATURDAY, APRIL 14th, IF YOU LOVE YOUR SON AND WISH TO PRESERVE OUR SACRED AMERICAN FREEDOM. MAKE UP A PARTY AND BRING YOUR FRIENDS.

BENJAMIN H. FREEDMAN
"FACT FOR FACT"

The "New York Daily News" of January 21, 1959 in the above referred to articles by DAVID BURK states in part:

"Another of the breed, New York's BENJAMIN H. FREEDMAN, who has been playing footsie with the Arabs since the middle 40's, puts out a turgid broadsheet crammed with a mosaic of history, past and present. He is a renegade Jew."

The "New York Daily News" of January 22, 1959 in the above referred to articles by DAVID BURK states in part:

"Back in the early '50's, when RAHIM was posted to Washington as Egyptian Ambassador he and his senior aids were flattered by the attentions they received from some of the racist fanatics. An identity of viewpoint was found on several issues, especially regarding the creation of the State of Israel and its support by Jews in the U.S.

"Gerald Winrod, who then edited a racist magazine called Defender lunched with RAHIM (KAMIL ABDEL RAHIM) at the embassy. Robert Williams who pretends to readers of his Intelligence Summary that he got the whole inside dope on the Communist conspiracy as an intelligence officer of World War II, was in touch with OMAR HALIQ of the Saudi U. N. delegation offering phamplets and mailing lists.

"Subscriptions were taken to such hate sheets as Gerald L. K. Smith's The Cross and the Flag. Jewish renegade Benjamin H. Freedman who backs CONDE MC GINLEY's subversive Common Sense and plugged HAJ AMIN EL-HUSSEINI, former Mufti of Jerusalem and Hitler's wartime 'Arab Voice' paid frequent court and still does."

NY 105-34293

The "New York Daily News" of January 23, 1959 in the above referred to articles by DAVID BURK states in part:

"What, I asked Selim, (HUSSEIN KAMEL SELIM) about the racists who visit official Arab offices and join Arab diplomats in the delegates' lounge at the U.N.? The most prominent of these is Benjamin H. (for Harrison) Freedman, 68, retired toilet goods manufacturer and son of MORITZ and HANNAH KAUFMAN FREEDMAN, immigrants from 19th Century Hungary.

"Freedman, who once described himself in court as 'without religion, though I was born a Jew, practice Catholicism and belong to the Masons' has a 10-year record of anti-Semitism.-----

"Freedman's record came out in a New York court in 1948. He was a witness for the plaintiff when attorney HALLAM M. RICHARDSON, leading light of Freedman's League for Peace with Justice in Palestine, sued an anti-Nazi organization for libel for saying he had been 'long known in the halls of pro-fascist propaganda.'

"Under skilled cross-examination Freedman spent several days on the witness stand. The sum of his testimony proved of greater value to the defense than to Richardson.

"Copies of cables exchanged between Freedman and HAJ AMIN EL-HUSSEINI, former Mufti of Jerusalem who broadcast to the Arabs for Hitler during World War II, were produced in court. Freedman also admitted frequently visiting Arab friends in Washington and having spent \$100,000 of his own money to advertise his cause.

NY 105-34293

"This last fact resulted in a glowing eulogy by the ex-mufti, printed in Cairo and titled: 'An American Jew Spends His Efforts and Riches in Protection of the Arabs.'

"The libel suit was thrown out of court and the judge described Freedman as an 'international meddler and propagandist.'

"When I called on Freedman at his sumptuous 960 Park Ave. apartment I learned that his views have not changed in the last 10 years. Before I was admitted, I had to prove my identity, declare that I was not a Jew and do not work for any investigative agency.

"The Zionists, Freedman assured me, 'drove me into the arms of men like Mc Ginley and Gerald L. K. Smith. I'd neither met nor heard of them before the Zionists started to smear me.'

"He scanned me piercingly through a pince-nez and said: 'I am thinking only of the good of the United States. I was born here you know. Thats why I believe we should recognize not only Red China, but also North Korea and East Germany, in the interests of the survival of the U.S. and the free world.'

"The U.S. he said, has only 6% of the total world population while Afro-Asia has 80%. By alienating Afro-Asia, the U.S. was destroying its commercial potential.

NY 105-34295

"Freedman puts out a sheet called Fact for Fact. _ It describes itself as 'An official publication of the Foundation for Advanced Research, a nonprofit membership foundation incorporated under the laws of the State of Delaware.' The foundation address is given as 505 Fifth Ave., but don't waste time looking it up in the directories. It isn't listed.

"Fact for Fact - 'only research reveals all the facts--- the whole truth' - offers the usual line about Communism being part of the Jewish conspiracy; the Jews not being Semites at all but descendants of a converted Asian tribe called the KHAZARS; and Eisenhower, Dulles and everyone else who does anything the racists disapprove of being the tools of the Zionists.

"After Eisenhower signed the Middle East Doctrine in 1957, says Freedman, for example, 'every media of mass-communications in the U.S. owned and controlled by the Zionist hierarchy, the leading newspapers, the television and radio nationwide networks, the leading weekly magazines, the motion-picture newsreels and many other equally effective media in the United States also owned and controlled by the Zionist hierarchy, immediately commenced the most unjustified and unwarranted smear-campaign accusing Egypt and Syria of being countries 'controlled by international Communism.' The purpose was quite obvious.

On February 18, 1959, [] advised that BENJAMIN H. FREEDMAN resides at 960 Park Avenue, New York City, and maintains an office at 505 Fifth Avenue, New York City for an organization called the Foundation for Advanced Research Analysis, a Delaware Corporation, organized by FREEDMAN several years ago. Source stated that the publication "Fact For Fact", which has been published intermittently, has been published under the name of Foundation for Advanced Research Analysis.

The January 1957 issue of the publication "Fact For Fact" reflects that it is published by the Foundation for Advanced Research Analysis, 505 Fifth Avenue, New York City. This issue is a four page pamphlet, which consists entirely of one article authored by BENJAMIN H. FREEDMAN and entitled "Whose Blood Will Flow Next in Palestine Now Answered".

b2
b7D

On March 31, 1959, [] made available copies of the January and March, 1957 and June, 1958 issues of "Fact For Fact":

The January, 1957 issue carries the above-quoted caption "Whose Blood Will Flow Next in Palestine Now Answered". This edition also carries the following captions:

"President Eisenhower Seeks Consent of Congress For United States Armed Forces to Fight Middle East War to Protect Booty of Zionist's 1948 Armed Insurrection".

The first portion of the article is as follows:

NY 105-34293

"The United States Armed Forces will soon again be fighting and dying, this time on the battle-fields throughout the Middle East area, in the not too distant future, in another unnecessary and useless war, if President Eisenhower's Middle Eastern Security Resolution, as it is now called, is approved by both the houses of Congress, and signed by President Eisenhower, it thus becomes the law of the land, in the form in which President Eisenhower submitted it to the Congress, on January 5, 1950, as his Joint Resolution to Congress, H. J. Res. 117.

✓ "On the basis of the facts which follow, those best qualified and most competent to judge the inevitable consequences of President Eisenhower's Middle Eastern Security Resolution, are of the unanimous opinion, that in its present form President Eisenhower's Middle Eastern Security Resolution will lead to war in the Middle East area, in the very near future, between the United States and the Arab Middle East Countries. The consequences must prove very disastrous.

"It is also the considered judgment and the unanimous opinion of those best qualified and most competent to judge, in the Administration in Washington, in the Congress, in the Pentagon, and among United Nations delegations, that a war of that character in the Middle East will inevitably precipitate the impending all-out and full-scale East-West World War. That evil consequence must be averted."

The March 1957 edition of "Fact For Fact" carries the following captions:

"Eisenhower Middle East Doctrine Invoking East-West 'Hot' World War"

The story of this issue is authored by FREEDMAN.

The June 1958 edition of "Fact For Fact"
carries the following captions:

"Hatemongers Smear Patriots Who Warn Nation of

World War III Threatens Security and Sovereignty

Victory and Survival!

"Character-Assassination Sabotaging Nations' Defense!

"Unless the United States is able to regain and
retain the respect and regard of the peoples of Asia and
Africa before the outbreak of World War III our defeat
appears inescapable. The unjustified and unprovoked complicity
of this nation in the Zionist revolution in Palestine in
1948 cost the United States as allies in World War III the
500,000,000 Moslems and 500,000,000 of other religious
faiths in Asia and Africa. That unwarranted complicity will
cost this nation access to the unlimited vast natural
resources of Asia and Africa more vital to this nation's
own defenses in World War III than now realized. That
unwarranted complicity furthermore denies to this nation the
use of strategic areas in Africa and Asia vital for the
defenses of this continent in World War III. That unwarranted
complicity surely opened a Pandora's box for the United States
in Asia and Africa which it will be hard to shut.

[] stated that FREEDMAN currently has a law suit pending against the "New York Daily News". In this suit, FREEDMAN claims a million dollars damage, alleging that in the recent "Daily News" articles regarding the Arab countries, he, FREEDMAN was termed a "renegade Jew".

b2

✓ In 1950, FREEDMAN executed an affidavit which he subsequently filed with the Armed Services Committee of the United States Senate. In this affidavit, FREEDMAN alleged that ANNA M. ROSENBERG, who had at that time recently been appointed as Assistant Secretary of Defense had attended meetings in the 1930's of the John Reed Club an alleged pro-Communist organization in New York.

The Senate Armed Services Committee, after conducting hearings on these charges subsequently rejected FREEDMAN's charges concerning ANNA M. ROSENBERG.

"Character Assassins Act to Insure Confirmation

The entire article deals with the allegation concerning ANNA M. ROSENBERG's connection with the John Reed

On March 20, 1947, BENJAMIN H. FREEDMAN, 300 Central Park West, New York City was interviewed by SA [REDACTED] FREEDMAN stated that in January of 1946, he became interested in the Palestinian question and thereafter commenced a study of the involved/^{issues} in order that he might be in a position to suggest proper solutions to the interested parties. He stated that it was most regretable that at the present time Arab and Jewish factions were engaged in acrimonious recriminations rather than attempting to amicably adjust and reconcile their conflicting viewpoints.

FREEDMAN stated that in his opinion there could be no permanent peace in Palestine unless Arabs and Jews themselves agreed on conditions and terms of immigration, settlement, etc. He related that to refer the matter to the United Nations (UN) or to engage in blockade running was merely postponing the inevitable conflict and he felt that the only solution at the present time was to call for a Jewish established conference to settle the whole Palestinian affair.

To obtain the different Arab and Jewish viewpoints regarding this matter, FREEDMAN conferred with [REDACTED]

b6

[REDACTED] New York City, and [REDACTED] New York City. He stated that [REDACTED] had convinced him ^{of the} sincerity of the Arabs desire for peace, but informed him that [REDACTED] did not have sufficient funds to publicize their viewpoint in this matter.

NY 105-34293

In consequence FREEDMAN related he defrayed the expense of an advertisement of the Institute of Arab-American Affairs which appeared in local Metropolitan newspapers in New York City on February 19, 1946. This advertisement was captioned as follows: "Arabs Want Peace in Palestine! So Do The Jews, But The Political Zionists Are Bent on Violence".

Subsequently FREEDMAN formulated "The League for Peace with Justice in Palestine, which was incorporated in the State of New York on May 9, 1946. The stated purposes of this organization were to "work for the preservation of the rights of all racial, religious and nationality groups in all the countries of the world and to render voluntary assistance in the protection of men and women in all parts of the world by collecting and disseminating factual information with respect to the suppression of minorities to direct special effort to the geographic area which includes Palestine in an effort to establish peace with justice for all inhabitants."

During the course of this interview, FREEDMAN related that he had spent over \$50,000 in advertisements in presenting his views through The League for Peace with Justice in Palestine. FREEDMAN also emphatically denied that he had at any time received any financial support or had been controlled or influenced by any Arab organization or persons interested in the Arab cause. He stated his entire actions were motivated by a desire to effect amicable Arab-Jewish relations and particularly to effect peace in the Holy Land through mutual discussion of peace and cooperation.

On March 31, 1959, [] made available copies of full page advertisements placed by FREEDMAN in newspapers concerning this matter, all of which bore the legend "League for Peace with Justice in Palestine" on the bottom of these advertisements.

The "New York Herald Tribune" of May 4, 1948, carries an article by MILTON LEWIS entitled "Benjamin Freedman in Court Avows Link With Mufti". This article notes that BENJAMIN H. FREEDMAN the founder of the League for Peace With Justice in Palestine was linked through his own testimony, with the "Grand Mufti of Jerusalem".

The article related the testimony of FREEDMAN in Mid-Manhattan Magistrate's Court in New York City. On cross examination by JULIUS L. GOLDSTEIN, Counsel for the anti-Nazi league, Mr. FREEDMAN admitted that on September 7th last (1947), he sent a cable to AHMAD HUSSEIN in Cairo. HUSSEIN was identified by Mr. GOLDSTEIN as Head of the Young Egypt Party, a nationalist group.

The cable was quoted as follows:

"Dear Brother; Letter received. Attending everything requested. Very busy United Nations situation. Writing fully this week. Extend His Eminence wishes for continued vision, courage, strength, struggle behalf justice his people. Giving him fullest cooperation. Family send love to you all.

"Signed

"Benjamin H. Freedman"

FREEDMAN identified "His Eminence" as HAJ AMIN EL HUSSEIN, the Grand Mufti of Jerusalem.

FREEDMAN, who said he was/^aretired industrialist, also said he had sent a cable last October 17th (1947) to Tri Ocean, Bombay, India. Tri Ocean he said was "business operated by a man in Karachi or Bombay". The cable read in part:

NY 105-34293

"Have negotiated immediate establishment, Pakistan Thompson Sub-Machine Gun Factory equipment available here. See letter Battle hard. UN recommendation full Islam equality. All political determinations. Writing fully. Success. Ben Freedman".

The article continues that at another point, FREEDMAN testified that "I would not engage in any business having to do with killing people and he denied that the message to Bombay had anything to do with guns.

"Economic Council Letter"

The following information concerning MERWIN K. HART was obtained from a "clipping file" maintained by the "Utica (New York) Observer Dispatch":

HART was born on June 21, 1881; graduated from Harvard University in 1904, with an A.B. Degree. He was elected to the General Assembly of the State of New York for a two year term in 1906. He married CATHERINE MARGARET CROUSE of Utica, New York, in 1909; was admitted to the practice of law in 1911; served in the United States Army during World War I.

A review of the 1943 editions of the "New York State Economic Council", a pamphlet edited by MERWIN K. HART, reflects that the name of this publication has been changed to the "National Economic Council", with the address 350 Fifth Avenue, New York City (Empire State Building).

The October 1, 1957 issue of the "Economic Council Letter" contains a four page article entitled

"Federal Tyranny in Arkansas". This article is concerned with the federalization of the Arkansas National Guard in September of 1957.

The October 15, 1957 issue of the "Economic Council Letter" carries a four page article entitled "Confidential to the Praesidium". This article carries a heading, "The winds of chance have blown into our hands what purports to be a Communist leader's confidential report to the Kremlin masters. We do not in any way vouch for its authenticity; but the acuteness of the author's observations and the accuracy of his deductions should be considered by every American".

The March 15, 1958 issue (letter #427) of the "Economic Council Letter" carries an article entitled "The Jews In Our Midst". This article deals with the growth of the Jewish population in the United States in general. The following comment is noted in this article concerning the Middle East:

✓ "Of course the Zionist, most but not all of whom are Jews, were at the bottom of our involvement in the setting up of the purely synthetic State of Israel. If keen American minds had sought diligently to find an action which would work greater harm to America they could not have done a better job. And there's not an Arab in the Middle East or anywhere else for that matter who does not know that President Truman, under Zionist pressure, prevailed upon the United Nations in late November, 1947, to reverse itself and adopt the Partition Resolution. So all Arabs blame the United States. And the Zionists got us into it."

With reference to the article "The Jews In Our Midst", it is to be noted that the April 1, 1958 edition of "Common Sense" carried the same article with one exception:

The "Common Sense" article is carried on page one and is entitled "The Jews In Our Midst" by MERWIN K. HART, taken from Economic Council Letter Number 427. A comparison of these articles reflects that they are identical with the exception that in the "Common Sense" reprint, the first two sentences in paragraph six are omitted.

The omission is as follows:

"We repeat that many Jews are among our most useful citizens. They or their forebearers have brought to the United States great talents and abilities in many fields".

On March 5, 1959, [] made available volume four of the Hearings Before the House Select Committee on Lobbying Activities, House of Representatives, 81st Congress, Second Session, Created Pursuant of H. Res. 298, National Economic Council, Inc., June 6, 20, 21 and 28, 1950.

Of possible interest, there appears on page 239 a copy of a letter dated July 12, 1947, from MERWIN K. HART to the Honorable ED GOSSETT, House Office Building, Washington, D.C. In this letter, HART invites Congressman GOSSETT to a dinner HART was giving at the University Club, 1 West 54th Street, New York City, on July 17, 1947. HART indicates his guest of honor will be ASSAM PASHA, the Secretary-General of the Arab League. He continues that PASHA was in this country in an attempt to make American officials understand that the United States, by seeming to back the Zionists in their Palestine ambitions, was risking the loss of the good will of the whole Arab world, if not the Mohammedans. HART also stated that as a guest of honor, he would have BEN H. FREEDMAN, a "Jew who is

thoroughly alive to all the mischief and harm that is being stirred up by the professional Jews, especially with respect to the Palestine situation."

On page 531, there is a reprint of a letter dated December 31, 1949, from GERALD L. K. SMITH, in which Mr. SMITH congratulates HART on an article entitled "Is Christianity To Die?" Also on this page, is a reprint of a letter dated January 3, 1950, from HART to SMITH thanking the latter for his letter.

The "New York Daily News" of January 21, 1959, in the above referred to articles by DAVID BURK states in part:

"Merwin K. Hart, who hangs a shingle proclaiming 'The National Economic Council, Inc.,' outside his office in the Empire State Building, makes his pitch in the sober language of a university lecturer and blandly lists on the back of his Economic Council Letter the Arab periodicals which reprint his stuff."

GERALD L.K. SMITH
Christian Nationalist Crusade
"The Cross and The Flag"

b2
b7D

[] advised that the Christian Nationalist Crusade (CNC) was organized in St. Louis, Missouri, in 1947, and moved its headquarters to Glendale, California, in 1953, where it continues to be located; that from the parent CNC subsidiary organizations, including the Christian Nationalist Party (of America), have developed; that these organizations all reflect in their literature the imprint of their chief organizer and director, GERALD L.K. SMITH, whose basic argument has been that this nation, traditionally Christian and racially segregated, is threatened by anti-Christian and racially "mongrelizing" forces such as Communism and Internationalism all dominantly motivated by international Jewry which controls this country financially and politically; and that these organizations are not membership organizations but represent followers who contribute to them or subscribe to their literature.

Although GERALD L.K. SMITH and his close associates are not known to have appealed to illegal action, the tenor of their statements and program is intensively anti-Semitic as indirectly indicated by the slogan of the Christian Nationalist Party, announced in 1950 which was "One Faith - One Race - One Nation." No credence should be given to any allegations that SMITH's meetings are "secret". It is true that SMITH and his staff hold policy meetings and the like restricted to themselves but that statements of "secret" meetings regarding their appearance at the Embassy Auditorium in Los Angeles, California, are intended only to spur interest in attendance. It is possible that small groups of CNC followers may hold meetings of a sort but such meetings receive no organizational direction or control from CNC headquarters.

The July, 1956, volume 15, number 4 issue of "The Cross and The Flag" contains the following article on pages five and six of this edition.

"ANTI-SEMITIC JEWS

"When one Jew brands another as anti-Semitic, that is about as newsy as the headline "Man Bites Dog." This situation has grown out of the extreme attitudes of political Zionism. The Zionist organizations, which represent a high percentage of the Jewish

NY 105-34293

"community, have for some time been persuing a certain Jewish organization without mercy and without tolerance. The organization which they have been persecuting is the American Council of Judaism. This organization is made up of numerous prominent Jews who are opposed to Zionism. They believe political Zionism is dual citizenship. They do not believe that anyone can be a citizen of Palestine and a citizen of the United States at the same time; that one should be one or the other. They have carried on a vigorous campaign against political Zionism, its method of handling money, its mode of operation, its lobbying and its coercive techniques.

"Now comes an article in the leading Jewish journals reporting on a survey that has been made by the Jew Zionists of America. These Jew Zionists have identified the most successful and anti-Semitic organization in the world. No, it is not the Christian Nationalist Crusade. No, it is not the Common Sense publications. No, it is not the publishing organization which distributes the book by Colonel John Beatty entitled "The Iron Curtain Over America."

"Out of Evansville, Indiana, under the initials of the National Jewish Press Service comes a report from the Zionists saying that the most anti-Semitic organization in the world and the most successful anti-organization in the world is none other than the 'American Council for Judaism.' This American Council for Judaism is composed completely and altogether of Jews. When the Jew Zionists brand any Jew who is an anti-Zionist an anti-Semite, then one must admit there exists a type of intolerance and extremism and bigotry which can scarcely be exaggerated. These Zionists are going to fool around and make themselves so ridiculous that they will lose their coercive power, and the quicker they lose it the happier the writer will be."

NY 105-34293

The May, 1957, volume 16, number 2, issue of "The Cross and The Flag" carries an article entitled "The Middle East Crisis" on pages 16 through pages 21 of this edition. This article is the text of a speech delivered by MUHAMMAD H. EL FARRA before the conference on the Middle East sponsored by Iowa State Teachers College, Cedar Falls, Iowa.

EL FARRA is currently employed at the Arab States Delegation, 120 East 56th Street, New York City. The following is a quotation taken from this speech entitled "Conclusion":

"Conclusion

"This, ladies and gentlemen, is our problem. I have put it before you, to look at, to ponder it, and as students of political science, to decide for yourselves whether or not this is the right way to win the hearts and minds of the Arabs. It is for you to see whether, in the face of all the problems which you, the West, confront us with, it is still possible for us to continue to have faith in your principles and doctrines which you have on paper but which you do not practice in our lands. I ask you to look back at these questions and to think about them. By looking back, we obtain guidance for the future.

"I hope you will excuse my frankness when I tell you that the previous Administration in the United States has made serious mistakes in the Middle East, the basic one being the creation of a foreign state in our lands against the will of the majority of the Arab people of Palestine, and in utter disregard of the right of self-determination. But this mistake can still be rectified and only by its rectification can you, future soldiers of America, be sure that you won't be fighting another Zionist war.

Volume 16, number 4, the July, 1957 edition of "The Cross and The Flag" contains an article on pages 3 and 25 of this edition. This article is entitled, "The Story of a Palestine Arab Refugee". The article is written by SAMI HADAWI, who is currently the Assistant Director of the Palestine Arab Refugee Office, 801 Second Avenue, New York 17, New York. The article is preceded by the following editor's note:

"It was the pleasure of the editors of The Cross and the Flag to visit personally with Mr. Hadawi whose story we reproduce herewith. It is one of the most appealing, dramatic and factual statements to come to our attention.

"We present Mr. Hadawi's statement in two sections. The first section is a general statement. The second section is Mr. Hadawi's testimony concerning the broken hearted experience of being driven out of his homeland. Mr. Hadawi is a devout Christian Arab."

The story deals with the period just after November 29, 1947, when, according to Hadawi, the Zionists started sporadic attacks against Arab areas in Palestine.

Volume 16, number 10 issue of January, 1958 edition of "The Cross and The Flag" carries a story on pages 5 and 6 entitled, "A Guest From Egypt". This article is as follows:

NY 105-34293

"A Guest From Egypt

"When I was in Washington, D.C., recently I was called on by a brilliant young man, 33 years of age, who is a citizen of Egypt. He is a journalist and a radio commentator. His name is Ibrahim Baghdady. Mr. Baghdady insists that Egypt is not only not Communist, but Egypt is anti-Communist. He told me that the very day they were called on by a representative of the Russian Government agreeing to furnish wheat and other materials to Egypt, the Government of Nasser sentenced numerous high officials in the Communist Party to long prison terms. Mr. Baghdady insists that the Arab world is afraid of one monster; namely, Jewish aggression, Israeli invasion, Jewish imperial control. They are conscious of the hazards of Communism and they hope and pray that the United States will give Egypt the kind of cooperation and support which will prevent her from being pushed into the arms of Soviet Russia. Mr. Baghdady says, however, that if the United States continues to tie up Egyptian money and continues to refuse to deliver wheat and foodstuffs to Egypt and continues to arm and furnish money to Israel, which will be used eventually to invade Egypt, Egypt then will be forced to turn wherever she can turn and regardless of the risk involved for allies necessary to fight off the threatened invader.

"My heart goes out to these people - the Arabs - who were trained through the centuries to believe in the integrity and gentleness and the free spirit of the Americans. The most awful thing that was ever allowed to happen to the United States was for us to permit the

NY 105-34293

"Zionist Jew propagandists to promote us into cooperation with a savage program of invasion designed to alienate the confidence and the goodwill of the great Arab population.

"I was convinced of Mr. Baghdady's sincerity and his desire to get truth to his people concerning the goodwill of the rank and file of Americans. Naturally, we Americans do not want to do anything that would create even the mildest impression that we have any tolerance whatsoever for the savages of Moscow, but on the other hand we must insist that our State Department and others who act for us officially shall not do that which will force other peoples into the arms of the Moscow leaders."

"WILLIAMS INTELLIGENCE SUMMARY"
"KNOW YOUR ENEMY"

[redacted] a copy of "Williams Intelligence Summary" dated January, 1951. This summary was indicated as having been edited by ROBERT H. WILLIAMS, news analyst, lecturer and former counter-intelligence officer. Post Office Box 868, Santa Ana, California. [redacted] also made available a pamphlet entitled, "Know Your Enemy," by ROBERT H. WILLIAMS. The pamphlet, "Know Your Enemy," contained the following statement:

b6
b7C
b7D

"We must understand that the internal enemy is not confined to the Communist Party as such. We must understand that the aggregate of Zionist organizations which promotes a world revolution paralleling Communism or complementing it as an ally and protector is far more powerful than the Communist Party, having the confidence of many of our highest officials by holding a terrorist weapon over them."

This pamphlet also includes the following:

"Why are so many Jews Communists in tolerant America?"
"Why are all the Communist spy rings and the important Communist leaders and their attorneys Jewish?"

The May 4, 1955, edition of the "New York World Telegram and Sun," on page 1, carried an article entitled, "New Bigots Spread Same Old Poison." This article is by-lined by JACK STEELE, a Scripps-Howard staff writer. STEELE lists the following individuals as writers of this material:

- (1) CONDE MC GINLEY
- (2) ROBERT H. WILLIAMS
- (3) FRANK L. BRITTON

NY 105-34293

(4) ~~JOHN O. BRADY~~
(5) ~~JACK B. TENNEY~~
(6) ~~EUSTACE MULLINS~~

Regarding ROBERT H. WILLIAMS, STEELE comments, "This California pamphleteer and hate-sheet editor parades his bigotry under the guise of intelligence. He advertises that his former service as an Air Force counter-intelligence officer makes his publication vital for governors, mayors, police and citizens interested in preventing sabotage and revolution.

✓ "But the Un-American Activities Committee reported that his intelligence duty consisted of less than a year as administrative officer for a bomber wing - a post where it is said he could have received no information about 'the Communist conspiracy.'

"The Air Force cancelled his reserve status commission in 1950 for the 'best interests' of the service.' His Williams Intelligence Summary is openly anti-Semitic. It is billed as 'a monthly report on political and military developments, especially revealing the Jewish influence in these developments.'

"His pamphlet 'Know Your Enemy' opens with the declaration: 'This publication attacks no man because of his race, but it spares no subverter because of his race.'

✓ "In it Williams suggests that all Jews should be interned in New York and strategic areas. Then he argues these areas would not be bombed by the Soviets.

✓ "Some of his fantasies are even more outrageous. He has charged that 'Jewish General' Curtis Le May arranged to drop the first two atomic bombs on the only two sizeable Christian centers in Japan.

"Williams reported in a recent fund-begging letter that he was running in the red and might have to quit.

NY 105-34293

"Have I failed in giving you the earthshaking truth?,
he asked."

"I can't believe it for I find not a line in recent newspapers and magazines about the greatest news story of all time: the swift destruction of the Anglo-Nordic West, the Christian civilization, through the trickery and financial power of a handful of Jewish manipulators who have all but made themselves masters of the world."

Regarding JOHN O. BEATY, STEELE stated that BEATY is a professor of English at Southern Methodist University at Dallas, Texas, and a wartime Colonel in the Army Intelligence who helped to prepare daily G-2 reports for the White House. STEELE stated that BEATY wrote "The Iron Curtain Over America." According to STEELE, Methodist Minister Reverend RALPH L. ROY described this book as "the most extensive piece of anti-Semitic literature in the history of America's racist movement." "GERALD L. K. SMITH called it 'the most sensational book of this generation,' and paid BEATY and his publishers \$3,767.00 in 1952 for copies SMITH presumably resold. BEATY denies that he is anti-Semitic. BEATY continues that in 'Iron Curtain' he explains why its theme is that most European and American Jews are not Jews but 'Khazars.' His theory - endorsed by some other haters - is that these Jews are descended from a Mongol tribe known as 'Khazars' who adopted Judaism. BEATY blames the 'Khazars' for the New Deal, World War II, and Communist subversion. In the footnotes of this book he quotes such authorities as MC GINLEY's 'Common Sense.' He states the charges that he is anti-Semitic are absurd and maintains that the 'Khazar Jew' is himself not a Semite. BEATY's attacks on Jews, whether 'Khazars' or Semites, are not confined to this book. Hate sheets carried letters from him last fall declaring that Christmas had become 'a buying orgy in which money passes from Christian into non-Christian hands.'"

Concerning JACK B. TENNEY, STEELE states that "TENNEY is the former chairman of the California Committee on Un-American

NY 105-34293

"Activities and is a recent convert to the hate brigade. He lost his seat in the State Senate last year after a campaign in which he attacked Jews."

"TENNEY once called GERALD L. K. SMITH a 'racial agitator' but in 1952 was the Vice Presidential nominee of SMITH's Christian Nationalist Party. SMITH contributed to his campaign and TENNEY now works for SMITH's 'The Cross and the Flag.' TENNEY also denies that he is anti-Semitic but has written three pamphlets attacking Jews: 'Zion's Fifth Column,' 'Zionist Network,' and 'Zion's Trojan Horse.'"

"In a 1952 pamphlet defending the work of his committee, he gave these views on anti-Semitism: 'There is anti-Semitism and it is un-American, but it is not a badge of disloyalty to the US. It is unreasonable and irrational and it is un-Christian and amoral but it isn't a crime. It is as much a part of American freedom as is 'anti-Gentilism' or a dislike of spinach.'"

Regarding EUSTACE MULLINS, STEELE stated that "he is a free lancer of hate, a Virginian in his early thirties, and his bigoted articles have appeared since 1951 in 'Common Sense' and other hate sheets."

"In 1952, an article entitled, 'Adolf Hitler; An Appreciation,' appeared under his by-line in the bulletin of the National Renaissance Party, since branded by the Un-American Activities Committee as neo-Fascist."

"He was active in the Aryan League of America and is credited with the authorship of the 'Rabbi Rabinovich canard' - a modern version of the forged anti-Semitic 'Protocols of the Learned Elders of Zion.' MULLINS worked briefly for the Library of Congress as a photographic assistant. He was let out in 1952 after Library officials learned of his bias."

The "Williams Intelligence Summary" of November, 1950, reflects the following information:

NY 105-34293

"Statement of Policy (page 4): 'This publication attacks no man because of his race but it spares no subverter because of his race.' The publisher believes that those basic carriers of Communism and political Zionism who attempt to hide behind the Jewish religion must be mercilessly exposed, both to discourage them and to make the American citizen understand the nature of the subversive attack on this nation, its institutions and its people. The publisher urges the Jews of America to repudiate their vicious leaders and embrace Americanism, thereby preventing the tragic race conflict fomented by the revolutionists."

CONDE MC GINLEY
CHRISTIAN EDUCATIONAL ASSOCIATION .
"COMMON SENSE"

The July 15, 1958, issue of "Common Sense," on the last page states that "Common Sense" is published by the Christian Educational Association, Union, New Jersey. This same issue, on the same page, reflects that CONDE MC GINLEY is the editor of "Common Sense," which is published twice monthly at 530 Chestnut Street, Union, New Jersey.

Concerning CONDE MC GINLEY, [] on January 30, 1959, stated from his own knowledge he could not furnish any specific instance which would prove that CONDE MC GINLEY or his associates advocate, condone or incite violence for the purpose of denying others their constitutional rights. He stated, however, he believes MC GINLEY is a dedicated fanatic, and although he will not openly write advocating violence, that such can be inferred from various writings in his newspaper, "Common Sense" and from his cooperation in the past with various anti-Semitic and anti-integration groups. He stated that in his opinion, it could be concluded from MC GINLEY's writings and actions that he desires elimination of all minority groups and probably feels that this must be accomplished by violence.

b2
b7D

This source was unable to furnish any specific facts to substantiate his opinion that MC GINLEY would advocate violence, and based his opinion mainly on various articles which have appeared throughout the years in MC GINLEY's literature.

The publication, "Common Sense," was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives, as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee." According to the report, "Common Sense," depicts Communism as "Judaism" and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities in our Nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

NY 105-34293

The January 15, 1959 edition of the newspaper "Common Sense" carries an article "Ye Shall Know The Truth And The Truth Shall Make You Free". This article is critical of the Israelis and the Zionists and is concerned almost exclusively with financial help extended to the Israeli Government. This article was signed by SAMIR HADAWI, Assistant Director, Palestine Refugee Office, 801 2nd Avenue, New York 17, New York.

The February 1, 1959, edition of the newspaper "Common Sense" carries the following article on pages three and four:

"COMMON SENSE ANSWERS SMEARS

"The New York Daily News, regarded as the most pro-American paper in New York City, allowed David Burk to run five articles smearing pro-Americans. Among those American patriots the article attempted to smear was Benjamin H. Freedman. These articles misquoted Mr. Freedman in such a way that Mr. Freedman has sued the Daily News for \$200,000. Several years ago the Jews picketed the News for several months and withdrew most of their advertising. Now the Jewish advertising varies from ten pages on week days to 70 on Sunday.

"The following letter was mailed to the New York News in reply to the smear against Common Sense.

"February 25, 1959

"Mr. F. M. Flynn, Editor
New York Daily News

"Quite a number of your readers have expressed amazement at the appearance of such smear articles in the New York Daily News. They, like ourselves, felt that such a tirade is far below the standard of your paper. There are many false statements in this series that it would be no surprise to find such in the New York Post or other blatant publications. Apparently there has been some unusual pressure brought on some department of your worthy paper. In fact, upon investigation, we learned that the man who wrote the series, David Burk (or Burkowitz) cooperated with the Anti-Defamation League in preparing this material. You no doubt know the A.D.L.'s pro-Marxist, anti-Christian record.

"We are primarily interested in gross misstatements as to Common Sense in the Jan. 24th article, which states the Un-American Activities Committee report that 'Conde McGinley of Union, New Jersey, was making at least \$30,000 a year out of Common Sense.'

"We enclose photo copy of short article which appeared in the New York Telegram and Sun, Wednesday, December 15, 1954, which states:

"Washington. Dec. 15. -- A procedural battle broke out in the House Un-American Activities Committee today over a proposed report recommending that the Justice Department prosecute alleged "neo-Fascist" groups under the Smith Act. Copies of the proposed report were leaked to reporters yesterday.

"Rep. Francis E. Walters (D., Pa.) who will take over the committee chairmanship next month, denounced the whole procedure today. He charged that the committee had held no hearings relating to the report and had not discussed the subject in executive hearings. He said he had not seen the report. Mr. Walters noted that committee rules bar the release or disclosure of any report until after its approval by a majority of the members. "This kind of thing is going to stop next year." he

declared. "This committee is going to stop operating under rugs and carpets."

"We also enclose our Issue No. 221 headed 'Right Wing Answer to Left Wing Report', in which we show this fake report, which was prepared in the office of the American Jewish Committee in New York, was leaked to the press by R. L. Kunzig, a Zionist who was employed by the committee and discharged immediately after this report was leaked to the press.

"To show you how ridiculous this statement is, Common Sense is published by Christian Educational Assn. and I, as Editor, have given thousands of dollars (all I had) and devoted full time for thirteen years without any salary whatever, and for years I have made no income tax report.

"For your information we are Christians who are dedicated to exposing Marxists and those who cooperate with them regardless of how they protest. We challenge David Burk (or Burkwitz), the Anti-Defamation League, or any one else, to discredit any issue we have published. For years we have tried to persuade our opposition to meet us in debate.

"Very truly yours,
Conde McGinley."

The October 15, 1957, issue of the newspaper "Common Sense", on the lower left hand corner of page one, carries a photograph with the following caption:

" Sherman Adams and his good friend Max Rabb (Rabinowitz) in a friendly pose".

This caption also states: "It is whispered in Washington circles that Max Rabb had Sherman Adams pressure Eisenhower in ordering Federal troops into Little Rock, Arkansas".

This photograph of ADAMS and RABB is identical with the photograph of ADAMS and RABB appearing in the Arab language magazine entitled "AKHER SA'A", referred to elsewhere in this report.

It was also noted on page one of the October 15, 1957 issue of "Common Sense" that a photograph of SIDNEY WEINBERG appeared with the following caption:

"Weinberg top man in Goldman Sachs, Wall St. bankers, is believed to be succeeding Baruch as Jewish leader".

This photograph of WEINBERG also appears to be identical with the photograph of SIDNEY WEINBERG appearing on page two of the Arab language magazine "AKHER SA'A", mentioned elsewhere in this report.

ARAB LANGUAGE MAGAZINE "AKHER SA'A"

On March 5, 1959, [] made available a Photostat of an Arab language magazine undated and entitled "Akher Sa'a", which was published in Cairo, Egypt. This magazine carries a four page article written by MOHAMED WAGDI KANDIL. (The identity of this individual is not known.) This magazine also contains several photographs with Arabic comments.

On the first page of this pamphlet is a photograph of BERNARD BARUCH. The second page contains a photograph of NAHUM GOLDMAN, declaring in one of the latest Zionist conferences the direction of the conspiracy, saying "It is necessary to sacrifice a number of Jews if need be to execute a definite campaign to gain our objectives."

A photograph of SIDNEY WEINBERG, "who directs leadership of the secret Government in America".

A photograph of JOHN GATES, "Press, Radio and TV Propaganda Director". (This photograph of GATES is identical with JOHN GATES, the former editor of the now defunct "Daily Worker").

The "Daily Worker" was an East Coast Communist newspaper which suspended publication on January 13, 1958.

A photograph of MURRAY SNYDER, "Television and Public Relations Supervisor."

NY 105-34293

On page 3 is a group photograph of "Thousands of Jews in New York assembled at the conference hastily organized by the Zionist Organization of America to support a campaign in the press, radio and television on a fancied conspiracy against Israel".

On page 3 is a photograph of "another conference held simultaneously in Tel Aviv, Israel, to collect 20 million Israeli pounds to aid the migration of 100,000 Jews from Eastern Europe to Israel."

In the upper left hand corner of page 4 is a reproduction of the top of the front page of the June 15, 1958 issue of the magazine "Common Sense", which carries the following caption:

"Common Sense is one of the newspapers published by one of the anti-Zionist campaign groups which is one of the religious groups in the United States. This magazine was exploited by the Israelis in its conspiracy against Arab Nationalism."

Also on page 4 is a photograph of SHERMAN ADAMS and MAX RABB with the following caption:

"Mr. SHERMAN ADAMS, was the official influence for Zionism in the White House until he was expelled four months ago on bribery charges. Left is one of his assistants, Mr. MAX RABB, Secretary to the Ministers Council and member of the Secret Zionist Government."

There follows an English translation of the Arab language magazine "Akher Sa'a".

NY 105-34293

"Secrets On The Zionist Octopus In America"

"Zionism in the United States of America is conducting a dangerous campaign against Arab nationalism. Zionism is trying to implement its plans by implicating the U.A.R. (United Arab Republic) with a fancied conspiracy; for Zionism faces a severe crisis threatening its organizational structure dominant in each of the forty eight states. Zionism is trying to escape this crisis at any cost now that finally all its plans and secret organizations have been unraveled.

"Mohamed Wagdi Kandil writes a completely investigated report on secrets of Zionist domination in the Pentagon, the Congress and the Atomic Energy Committee in the U.S.A.

"This special investigation was conducted with the utmost secrecy.

"Secrets of a new Israeli conspiracy against the U.A.R., a long range conspiracy planned and completed by 'The Secret Organization for Zionism in the U.S.A.'

"This dangerous conspiracy begins at a specific point, continues in a specific direction and ends at a specific goal. This goal is preventing any friendship - which is a possibility - to take place between the U.A.R. and the U.S.A.

"Zionism views with danger - extreme danger - the idea of the American people understanding the truth of Arab Nationalism's liberated policy. Zionism aims at perpetuating the veil of deceit and wrongful policy on the eyes of America's policy makers and acts to see it proceed in a course designed for it.

NY 105-34293

"Zionism is trying to misrepresent the forthright policy of President Gamal Abdel Nasser on the critical principles; for Zionism knows perfectly well that all destructive principles begin and end with it.

"This was the path of the conspiracy and its goal.

"Details of the dangerous undertaking began in a diversified campaign. A campaign waged by all Zionist dominated American newspapers and magazines talking voluminously of a fancied conspiracy. A campaign carried on radio and T. V. stations (numbering at least 600) programmed President Nasser, strong man of the Near East, carrying the Israeli battle from around the armistice lines to the heart of America itself.

"Zionist organizations campaigned across America warning of a fearful threat from Arab press officers, sent by President Nasser to destroy Zionism from its source.

"Secret Organizations:

"That's how it all began, and that was the strange course it followed. Conferences costing millions of dollars were held to find strong evidence for such propaganda and give a complete picture to the American public.

"They thought it necessary to find contrasts - even though far-fetched- to raise the black flag and light-up the red light on the extent of danger confronting Zionist Israel.

NY 105-34293

"Zionism searched the six arms of the Octopus at length, until it stumbled on what it considered evidence that could be taken as a contrast.

"The campaign committee came out declaring once again that 'secret organizations' working for Gamal Abdel Nasser, that consider him as its leader and source of inspiration, are active in the heart of America.

"Cause of action.

"The campaign did not cease at this but continued into extreme directions saying, 'Nasser started this plan four years ago, and planned it to infuriate American public opinion against the Jews; that the extent of his plan increases daily through the increased activity of these organizations'.

"The Zionist campaign continued by saying, 'For . . . who else is concerned in destroying Zionism and its progress in America? and who is the one concerned most with liquidating Israel in the Mid-East? and who is the greatest enemy to Arab Nationalism in the region? and who is the protector of Arab Nationalism from this enemy?' The name of Gamal Abdel Nasser recurring in all this fancied conspiracy against Zionism carried a specific meaning.

"Zionist propaganda associated 'Arab Nationalism' with fear, distress and warning to frighten the American people of this so called 'monster'. This was done to induce the simple of the public across America to answer the poisonous call for yearly contributions to Israel; and to accumulate dollars from American Jewry and put it in the 'secret organization's' safe to enable it to execute the conspiracy.

NY 105-34293

"100,000 Immigrants.

"Zionist conspirators want 50 million dollars contributions for the year 1959 from the U. S. public . . this against 20 million Israeli pounds from Israeli's public. Also special funds will be raised for transferring the 100,000 immigrants from Eastern Europe to new colonies ready for them in the Negev desert, and on the plains of Galilee.

"This is the color of the new conspiracy that beckoned clearly over the last few weeks. And this is the phony technique executed by 'the World Zionist forces' to confront the mounting force of Arab Nationalism.

"This, however, does not mean that conspiracies, lies and deceit are new to Zionism in America; the new thing actually is the strong opposing current which Zionism faces these days on the same battleground which it considered an open territory for itself and its intentions.

"A New Element.

"This opposing current to Zionism, emerges in the form of American Organizations fighting Zionism; they move to unravel Zionist methods aimed at dominating America's government structure, its economic and military organizations. These organizations proceed to give facts, names and figures to the American public; truths to the lies which the American public was surrounded with.

"The forces of Zionism thought at the beginning that this news current is nothing but a mere summer cloud which will quickly disappear, but the surprise was much more than they expected; for it was evident that this cloud was made out of thick layers that

NY 105-34293

"accumulated over the years and then thunder and lightning came and it rained flooding and carrying in its path all the fences erected by Zionism between the American people and truths. Thus the truth was unveiled and exposing the dangerous face of Zionism after it brazenly ruled.

"Behind The Campaign Which Accuses
Gamal Abdel Nasser Of Dynamiting Jewish
Temples.

"306 Zionist Organizations

"Over 306 Zionist organs working in America for Israel moved to crush the hand which caused the 'phony veil' to drop. The 'secret High Committee', representative body of all these organizations, met to discuss the subject and came out with the following result: that everything said by the organizations opposing Zionism were truths and facts.

"That all these organizations have their position of respect in the minds of the American people and are not to be maligned.

"That the purpose of these campaigns is awakening the public and responsible men in the White House to the seriousness of the situation and nothing more.

"Planned Impetus.

"In concluding it appeared to the Zionists that this impetus is purposeful, moved by a foreign hand, towards a specific purpose. Since these anti-Zionist organizations were anti-Communist they had to affiliate this hand with a non-Communist element; for Zionism believed these organizations were trying to fight their destructive activity and change America's policy.

NY 105-34293

"An idea for a new conspiracy against the U.A.R. loomed in an inquisitive manner: 'why can't we say that Nasser is director of this campaign against Zionism? and why can't we say that he is in contact with all these organizations attacking Israel?'

"The lines of the campaign were drawn and completed in this fashion. The forces of Zionism proceeded to action; its action was channeled towards two goals:

"1. Campaigning for a huge budget to be obtained through contributions, especially now that strong opposition became apparent inside the Zionist groups for the levied taxes collected yearly for Israel.

"2. Meeting the disturbance created for Zionism in America among itself over the last two years; and giving all Zionists a picture endangering the very existence of the organization.

"Disagreements:

"Zionism suffered divergent opinions soon after the creation of Israel; particularly on such important problems, as the position of Jews in the various countries towards the Zionist movement. Should Zionism be the primary or only representative body for one Israeli State; should it be the only agent for Israel overseas; should it campaign to spread Zionist doctrines; is a Zionist's ultimate goal migrating to Israel; and what position should be taken towards all other Zionist organizations outside Israel?

NY 105-34293

"Israel views the Jews of the world completely different than the Jews of the world view Israel. Israel considers world Jewry responsible for financing it and aiding it in international relations. Israel considers the World Zionist Organization has completed its primary task by the establishment of the Israeli State; and that it is Israel's responsibility alone, to direct Jews all over the world; for Israel considers herself the official representative of all Jews.

"Ben-Gurion's Plans.

"This matter of representation raised a serious disagreement between the rulers of Israel and the Zionist leaders.

"Mr. Ben Gurion found it necessary to have a strong Zionist movement in the U.S.A., but its strength should be confined to its own affairs, and not have special rights or privileges in the Israeli Government.

"Mr. Ben Gurion saw Zionism's primary duty as strengthening loyalty among all Jews towards Judaism; the spreading of the Hebrew Language amongst them, and the strengthening of their emotional ties with Israel. But as Jews living outside Israel they have nothing to say on matters undertaken by the Israeli Government.

"Development of Crisis.

"Zionist leaders in America headed by Nahum Goldman held completely different views; even though both agreed on the necessity of having a strong Zionist authority in America.

"Differences intensified in the years following 1950; and Jewish elements in the United States found it necessary to reconsider its position with regards to Israel. Some voices said, that Jews do not have any specific obligations towards the new state and therefore they are not required to contribute to it.

NY 105-34293

"This policy was warmly endorsed by most Jews in America, particularly capitalist investors pressured by Israel to invest in the Negev and Galilee districts.

"These differences crystalized during the last year, and became a huge problem threatening the internal structure of the Zionist organizations in America; thus necessitating quick action to face the problems, at any cost, before it explodes.

"Secret Of The Surprise.

"As a result of the campaign against its activity in the U.S.A., Zionism shivered, and relieved of duty its higher leadership led by Sherman Adams, Bernard Baruch, Sidney Weinberg, and Max Rabb. Zionism decided to destroy this campaign at any cost, and in any fashion so that its secrets will not be exposed to American public opinion.

"Detailed secrets revealing Zionist objectives and methods in America, even though remote from America's foreign policy, meant one serious thing and that is 'domination.'

"Zionist Influence.

"It was explained, without equivocation, that Zionism influences everything in America and directs it to suit its purposes.

"1. The White House is under its influence in an indirect way.

"2. The Central bank is under Zionists complete influence.

"3. The Press, radio and television are under its influence.

"4. Education, Health and Medicines are under its influence.

"5. The United Nations itself and its offices and actions in an indirect way are under its influence.

NY 105-34293

"Propaganda Method.

"Most serious of all is having the press subjected to Zionist influences. Zionists' activity in America is confined to utilizing the means of press and propaganda to the utmost advantage.

"The leadership of the secret Zionist organization saw the mind as the primary mover of any internal or foreign policy. Therefore it sought thought control to gain direction of action.

"The number of Zionist newspapers and magazines published in the U.S.A. is 213 and this number, naturally, does not include magazines issued quarterly, periodical propaganda publications and radio and T.V. speeches. Zionist activity is centered in New York, where 123 publications are published.

"These facts clarify the extent of the Zionists influence and its propaganda in the largest city in America. They reveal the tremendous possibilities it controls in the field of world politics, and its ability to direct public opinion in the U.S.A.

"Heading the list of directing Zionist policy in America is Mr. John Gates who is the responsible official inside the Secret Zionist Organization in this regard (propaganda). Another is Mr. Murray Snyder who controls public relations channels in the American Government, which includes press, radio and television.

"America today has thirty million T.V. sets, all receiving programs coming to it from television stations controlled by wealthy Zionists in America.

"A point in particular is evident here when a national broadcasting station named 'Mottwall' (could be M.O.T.O.L) was refused a license by the Government because Mr. Murray Snyder realized that this station was not under the influence of Zionist

NY 105-34293

"bankers and therefore it would be an independent element in directing public opinion. Mr. Snyder acted, bribes were paid, obstacles were placed until the project was dropped.

"Policy Making Body

"This is one of a thousand incidents that happen daily, and this is one of a million incidents going on at the White House, the Pentagon, the Congress and all branches of the Government.

"Behind the scenes influencing public opinion through radio and television are:

- "1. David Sarnoff; Director of Zionist propaganda.
- "2. William Paley aided by Herbert Lehman and Jacob Schiff.
- "3. Kuhn Loeb, Bernard Baruch, Julius Stein and Louis Weizerman.

"Jewish newspapers in America are dominated by two authorities:

- "1. The Jewish movement.
- "2. The Orthodox Jews.

"Some newspapers represent all Zionist religious organizations; example is the 'American Zionist' newspaper which was called 'The New Palestine' and had its name changed after the creation of the State of Israel. The 'New Palestine' considers itself spokesman for the Z.O.A. (Zionist Organization of America).

"Another newspaper is 'Hadassah' which is associated with the Hadassah organization.

NY 105-34293

"Another is the newspaper 'Mizrahi' which is associated with the Mizrahi organization and is evangelistic.

"In addition to the above-mentioned papers are most of the major American newspapers controlled by Zionism through the bankers.

"Plans and Direction

"Zionist forces in the U.S.A. have 306 organizations with thousands of branches all over the country. Most of these organizations are in New York active in defense, political, social, educational, and religious affairs in conjunction with serving Israel and Zionist activity. All of the above-mentioned institutions are under their influence.

"Major Institutions.

"Heading the religious institutions is the Zionist Organization of America. Its organization undertakes the major tasks of the Zionist movement, political and social.

"The Z.O.A. adopted this name when it replaced the American Zionists Union in 1917 and extended its membership to individuals rather than organizations.

"The mysterious policy of this organization is based on the principle of dividing the U.S.A. into regional sections, called districts, and into smaller branch units called headquarters. These in turn perform the requested action in all the large American cities.

"400,000 Members.

"The Z.O.A. has a pyramid-like structure, with headquarters in New York and branches out to the smallest unit. The organization's president serves a two year term for not more than two terms.

NY 105-34293

"The Zionist Organization's administrative structure is divided into two bodies:

"1. A National Administrative Council, authorized to act during conference periods.

"2. An executive committee to perform daily tasks and urgent undertakings. Specialized employees in both organs work under civil service.

"The Zionist Organization in America, is considered the largest organization, inside the World Zionist Organization, with 400,000 members.

"The Z.O.A. according to reports written on it proved to have strong influence in the Zionist movement and in its direction.

"Dangerous Course. .

"The Z.O.A. plans direction of thought across America. Its lecturers office prepares thousands of speakers yearly to give lectures inside and outside America. Conferences all over the world are held under its direction.

"Financial sources of the Zionist Organization of America, from membership alone, reach ten thousand dollars annually; also direct contributions are paid to the central body through the branch offices.

"The Woman's Role.

"The Hadassah Organ, is a Zionist women's group, aiming at domination of America's women.

"Hadassah began 46 years ago, under the leadership of Hezita Zold and twelve other Jewish women.

"Hadassah started out under the name of 'Daughters of Zion'. Its sphere of influence and responsibilities increased over the years, so that today it has 1200 groups spread all over the U.S.A., Alaska and Puerto Rico, with total membership of 300,000 women.

NY 105-34293

"Primary Task: Israel.

"Primary task of Hadassah is spreading propaganda in America on Israel, through social endeavors; and explaining through persuasion the meaning of Zionism to Jewish women.

"Hadassah's influence extends to Israel where it operates all general health programs and sheltering of European Jewish refugees.

"Hadassah is considered one of the largest sources of contribution. Both old and new Hadassah's contributions in one year totaled over 290 thousand dollars.

"It appears at first glance that these Organizations are controlled by Nahum Goldman, who is head of the Zionist Organization; the truth however is to the contrary.

"There is a very secret organ, known only to few people throughout the world, which leads, dominates and directs not only the Z.O.A. and not only the World Zionist Organizations but also rules the economics, the policies and thought throughout the world. This organ rules the major banks and world establishments and foreign ministries and the United Nations. It rules, directs, and scares. "

Peddling **HATE** In America: **EGYPT'S NASSER**

The Lunatic Fringe Hangs Ravings on the Cairo Line

By DAVID BURK

(First article of a series)

NEARLY 90 dynamite blasts have echoed around the country in the last two years, aimed mainly at Jews, Negroes and sincere Christian citizens who have publicly backed these groups. FBI and internal security agents had long been on the bombers' trail, but when a \$100,000 gash was torn in the Jewish Temple at Atlanta, Ga., last October, a grim and startling fact leaked out for the first time.

Practically every operation fitted into a national pattern which, authorities believe, was etched by a loose-linked network of American neo-fascist groups peppered around the country.

This hate corps, smashed in the 40s when it openly supported Hitler while other Americans fought him on the battlefields, today has emerged as a fifth column acting in behalf of President Gamal Abdel Nasser of the so-called United Arab Republic and his dreams of empire.

FASCISTS DEMAND AN AMERICAN HITLER

Since mid-October, in New York and other states, I have been seeking out the men and the groups tailored into the network of hate and violence, listening to their boasts and threats and admissions, reading their printed ravings, checking on their connections. I have compared my findings with the officials whose job it is to fit the confused jigsaw puzzle together.

In the process, aspects of this conspiracy that at first seemed wildly inconsistent or bordering

DAILY NEWS SPECIAL FEATURE

on fantasy gradually fell into line and made sense.

The fascists, many of whom still strut at closed gatherings in facsimiles of the Nazi Brown-shirt uniform, spew out hysterical propaganda against America's government and institutions and openly urge their replacement with a Hitler (or Khrushchev) style corporate state.

What at first appears to be only misplaced or demented idealism turns out on closer examination to be surreptitious big business. In some cases, the annual turnover runs well into six figures.

The men behind this hate racket revere Adolf Hitler. One of them, a ruggedly handsome, fuhrer-minded Virginian named George Lincoln Rockwell, whose name has been linked with the men on trial for the Atlanta bombing, expressed the general idea for all his fellows when he told me:

"Adolf Hitler was a gift from an inscrutable Providence. He was a world savior in his time."

But the worship of dead and

departed heroes is of dwindling popular appeal. So, while not toppling the late, over-ambitious house painter from his pedestal, the racists cast around for a new and living counterpart.

The man they chose, ironically enough, was Nasser—and business has been brisk ever since. Cairo, since Nasser's hop, skip and jump into power in 1952, has been a trail blazer in the sphere of inflammatory propaganda, as the heads of other Arab states repeatedly complain.

The constant exchange of gimmicks, vituperation and Moscow-style distortions—as well, it is believed, as sackfuls of shekels—suggests that both Cairo and America's lunatic fringe welcome an occasional shot in the arm.

The race groups here, coordinated rather than organized and with a total following throughout the country that officials estimate at not more than a few thousand, are zealously following Nasser's line.

But what, you may ask, could Nasser possibly want with a fifth column in the United States? The answer, as officials at the Department of Justice explained it to me, is transparently simple.

ARABS REGARD U. S. AS 'SECOND FRONT'

The Nasser-dominated segment of the Arab world, fed on an information diet prescribed by our native racists, frankly regards not only American Jewry but the U. S. Administration, too, as the fountainhead of Israel's moral and financial help. Looked at in this light, Nasser must knock out Israel's backers in the U. S. before he can keep his pledge to his followers to knock out Israel itself. The U. S. thus becomes a legitimate "second front."

Nasser himself, back in the early 50s when he still was the unassuming Col. Nasser, Egyptian prime minister under fatherly Gen. Mohammed Naguib, whom he later liquidated as subtly as any trained Kremlinite, once told me bitterly in Cairo.

"America is in the hands of the Zionists. The Jews control the press and government. The Arab voice is never heard. How can we fight back?"

For at least four years now he has been fighting back, using Egyptian military intelligence officers and men who can hide behind diplomatic immunity as the contact men, and a group of individuals and periodicals as his mouthpieces. The periodicals, all neatly arranged in alphabetical order on the Attorney General's List of Subversive Publications, rarely go to press without some item of Nasser's propaganda, and their own outpourings turn up in Arab press and broadcasts.

HOPE TO BREED HATRED AT JEWS

The basic hope is that, by breeding hatred and suspicion of the Jews, outraged public opinion might force Congress to stop official support for Israel. With a little additional shove, Congress might even be persuaded to legislate against support for Israel from Jewish organizations.

Since Nasser has such ranking experts on his staff as Kurt von Reinier, who learned his racism under the able Dr. Goebbels, the American pure-blood operators have had little difficulty in surmounting the paradox that Egypt is an African country whose people have combined Negro and Semitic blood.

The master-race philosophy, in its amended form, has dropped

the label "anti-Semite" like a hot coal so that, as one of the American fuhrers put it, "common ground and common cause" with the Arabs could be found. In its place was installed the blunter "anti-Jew."

The anti-Negro gambit, however, had to stay because the racists, though mainly headquartered north of the Mason-Dixon line, make considerable capital by operating a king-size bandwagon for Southern hot-heads.

Nasser's boys, moreover, do not regard their American allies as odd bedfellows. Totalitarianism is a process that traditionally creates unlikely relationships and Nasser's far-flung activities—zig-zagging between Communist Russia and the West—indicate that he never has much minded with whom he jumped into bed.

In a blustery campaign which currently is losing some of its original impetus, Nasser has been blasting the native "Communists" of Egypt and his northern province of Syria, as well as those of Iraq. The word Communists has

to go between quotation marks because the definition, so far, is a Nasser exclusive. There is no guarantee but Nasser's own that the "hundreds" of persons he has had thrown into clink are the Communists in fact—and the record offers no evidence that Nasser's guarantees are of any value.

Deceit and the false-front are gimmicks as popular in Cairo as they are in Moscow. The Egyptian dictator's real problem is the renewed rivalry from his opposite number in Iraq, Gen. Abdul Karim el-Kassem. Iraqi rivalry has worried Nasser before. Every time he feels he is making headway with his plan to create an Arab empire, Iraq gets in the way. Last time, the competitor was pro-Western Premier Nuri Said, the only statesman worthy of the title in the Mideast. Sparked by Nasser's agents, el-Kassem and some army cohorts bumped off Said and his friends last July in a bloody uprising.

ATLANTA BOMBING SPOTLIGHTED PLOT

But Moscow was backing both Nasser and el-Kassem, and still is. And it evidently suits Khrushchev to use the Iraqi in an effort to reduce the swelling of the Egyptian's head. So the real issue today is not one of Nasser vs. the Reds (latest reports from Iraq say Kassem also is swinging against the Communists) but of an internal Arab fight for power. Both sides feel that Western support, especially financial, might help. And what better way of suckering the West than to put on a great Red roundup rodeo, which also provides an opportunity of locking up anyone whose loyalty to the dictatorship is doubtful?

The Atlanta Temple bombing, however, triggered a series of shocks. First, it was thoroughly condemned by every respectable and responsible citizen, from President Eisenhower on down. Second, thanks to a story carried exclusively in THE NEWS, the link between the Arabs and the hate-mongers held responsible for the

blast suddenly emerged. Third, it was revealed that the FBI, the nation's top counter-espionage outfit, had been ordered into action instead, as in previous bombings, of investigations being left to the city or state police.

For various reasons, some obvious, Cairo cannot afford to be caught out. The State Department would be pretty mad, of course, but it would be much worse if word leaked out in Egypt that Nasser's agents were playing footsie with setups that are not merely anti-Jewish but also anti-Negro.

At the New York information office maintained by the Arab League, but largely dominated by Nasser, at the UAR delegation to the United Nations and at the UAR embassy in Washington, a firm front was maintained against "these undesirable ele-

ments." The order had gone out: "Deny, deny, deny."

The hatemongers I sought out have been less discreet. The connection with an established regime is too good for their egos to be hidden. Men like James H. Madole, the basilisk-eyed, stiff-jointed leader of Manhattan's National Renaissance Party, boasted of "meeting regularly with the Arabs."

Pudgy-faced mezzo-soprano Harold N. Arrowsmith, admitted "fat cat" (financier) of some of the activities of the Atlanta States Rights gang, five of whom are currently on trial for the bombing, assured me in Baltimore, Md., that his counsel is much in demand not only by the Arabs, but also by the FBI and the State Department.

BOASTED OF VISIT BY NASSER SPY

Arrowsmith protégé George Lincoln Rockwell, who masterminded States Rights Party demonstrations in Atlanta and Washington last July under his own banner, the National Committee to Free America from Jewish Domination, told me in Arlington, Va., that Arrowsmith had brought "the head of Nasser's secret service" to see him.

The Baltimore oracle later told me this was "a damned lie" and he is probably right. The chances of Arrowsmith dealing with anyone as exalted as Nasser's secret service boss seem pretty remote.

Even the Egyptians are apt to break down under stress. During a long talk one night in Washington with an official of the UAR embassy, I was repeatedly assured that not only would no one from his government have dealings with "these scum," they would kick them out bodily if they dared to cross the embassy threshold.

But finally he raised his hands shoulder high in extreme exasperation and snarled: "What can we do if these people want to help tell our story? Is that our fault?"

"You know as well as I do that the Jews control your so-called free press here. Only the Zionists' voices are heard."

He might have been quoting straight from an American hate sheet, or from Cairo Radio. They're pretty hard to tell apart.

Peddling HATE In America: EGYPT'S NASSER

Cairo Tie Is Seen To Temple Bomb

By DAVID BURK
(Second article of a series)

A few hours after the Atlanta, Ga., temple blast on last Oct. 12, Cairo Radio, which is under the personal supervision of United Arab Republic President Gamal Abdel Nasser, went on the air with an item titled: "Americans, Not Arabs, Bomb Synagogues."

There is a mass of evidence of direct liaison between agents of the UAR and leaders of the American race groups held responsible for the bombing by U. S. authorities. But five days were to elapse before this fact was revealed in an exclusive story in THE NEWS and it is uncertain whether the title on that broadcast item was self-conscious or not.

Cairo Radio added: "It is reported from the United States that unknown persons have destroyed a synagogue in the city of Atlanta."

"It is further reported that publications throughout the Southern states are carrying hostile articles against the Jewish community."

The radio did not explain where that second statement originated. The publications, however, could only have been those put out by America's neo-fascist groups whose activities identify them daily more closely as a Nasser fifth column in the U.S. Such hate sheets as Common

Developments in Cairo that mid-October day grew more and more interesting.

The radio newsreader had barely gone off the air after his piece on the Atlanta bombing when further reports crowded over the international news wires. They told of the angry official and public reaction that had reverberated across the U. S.

news that the FBI had been ordered to investigate.

Cairo Radio did not mention the dynamiting again. And an Egyptian editor acquaintance, here recently on a visit, told me that his and every other paper spiked the story of the bombing.

When THE NEWS ran its exclusive from Atlanta a few days later, asserting that the investigators' trail might lead from middle Georgia to the Middle East, a visible shudder went through Egyptian officials in the U. S., even though Cairo was not then named.

One member of Egypt's diplomatic service was overheard to remark, with a lamentable lack of diplomacy: "This is awful. Someone must have been very stupid."

Manhattan's James H. Madole, one of several petty fuhrers who strut around the U. S., produced an ingenious sidestep. At a meeting held in the Nola Studios above Steinway Hall, 113 W. 57th St., he charged (and repeated in a leaflet priced at a modest 25c a copy) that Atlanta's Jews had blown up their own synagogue.

CALLS REACTION ATTEMPT TO APPEASE JEWISH VOTE

Titled "The Untold Facts Behind the Synagogue Bombing," Madole said it "had set off a chain reaction from President Eisenhower . . . to five unemployed nationalists who are being legally crucified . . . to appease the Jewish vote. An unprecedented wave of publicity has swept the entire United States calling for the suppression of all 'hate literature.'"

By "hate literature," Madole explained, he means "any publication which has the temerity to criticize the un-American activities of the Jew and his multimillion-dollar propaganda agencies."

"Let us," Madole continued, "analyze the facts. Which group has gained more from the veritable epidemic of bombings and dynamitings culminating in the Atlanta explosion?"

The dynamitings in Clinton, Nashville, Jacksonville, Miami and other Southern cities, Madole said, have been used by the Jewish press "to rally Catholic and Protestant clergy behind the fundamentally Jewish-sponsored drive for complete racial integration."

SAYS BOMB THREATS AIDED B'NAI B'RITH

Moreover, he added, "reports of bomb threats and the wave of violence, bombings and 'hate literature' around the country brought pledges of increased contributions to support the American-Jewish Committee and the B'nai B'rith."

"Quite obviously," said Madole, who stares as he talks, with wide eyes that never flicker and seem to be focused on outer space, "the Jews were the only group to gain, both financially and economically, from the dynamitings. No sane American nationalist could expect anything but the intervention of federal authorities, a tidal wave of investigations, and unfavorable publicity in the national press."

However, laments the wild-eyed fuhrer, since Atlanta's Mayor William B. Hartsfield, Police Chief Herbert Jenkins and Prosecutor Paul Webb "are part of the Jewish fifth column in the Deep South . . . political traitors kept in power by the wealthy Jewish community . . . to open the door to racial integration," who can expect justice?

Another Madole leaflet lashes out at FBI chief J. Edgar

Hoover's book on Communism in the U. S., "Masters of Deceit." One of the top propaganda lines of the hate groups, alongside their plugging of the Nasser cause, is one developed by Goebbels in the 30s.

"Communism," goes the slogan, backed up by a grab bag of fractured history, sociology and other sciences, "is Jewish."

For defining this charge in his book as "one of the most malicious myths that has developed in the United States," Hoover is fingered by Madole as "America's foremost master of deceit" who must be "planning to retire soon and wants to assure either a good job in the business world or a nice fat ADL (Anti-Defamation League) check."

(For the record, rival fuhrer Lincoln Rockwell of Arlington, Va., on a separate occasion, singled Hoover out for praise for "exposing Harry Truman as a liar when Truman promoted Jew-

ish Communist spy Harry Dexter White in spite of a complete report from the FBI, then lied that the FBI had recommended the promotion.")

Madole, who periodically drops into burlesque-stage Jewish accents to wring a chuckle from his small audiences (of the 50 present Nov. 14, Madole claimed "many are Jews, secret agents and reporters,") then swung into his Arab routine.

"We must get together with the Arabs," he asserted. "We have a common cause. We are all anti-Jew. Nasser has sworn to get rid of all Egypt's Jews but his policy hasn't succeeded yet. There are still 25,000 of them there."

"But it's only a matter of time. I see some of these Arabs regularly and you can take that as a fact."

If anyone wanted fuller information on that subject, he said, there were some leaflets on the table at the back of the hall. There were indeed. Leaflets titled, "Murder, Rape and Devastation" (by Israel in Gaza), "The Story of Zionist Espionage in Egypt," "Gamal Abdul Nasser," "Gaza Under the Zionist Heel," and others.

EGYPTIAN DIPLOMATS EXPRESS 'SURPRISE'

They outnumbered the National Renaissance Party's own literature heavily. Each was rubber-stamped: "National Renaissance Party, 10 W. 90th St., New York, 24, N. Y." on one side and: "Egyptian State Information Dept., 22 Soliman Street, Cairo" on the other.

The Egyptian Embassy in Washington, and the Egyptian UN delegation headquarters and Arab Information Office in New York, all expressed surprise that their publications fall into such hands.

"Perhaps," suggested one helpful employee at the Arab Information Office, 120 E. 56th St.,

"they find one or two and then have them copied here."

The official, an Egyptian like all the top men in this office which purports to represent the nine-nation Arab League, thought the same answer might apply to Nasser boosts appearing in other racist publications around the country.

FAILS TO EXPLAIN EGYPTIAN REPRINTS

He could not explain, however, how articles published in American racist magazines and leaflets come to be reprinted in Nasser-controlled newspapers or quoted on Nasser's radio stations.

In their anxiety to be all-embracing, to reach the hearthstones of American families of different tastes and viewpoints, the raciest periodicals adopt a variety of fronts.

From California, Gerald L. K. Smith offers the Christian approach. From New Jersey, Conde McGinley tackles the Catholics.

Madole offers a combination that includes atheism and a party program that is "for a dictatorship in place of Jewish-controlled democracy," and will "solve all problems—social, economic, labor and juvenile delinquency." "Our slogan," he says, "is one nation, one race, one leader."

Charles Smith, under the auspices of whose New York Racist Forum Madole holds his indoor meetings, plies atheism, anti-Jew and anti-Negro theses, plus the offer of a "Free Book Catalogue" listing such titles as, "Symbols, Sex and the Stars," "An Open Letter to Jesus Christ," "Sex in Religion," "Short History of Sex Worship," and many others.

DON'T HATE NEGRO, JUST HIS 'BAD SEED'

Smith's monthly Truth Seeker, "Oldest Freethought Paper in the World—a Journal for Reasoners and Racists," splashes its pages with groups of items like this: "White racists do not hate the colored man. It is the bad seed within him which they desire to eliminate. The race leveler is the hate preacher."

Another of the breed, New York's Benjamin H. Freedman, who has been playing footsie with the Arabs since the mid-

40s, puts out a turgid broadsheet crammed with a mosaic of history, past and present. He is a renegade Jew.

Merwin K. Hart, who hangs a shingle proclaiming "The National Economic Council, Inc." outside his office in the Empire State Building, makes his pitch in the sober language of a university lecturer and blandly lists on the back of his Economic Council Letter the Arab periodicals which reprint his stuff.

Robert H. Williams, who calls himself "major" although the Army stripped him of the rank in 1950, pretended he was in U. S. intelligence during World War II for the benefit of those who like their hate diet served from the top-secret drawer.

HOUSE COMMITTEE CHARGED 'DECEPTION'

The House Committee on Un-American Activities, in a report on "Neo-Fascist and Hate Groups" in December, 1954, called the monthly Intelligence Summary Williams put out from Santa Ana, Calif., "a deception." (Williams recently went out of the publishing business, probably temporary.)

Far from being a high-powered innercircle man, the committee said, "Williams' intelligence duty comprised less than a year as an administrative officer for the intelligence section of a bomber wing." Thus, adds the report, "he would have received no intelligence information dealing with the Communist conspiracy."

Frank L. Britton, a disciple of Gerald L. K. Smith, thumps the ultra-nationalist, defend-America tub from California. Petulant historian Harold N. Arrowsmith of Baltimore, Md., who describes himself as a financially self-sufficient researcher with a string of university degrees, burrows in history for political worms and comes up with various documents handy for quoting out of context.

There is even, lest a stone be left unturned, something for the man who wants to be anti-Jew, anti-Negro and tolerant—all at once, a unique service provided by Lincoln Rockwell.

(Tomorrow: Egyptian officials find an identity of viewpoint with U.S. racists.)

Such U. S. Hate sheets as Common Sense and The Cross and the Flag (above) print combinations of pro-Nasser and anti-Jewish propaganda and always flood into areas afflicted by racial incidents and violence. Ideas of Cairo Aids, Our Racists Fit Like a Dagger and a Sheath

By **DAVID BURK**
(Third of five articles)

SOON after the Atlanta Temple bombing, Ambassador Kamil Abdel Rahim, suave, ambitious head of the Arab Information Office, was recalled to Cairo "for consultations." Reliable reports say Rahim, who inspired and founded Arab Information Office in early 1955, has been sacked.

The reports add that his job will probably be taken by a high-ranking officer of Nasser's army. Like the other Egyptian army officers attached to Nasser's United Nations delegation and embassy, the new man will wear civilian clothes and will be addressed as plain "Mr."

Rahim's recall at this time has sparked rumors that he is in hot water because the link between Cairo and America's anti-Negro, anti-Jew hate front had leaked out and come under active investigation by the FBI and the Internal Security division of the Department of Justice.

These rumors may or may not be true. But this much is known:

Back in the early '50's, when Rahim was posted to Washington as Egyptian ambassador, he and his senior aids were flattered by the attentions they received from some of the racist fanatics. An identity of viewpoint was found on several issues, especially regarding the creation of the State of Israel and its support by Jews in the U. S.

RACIST EDITOR AT EMBASSY LUNCHEON

Gerald Winrod, who then edited a racist magazine called *Defender*, lunched with Rahim at the embassy. Robert Williams, who pretends to readers of his *Intelligence Summary* that he got the whole inside dope on the Communist conspiracy as an intelligence officer in World War II, was in touch with Omar Haliq of the Saudi UN delegation, offering pamphlets and mailing lists.

Subscriptions were taken to such hate sheets as Gerald L. K. Smith's *The Cross and the Flag*, Jewish renegade Benjamin H. Freedman, who backs Conde McGinley's subversive *Common Sense* and plugged Haj Amin el-Husseini, former Mufti of Jerusalem and Hitler's wartime "Arab Voice," paid frequent court and still does.

Rahim saw the potential in all these individuals and their outlets. Then, when he learned that the Arab Information Office officially sponsored by all the Arab League states, would have to register with the Justice Department as the agent of a foreign power, Rahim quickly had himself transferred to the Yemen delegation to the UN to preserve his diplomatic immunity.

The Foreign Agents Registration Act, 1938, As Amended, is specific. Any person or organization engaging in propaganda in behalf of a foreign power must send the Justice Department a half-yearly report listing its staff, activities, income and expenses.

The Arab Information Office, which now has branches in Washington, Chicago, San Francisco and Ottawa, opened its New York headquarters in March, 1955.

BELIEVED TO HAVE \$1 MILLION BUDGET

Conflicting statements by persons connected with the AIO and the various Arab states delegations to the UN has created some confusion over the size of the AIO budget. Rahim reportedly told diplomats when the office first opened, that he had received an initial \$400,000 and a further \$300,000 later in the year.

The general impression in diplomatic circles is that the AIO annual budget hovers somewhere

around \$1 million. A conference of the Arab League, executive early in 1958 was reported to have considered an appropriation of \$1 million a year but there is no record that it was voted through.

In any case, the AIO return to the Foreign Agents' Registry at the Justice Department in Washington reports that it received \$2,500 in December, 1954, to set up its New York office. Receipts for its first year totaled \$130,000 and expenses were about the same.

Today, with a much larger staff and five offices instead of one, income and expenditures are no higher.

There seems also to be conflicting estimates on the size of the AIO staff. Its latest return to Washington, dated Sept. 3 last, lists 15 staff members, three of

Richard M. Nixon John Foster Dulles
Choice words for Gerald

whom were stated to have resigned during the previous six-month period.

Any exact tally is complicated by the fact that each half-yearly report lists some new staff members and shows several others as having quit.

When I asked acting AIO chief, Prof. Hussein Kamel Selim, in New York, how many persons he had on his staff he said: "About 27." He added that the operation was running on a shoestring budget and they had just been forced to close the TV-radio section for lack of funds.

SMALL BUDGET, RAISED EYEBROWS

Selim normally heads the Washington branch of the AIO and draws an annual salary of \$14,400 from the local office appropriation of \$25,000. Rahim is paid by Egypt through the Yemeni government and neither his salary nor his allowances need be reported.

The smallness of the AIO budget caused the eyebrows of several Washington officials to rise when it was brought to their notice.

A senior accountant of the Internal Revenue Service, a man of long experience with corporation accounts, told me: "That's as small a shoestring as I've seen. Even with the total staff of 16 reported I fail to see how an organization with five branches can function on \$130,000 a year."

As a comparison, the Justice

Department offered the expenditures reported by other foreign agents. The South African Tourist Corporation with a staff of only two and one office, spends \$131,000. The Swiss National Tourist Office, in its New York branch alone spends \$266,000 and has a staff of 26. The Indian Information Office spends \$191,500 and tiny Portugal reported \$140,000 spent in New York with a staff of 17.

A major power like Britain, on the other hand, with offices in several cities, spends more than \$1 million on information, \$270,000 through the British Broadcasting Corp., and another \$801,000 on its tourist bureaus.

But the propaganda field is one in which money moves in mysterious ways. It is not even probable that the Arab Information Office is cooking its books. The penalties for any breach of the law are severe.

DIPLOMATIC IMMUNITY COVERS THE CASH

But there is nothing to prevent the Egyptian embassy or UN delegation, or those of the other Arab states involved, from footing bills in behalf of the AIO. Moving behind their shield of diplomatic immunity their finances are not controlled in any way by the U. S. authorities.

Whatever monies pass to the American racist groups would certainly be handed over in cash. Even here there is no difficulty in avoiding official scrutiny. In any free money market, like Lebanon or Switzerland, both handily on the route from Cairo to New York, dollars can be bought in any quantity without the transaction being recorded.

Since diplomatic bags are sacrosanct, there is no way of telling how much cash, if any, is brought here in this way.

Except for Gerald L. K. Smith, none of the race groups has any special obligation under law to report either the amount of its income or its source. Smith is in a separate category because his Christian National Crusade takes an active, if never welcome, part in political campaigns and elections. This obliges him to report his expenses and income to the Clerk of the House of Representatives under the Corrupt Practices Act.

Smith, whose Cross and the Flag carries even more than the usual quota of Arab propaganda, picks his favorite candidates in every Congressional and Presidential election and announces that his "National Political Committee" will throw the full weight of its support behind the chosen ones.

In 1946, for example, Smith hurled his movement behind the Dixiecrats' States Rights ticket, headed by Gov. J. Strom Thurmond of South Carolina.

Thurmond denounced the offer

by declaring: "We do not invite and do not need the support of Gerald L. K. Smith or any other rabble rousers who use the race prejudice and class hatred to inflame the emotions of the people."

Smith switched his support to New York's Tom Dewey and Irving M. Ives, GOP nominees for Governor and U. S. Senator; Robert M. La Follette, GOP Senatorial candidate from Wisconsin, and three Wisconsin Representatives. All repudiated him "with vehemence" and Dewey and Ives jointly declared him "beneath contempt . . . and wholly un-American."

In 1949, Smith's announced decision to back John Foster Dulles for U. S. Senator from New York drew this declaration from the present Secretary of State: "Smith is not a citizen of our state and he has no business here. He can't vote here and I'm glad of it. I have utter contempt for what he stands for and he knows it."

Vice President Nixon, hearing Smith was rooting for him in the 1956 campaign, quickly retorted: "Generally, what Smith says should never be dignified by a comment. But this time . . . I think it is clearly necessary . . . for me to say that there is no place in the Republican Party for race-baiting merchants of hate like Gerald L. K. Smith."

One of the penalties of denouncing Smith and his fellow-racists in this manner, as their publications show, is that the denouncer will in turn be denounced—as a pawn of the Jews, a hireling of the Jews, or very often, however fantastically, simply as a Jew.

NO LAW AGAINST THE CONTRIBUTIONS

These elaborate and active political campaigns of Smith's, however, cost a good deal of money—according to his financial report to Congress.

His total reported expenditure from Jan. 1 to Oct. 30 last year, for example, was \$141,859.29 and his receipts for the same period, \$168,521.39. There is no law against any individual getting cash from suckers and tossing it around in the name of politics, but the authorities are currently taking an interest in the source of some of Smith's income.

The law demanding his finan-

cial statement also requires that the names and addresses be given of all persons donating \$100 or more to his organization. Smith lists 151 of these but some curiosity has developed at the Justice Department since learning that some of these contributors seem to exist only on paper.

Of eight listed by Smith in the New York area I was able to confirm the existence only of three. Of the others, either they all contrived to get left off voting lists, out of telephone books and other records or, if persons of the right name lived in the area identified by Smith, they assert they have never heard of either Smith or his setup.

Smith, on his own printed admissions, is virtually in constant contact with Egyptian officials and diplomats.

WRITES ABOUT HIS 'GUEST FROM EGYPT'

In last January's issue of *The Cross and the Flag*, he boldly identifies one of his friends in an article titled: "A Guest From Egypt." On a visit to Washington, writes Smith, "I was called upon by a brilliant young man who is a citizen of Egypt. His name is Ibrahim Baghdady. He is a journalist and a radio commentator."

Baghdady, however, is not a journalist and radio commentator. He is a major in army intelligence, one of the platoon of intelligence agents Nasser spikes his foreign missions with.

There is little point in listing them all. But intelligence officers sent to the U. S. on short visits, generally in the role of "diplomatic couriers," are worthy of mention.

So also is the fact that the Egyptian State Information Department in Cairo, publisher of most of the tracts distributed and reprinted by America's racists, is a branch of Nasser's security and intelligence network. Lt. Col. Abdel Khadr Hattem, who took over the department during my years in Cairo and who now is deputy minister for presidential affairs, had previously been in command of a group of agents whose function was to snoop on foreign correspondents, tap their telephones and steam open their mail. He is in charge of all press and radio activities.

The Nasser agents who come here in sheep's clothing are naturally as free as any other visitor to travel around the U. S. and meet whom they please. That is one of the advantages of working in a free country, a fact Egyptians, especially, would appreciate.

Tomorrow: Prof. Hussein Kamel Selim, acting AIO head, puts in a word or two on the Arab line.

Seeks Law to Halt Racists

Washington, Jan. 21 (Special).—Rep. Frank C. Osmer Jr. (R-N. J.) has introduced two bills in Congress which would make bombing of religious and educational institutions and the distribution of "hate" propaganda federal offenses punishable by fine or imprisonment or both.

"Individuals who perpetrate these acts," said Osmer, "are committing direct acts of subversion. The weakening of the American solidarity by attacks on religious or racial groups plays right into the Communists' hands."

Cairo Man Explains His Boss, But Sometimes He's at a Loss

By DAVID BURK

(Fourth article of a series)

WHEN the Arab Information Office opened in New York in 1955 it informed the Department of Justice in its first registration statement as a foreign agent: "Registration will strive to further the common interests in peaceful developments, trade, religion, cultural exchange and tourism."

The AIO's acting head today, in the interim between the reported firing of Ambassador Kamil Abdel Rahim, long a friend of America's lunatic race-hate fringe, and the appointment of a senior army officer to the post, is Prof. Hussein Kamel Selim.

Selim, an able, soft-voiced diplomat who is an apologist for Egyptian President Nasser's ambitious adventures in the Middle East and elsewhere, told me that the AIO was set up by the Arab League to spread the Arab philosophy of tolerance.

"We want good and friendly relations with America and the West," he assured me in his excellent English. "We Arabs are a kind, tolerant and hospitable people. Our entire cultural orientation is toward the West."

All this is undoubtedly true of the nimble-minded, affable Selim, who studied in Britain, taught economics brilliantly at Cairo University before joining Nasser's government, and has lectured in the U.S. Asked if he included Nasser in his good-natured embrace, he said: "Of course I do. What has Nasser ever done to make you think otherwise?"

CALLS THEM INTERNAL, 'SPONTANEOUS'

A few items came to mind. Such as the vain attempts since 1953 to subvert and annex the Sudan, the assassination of Ibrahim el-Sholhi, principal aid of neighboring Libya's King Idris, the civil war in Lebanon, the repeated forays against Jordan's young King Hussein, the coup that made Syria Egypt's northern province.

"My dear fellow," said Selim with lips that smiled and eyes that didn't, "everyone knows that these events were spontaneous developments from within those countries. No one has ever proved that Nasser had anything to do with them."

This view, along with such others as Nasser's supposed anti-Communism, is assiduously spread here by the racist groups acting as a Nasser fifth column in the United States.

It is not shared unanimously by the Arabs themselves, however. President Habib Bourguiba of Tunisia, for example, recently quit the Arab League and broke off relations with Egypt, charging Nasser was meddling in the affairs of other states, had plotted his assassination, and was "unaware of the dangers of Communism."

FROM THE ATLANTIC TO PERSIAN GULF

Bourguiba riled Nasser especially with his parting shot in a globally-reported broadcast from Tunis. He declared that, contrary to Nasser's claims, the Arab world was united "only in poverty" and that the Bourguiba alternative to Nasser's flirtation with Moscow was co-operation with the West.

Using a technique significantly similar to that employed by America's racists when, under attack, Nasser's personally-supervised Cairo Radio charged on Oct. 15 that Bourguiba had been bought by the U. S. and made to "betray the Arab League."

"Imperialism," Cairo went on, "has tried out all its agents and every one has been destroyed by the people. All those who stand

in the way of the people will be destroyed by the people.

"We shall establish a free and united Arab world from the Atlantic Ocean to the Persian Gulf despite all the conspiracies of imperialism. This is our will in Tunisia, our desire in Sudan, our goal in Algeria."

Such manifestoes, of course, are intended only for local consumption in the Middle East. Abroad, Nasser's men must preach only the Arab will for friendship with the West and its leaders.

Cairo, in its stateside-asserted desire for friendship with the U. S., cannot, however, prevent America's official radio monitors from picking up such manifestations of brotherly love as this broadcast to pro-Western Jordan last Oct. 6:

"Eisenhower, the old man of the imperialist American dollar, visits his country's hospitals every now and then to undergo some operation or other. This has gone on so long that his body

Hussein Kamel Selim
"We don't hate anyone"

has become one big mass of drugs. . . . Eisenhower's body typifies imperialism, which is strangling.

"The patching, reconciliations and taking of sedatives cannot obstruct the self-liberation movements throughout the world. . . . The ultimate treatment for a septic part of the body is amputation, and as the many patches on Eisenhower's body will eventually cause him to wind up on the city dump, so will the imperialist struggle definitely fall into the abyss."

MILITARY MISSION IN JORDAN ASSAILED

Another Nasser broadcast, on Oct. 15, denounced the U. S. military mission to Jordan as "all high-ranking officers, more than a third of whom have worked under Allen Dulles, chief of American intelligence. . . . and . . . more concerned with spying and plotting than its stated purpose."

Moreover, the broadcast added,

"some of the mission members are Zionists . . . who will convey your army's secrets to Israel. Beware of this mission and endeavor to crush it."

Prof. Selim has no comment on these broadcasts but he is anxious to point out that Nasser is a good Moslem and the Moslem religion teaches that "Moses and Jesus must be revered alongside Mohammed." Therefore, Selim insists, neither Nasser nor his representatives could possibly have anything to do with "lunatic Americans who preach race hatred."

"Don't you see," said Selim earnestly, "if we are associated in any way with these infamous hate groups, our cause would be harmed, not helped. We don't hate anyone. Why should we?"

Selim expressed amazement when specific instances of Nasser's men consorting with racists were mentioned. Such as the time when Abdel Mawgoud Hassan, press officer of the Egyptian UN delegation, addressed one of New York fuhrer James Madole's muck-raking meetings.

ADMITS HE HAS LIST OF FASCIST GROUPS

"Perhaps," said Selim hopefully, "Hassan didn't know who Madole was."

He conceded that the office has a copy of the Attorney General's list of subversive fascist groups, which includes both Madole and his National Renaissance Party. He also conceded that it behooves a diplomat to make inquiries before accepting invitations to address meetings.

Hassan himself, when nailed on the subject during a recent television interview, at first denied that he had been present. When, however, he was shown a photograph of himself sitting beside Madole on the rostrum, he went through the rest of the program like a man with violent stomach cramps.

What, I asked Selim, about the racists who visit official Arab offices and join Arab diplomats in the delegates' lounge at the UN? The most prominent of these is Benjamin H. (for Harrison) Freedman, 68, retired toilet goods manufacturer and son of Moritz and Hannah Kaferman Freedman immigrants from 19th

GRILLED FOR DAYS ON WITNESS STAND

Freedman, who once described himself in court as "without religion, though I was born a Jew, practice Catholicism and belong to the Masons," has a 10-year record of anti-Semitism.

"What can we do if such persons approach us and want to talk?" Selim asked me blandly. "You know how kindly we Arabs are. Could we tell such a man to go away and leave us alone?"

I said that, since Selim himself felt association with such persons damaged the Arab cause which he was here to further, the only course seemed to be a good firm snub. Selim renewed the bland smile that moved his lips but not his eyes.

Freedman's record came out in a New York court in 1948. He was a witness for the plaintiff when attorney Hallam M. Richardson, leading light of Freedman's League for Peace with Justice in Palestine, sued an anti-Nazi organization for libel for saying he had been "long known

in the halls of pro-fascist propaganda."

Under skillful cross-examination Freedman spent several days on the witness stand. The sum of his testimony proved of greater value to the defense than to Richardson.

Copies of cables exchanged between Freedman and Haj Amin el-Husseini, former Mufti of Jerusalem who broadcast to the Arabs for Hitler during World War II, were produced in court. Freedman also admitted frequently visiting Arab friends in Washington and having spent \$100,000 of his own money to advertise his cause.

This last fact resulted in a glowing eulogy by the ex-mufti, printed in Cairo and titled: "An American Jew Spends His Efforts and Riches in Protection of the Arabs."

The libel claim was thrown out of court and the judge described Freedman as an "international meddler and propagandist."

HE HAS GOOD OF THE U. S. IN MIND

When I called on Freedman at his sumptuous 960 Park Ave. apartment I learned that his views have not changed in the last 10 years. Before I was admitted, I had to prove my identity, declare that I was not a Jew and do not work for any investigative agency.

"The Zionists," Freedman assured me, "drove me into the arms of men like McGinley and Gerald L. K. Smith. I'd neither met nor heard of them before the Zionists started to smear me."

He scanned me piercingly through a pince-nez and said, "I am thinking only of the good of the United States. I was born here, you know. That's why I believe we should recognize not only Red China, but also North Korea and East Germany, in the interests of the survival of the U.S. and the free world."

The U.S., he said, has only 6% of the total world population while Afro-Asia has 80%. By alienating Afro-Asia, the U.S. was destroying its commercial potential.

Freedman puts out a sheet called *Fact For Fact*. It describes itself as "An official publication

of the Foundation for Advanced Research, a nonprofit membership foundation incorporated under the laws of the State of Delaware." The foundation address is given as 505 Fifth Ave., but don't waste time looking it up in the directories. It isn't listed.

Fact For Fact—"only research reveals all the facts...the whole truth"—offers the usual line about Communism being part of the Jewish conspiracy; the Jews not being Semites at all but descendants of a converted Asian tribe called the Khazars; and Eisenhower, Dulles and everyone else who does anything the racists disapprove of being the tools of the Zionists.

CHARGES GIANT SMEAR CAMPAIGN

After Eisenhower signed the Middle East Doctrine in 1957, says Freedman, for example, "every media of mass-communications in the U. S. owned and controlled by the Zionist hierarchy, the leading newspapers, the television and radio nationwide networks, the leading weekly magazines, the motion-picture newsreels and the many other equally effective media in the United States also owned and controlled by the Zionist hierarchy, immediately commenced the most unjustified and unwarranted smear-campaign accusing Egypt and Syria of being countries 'controlled by international Communism.' The purpose was quite obvious.

The denial of Mideast Communism or Communist inclination is a favorite racist theme that does not bear genuine inspection. One of the commonest claims is that Nasser outlawed the Communist Party in Egypt. He did no such thing because Egypt never really had a Communist Party to outlaw. He did, however, outlaw every other political party to clear the way for himself.

REDS TOO BUSY BATTLING REDS

The Communists had been illegal under Farouk and had been underground long before Nasser's so-called revolution in 1952. And characteristically Middle Eastern, they split into seven groups instead of fighting for unity. From that point on they ceased to concern the authorities because they were too busy fighting each other to be dangerous.

The Soviet embassy in Egypt, fully aware of these facts, shrewdly decided it would reap a bigger dividend by ignoring the Communists and dealing directly with Nasser.

Tomorrow: George Lincoln Rockwell, the Fuehrer of Arlington, Va., and the Yorkville thugs he sent to Washington and Atlanta to sing his hymn of hate.

Peddling HATE in America: EGYPT'S NASSER

An Anti-Red Mask Covers True Face Of Fascism in U.S.

By DAVID BURK

(Last article of a Series)

AMERICA'S lunatic racist fringe poses as vehemently anti-Communist. The obvious reason for this is that there are potentially millions in the country today who, strongly anti-Communist, would refuse to support any movement preaching inter-racial hatred.

However, by asserting that Communism is part of a Jewish international conspiracy and throwing in vicious slanders of the Negro for good measure, the fascists can make some headway. By whitewashing Nasser's regime and his relationship with Moscow with the assertion that he is the only anti-Communist in the Middle East, they also can satisfy the patron whose cause, authorities believe, they are being paid to serve.

Thinking Americans—some 99.9%—still wait to be convinced, however. Especially in the face of such denunciations as this:

"Advocates of both Fascism and Communism seek to destroy our constitutional government and supplant it with a godless dictatorship in which the individual is deprived of his rights and liberties to become an abject slave. Both derive their strength by dividing their opposition—Communism choosing to set class against class, while fascism incites racial and religious discord."

HOUSE COMMITTEE DRAWS A PICTURE

The words are those of the House Committee on Un-American Activities in a recent report on neo-fascist and hate groups in the U. S. The committee adds:

"Despite the similarities between Communism and Fascism, their propaganda to the effect

that each is the foremost opponent of the other is undoubtedly a major contributor to whatever support each has been able to muster in our population."

But, the committee warns, "the appearance of neo-fascist organizations and methods . . . serves only to impede the intelligent, united effort necessary in the current life and death struggle with Communism. . . . Depending on the type of audience to be reached, this (fascist) propaganda is couched in language ranging from violent vituperation to subtle innuendoes."

The committee investigators found that the various groups frequently cooperate with exchanges of literature and many "are led by racketeers primarily for the purpose of reaping financial profit."

Conde McGinley of Union, N. J., said by the committee to be making at least \$30,000 a year out of Common Sense and his book lists, recently put out a billboard-size sheet giving a run-down of a Goebbels' fabrication of three decades ago—the so-called "Protocols of the Meetings of the Learned Elders of Zion."

The Protocols were exploded as a fiction in the 30s, but McGinley evidently felt the time was ripe to produce them again. And if he succeeded in selling no else on them, he certainly triumphed with Gamal Abdel Nasser in Cairo.

Toward the end of October, in a remarkable interview with an Indian magazine writer, Nasser declared that he had just read the "Protocols for the first time and thought them 'important.' They

demonstrated to him, he said, that Europe is "in the hands of 300 Zionists" and that there is an international plot in which Zionism and imperialism (i.e. the U.S., Britain and France) "are marching hand in hand with Israel."

McGinley handed down the protocols to his followers with an appeal to "read and study this document carefully." It speaks, he wrote, "in behalf of the American people . . . is prepared without anger . . . (because) many Gentile Americans have been drawn into this plot by ignorance, through blackmail, through clever persuasion."

A great deal of the jugged history which propagandists like McGinley use as the basis for their outpourings is dredged up by pudgy bachelor Harold N. Arrowsmith, who admits having financed Arlington, Va., Fuehrer George Lincoln Rockwell and the Yorkville thugs Rockwell sent to Washington and Atlanta to sing his hymn of hate.

Arrowsmith and Rockwell are currently squabbling. Each told me at great length, and in highly slanderous terms, what he had against the other. The main reason, apparently, was Arrowsmith's indignation at being identified by Rockwell as the "fat cat" (financier) mentioned in Rockwell's letter to one of the men charged with the Atlanta Temple blast.

HE LIKES TO STAY OUT OF LIMELIGHT

Arrowsmith made no bones about his preference for staying in the background. He described himself as a research worker with "fortunately a private income large enough to let me do the things I like." He estimated this income at "around \$15,000 a year" from an inheritance from his late father, Dr. Harold Noel Arrowsmith, longtime canon of Baltimore's Cathedral Church of the Incarnation.

He lives with his mother in patrician style in the quiet of a wealthy Baltimore suburb and the family is listed in the city's Blue Book. I was received after identifying myself to a Negro manservant at the sergeoned front door and shown into a study, elegantly furnished but littered with samples of Arrowsmith's work.

Since the spring of 1957, said Arrowsmith, he has been devoting himself to digging in Washington archives and at the British Museum in London for the "truth behind the Zionist-Communist conspiracy." He presented me with a sheaf of extracts from Hansard (British Parliament's equivalent of the Congressional Record), official reports by H. M. Government and articles written by a variety of person-

ages ranging from Zionist leaders to Winston Churchill.

"When I showed this stuff to the British Information Service in New York," boasted Arrowsmith, beaming cherubically, "they nearly fell off their chairs."

John Peck, head of the BIS in the U. S., later told me he recalled "some strange individual who came in with a pile of bumph but we didn't pay much attention to it." Peck added: "Goodness knows why he went all the way to the British Museum. We have all these documents in our library here."

Asked about Lincoln Rockwell's statement that Arrowsmith once had taken the "head of Nasser's

secret service" to visit him, Arrowsmith said: "That's a damned lie. I know these people, of course; but I wouldn't take anyone like that to see a scoundrel like Rockwell."

KNOW NOTHING ABOUT BOMBING, HE SAYS

In fact, it was mainly on the subject of his erstwhile protegee that Arrowsmith really opened up. He said: "I thought I could handle Rockwell but I found that I was wrong. He's a dangerous character. His political ideas are asinine and he has a fuhrer complex."

However, he revealed, he had made a \$15,200 cash down payment on Rockwell's house on Arlington's Williamsburg Blvd., and spent more than \$6,000 to install photo-litho printing equipment in the cellar.

"It was very naughty of Rockwell to say I was his 'fat cat,'" Arrowsmith pouted angrily. "I didn't have anything to do with the Atlanta bombing. I knew nothing about it. All I did was pay the cost of Rockwell's picketing in July in Washington and

Atlanta and for the printing of 15,000 or 20,000 leaflets."

In Arlington, Rockwell was nearly as loquacious. He is 40, the same age as Arrowsmith, but tall, well-built and with an air of earnest sincerity that is quite disarming. He, too, checked my identity carefully before admitting me, then politely asked if he might see inside my coat and briefcase to ensure that I was carrying no recording equipment.

He repaid me with the "signal honor" of allowing me to be the first newsman ever to see his cellar workshop-office.

"Everyone's gunning for me," he said, explaining his caution. "Can't be too careful."

Since police found some personal letters of his in the home of Wallace Allen, one of the men currently under indictment for the Atlanta bombing, telephone threats have been a daily occurrence, Rockwell declared. Things had gotten so bad, he added, that he was in the process of sending his wife and three children to Iceland, Mrs. Rockwell's original home.

Then he was launched on the subject of Arrowsmith.

"He picked me," said Rockwell (and these notes were taken in his presence), "because he wanted a tough anti-Jew fighter. He wanted them tougher and tougher."

BOASTS OF BUNCH OF REAL TOUGHIES

"I've got a bunch of boys in Yorkville who are real tough. Arrowsmith wanted my boys. All I have to do is send for them and they'd be here in a flash. They'll do anything I ask them."

These "boys" also were mentioned in Rockwell's letter to Allen, which said: "The boys are coming from New York for the work here—no guts in the local citizens. . . ." One of the young bully-boys who went south at Rockwell's bidding for the Atlanta and Washington picketing last July (most of the slogans were pro-Nasser) was 21-year old George Leggett, 111-29 78th Ave., Forest Hills, leader of a group in Queens and Yorkville called the United Nordic Federation.

Leggett, who has no German blood, used the name of George von Lichte and was known as the Fuhrer of Forest Hills. He is currently in jail awaiting sentence for plotting with his gang last January to rob a bank of \$40,000 to finance an upstate camp for "training storm troopers." He was free on bail at the time of his southern trip.

It came out, too, that another gentleman for whom Leggett and his gang had performed various services was New York fuhrer James Madole.

Rockwell, who says he attended Brown University and was a U. S. Navy commander in World War

II, then laid the policy of his National Committee to Free America from Jewish Domination on the line. In fact, he gave me a preview of a new seven-point program "that hasn't even gone to the printer's yet."

The essence of his philosophy—"unlike Arrowsmith's," he pointed out—is his basic tolerance. He said: "Most of the people on our side, 90% of those who work in the open, are crackpots. Isolationists, anti-Negro, totally anti-Jewish, many anti-Catholics. Most are fanatics on one or two subjects."

"We, on the other hand, are religiously uncommitted, international, pro-Negro, pro-private enterprise, national socialist and anti-capitalist. . . . The basic aspects of our world view are the same as Adolf Hitler's. He was a gift from an inscrutable providence. A world savior in his time."

THEY'D ESTABLISH A NEGRO NATION

He described himself as "anti-dictatorship, though no part of society has the right to complete freedom." The Jews, under Rockwellism, would all be carefully investigated and "those found to have had no part in the world Marxist conspiracy would not be harmed."

The Rockwellians also have the answer to the integration problem. They would, he said, "appropriate the \$10 billion now being spent on integration to establish an ultra-modern, fully-equipped nation for the Negro in Africa."

Rockwell declared that he has "500 hard-core supporters spread through the world—in Egypt, Iceland, the U. S. and Europe." There is no membership card as yet and no real organization as such, he said, but added:

"Since the Atlanta business I've been living on pennies. I'm thinking of trying to register as a foreign agent and working for the Arabs. I want to cut off money to Israel. I think the Arabs should be willing to pay me a salary for that."

"Also," he added, evidently with an eye to the fat incomes some of his longer-established rival fuhrers are racking up, "I plan to form a national organization with myself at the head on a salaried basis."

As I climbed back into my taxi outside Rockwell's neat suburban home I felt I had come full circle. The jigsaw pieces had clicked into place. Rockwell was tied in with Arrowsmith and thus with Madole and with McGinley and Smith and Freedman and with Cairo, in a network of subversive hate. Each group feeding on the others like jungle animals, on a diet of shady finance, propaganda gimmicks and methods, and ideas that reek of Red Moscow and Nazi Berlin.

DETAILS: AT WASHINGTON, D. C.

This investigation is predicated upon information contained in a series of five articles which appeared in the "New York Daily News" from January 20 through January 24, 1959, written by DAVID BURK, entitled, "Peddling Hate in America: Egypt's NASSER."

I. NEWSPAPER ALLEGATIONS CONCERNING GEORGE LINCOLN ROCKWELL'S ASSOCIATION WITH ARABS

The first article of the series entitled, "The Lunatic Fringe Hangs Ravings on the Cairo Line," stated "nearly ninety dynamite blasts have echoed around the country in the last two years, aimed mainly at Jews, Negroes and sincere Christian citizens who have publicly backed these groups." The article states that with the bombing of the Temple at Atlanta, Georgia, last October the "startling fact leaked out" that practically every operation fitted into a national pattern which "authorities" attributed to a "loose-linked network of American neo-Fascist groups peppered around the country." The article continued that this "hate corps" had emerged as a "fifth column" acting in behalf of President GAMAL ABDEL NASSER of the United Arab Republic (UAR).

According to the article one of the men behind "this hate racket" was "a fuehrer-minded Virginian," GEORGE LINCOLN ROCKWELL, whose name had been linked with the men on trial for the "Atlanta bombing." BURK quoted ROCKWELL as having said to him, "ADOLF HITLER was a guest from an inscrutable Providence. He was a world Savior in his time."

The article states that "NASSER's dominated segment of the Arab world" regards not only American Jewry, but the United States administration, too, as the "fountainhead" of Israel's moral and financial help and that NASSER must "knock out" Israel's backers in the United States before he could keep his pledge to his followers to "knock out" Israel itself.

The article claims that NASSER has been using Egyptian military intelligence officers and men, who could

hide behind diplomatic immunity, as "contact men" and a group of individuals and periodicals as his "mouthpieces."

The article indicated that Arab officials have denied any connection with "hate groups," but that HAROLD N. ARROWSMITH "admitted 'fat cat' (financier) of some of the activities of the Atlanta States Rights Gang, five of whom are currently on trial for the bombing," had assured BURK that his, ARROWSMITH's, "counsel was much in demand not only by the Arabs, but also by the FBI and the State Department."

The article also sets forth "the protege of ARROWSMITH, GEORGE LINCOLN ROCKWELL, who master-minded States Rights Party demonstrations in Atlanta and Washington last July under his own banner, the National Committee to Free America from Jewish Domination," had told BURK that ARROWSMITH had "brought the head of NASSER's secret service" to see ROCKWELL. ARROWSMITH later denied this to BURK and according to the article, BURK also doubted it.

The article states that BURK had a long talk with an official of the "UAR embassy" in Washington and had been assured that the UAR Government would have nothing to do with "these scum" and "they would be kicked out, if they dared to cross the embassy threshold." BURK quoted the UAR official as having said, "What can we do if these people want to help tell our story? Is that our fault?"

"You know as well as I do that the Jews control your so-called free press here. Only the Zionists' voices are heard."

The article concluded that the UAR official "might have been quoting straight from an American hate sheet or from Cairo radio" and commented, "They're pretty hard to tell about."

The last article of the series written by BURK, entitled, "An Anti-Red Mask Covers True Face of Fascism in U. S.," sets forth, "America's lunatic racist fringe poses as vehemently anti-Communist." The article states

that the obvious reason for this is that there are potentially millions in the country today, strongly anti-communist, who would refuse to support any movement "preaching inter-racial hatred." According to the article, by asserting that communism is a part of a Jewish international conspiracy and "throwing in vicious slanders of the Negro for good measure, the Fascists can make some headway."

The article continues that much of the "juggled history" which propagandists use as the basis for their "outpourings" is "dredged up" by HAROLD N. ARROWSMITH, "who admits having financed Arlington, Virginia., fuehrer, GEORGE LINCOLN ROCKWELL, and the Yorkville thugs ROCKWELL sent to Washington and Atlanta to sing his hymn of hate." The article noted that ARROWSMITH and ROCKWELL were "squabbling" and states that the main reason "apparently was ARROW SMITH's indignation at being identified by ROCKWELL as the 'fat cat' (financier) mentioned in ROCKWELL's letter to one of the men charged with the Atlanta Temple blast."

According to the article, BURK quoted ARROWSMITH as follows: "I thought I could handle ROCKWELL, but I found that I was wrong. He's a dangerous character. His political ideas are asinine and he has a fuehrer complex."

The article continued that ARROWSMITH had made a \$15,200 cash down payment on ROCKWELL's house on Arlington's Williamsburg Boulevard and had spent more than \$6,000 to install "photo-litho" printing equipment in the cellar.

BURK quoted ARROWSMITH as follows: "It was very naughty of ROCKWELL to say I was his 'fat cat.' I didn't have anything to do with the Atlanta bombing. I knew nothing about it. All I did was pay the cost of ROCKWELL's picketing in July in Washington and Atlanta and for the printing of fifteen thousand or twenty thousand leaflets."

The article sets forth that ROCKWELL had declared in an interview with BURK that since police found some of ROCKWELL's personal letters in the home of WALLACE ALLEN, "one of the men currently under indictment for the Atlanta bombing, telephone threats have been a daily occurrence."

WFO 105-29384

Concerning HAROLD N. ARROWSMITH, the article quoted ROCKWELL as follows: "He picked me because he wanted a tough anti-Jew fighter. He wanted them tougher and tougher."

"I have got a bunch of boys in Yorkville who are real tough. ARROWSMITH wanted my boys. All I have to do is send for them and they'd be here in a flash. They'll do anything I ask them."

The article noted that the "boys" had also been mentioned in ROCKWELL's letter to ALLEN, which according to the article, said: "The boys are coming from New York for the work here - no guts in the local citizens....." The article continued in part as follows: "ROCKWELL, who says he attended Brown University and was a U. S. Navy Commander in World War Two, then laid the policy of his National Committee to Free America from Jewish Domination on the line. In fact, he gave me a preview of a new seven-point program 'that hasn't even gone to the printer's yet.'"

"The essence of his philosophy - 'unlike ARROWSMITHs', he pointed out - is his basic tolerance. He said: 'Most of the people on our side, 90 % of those who work in the open, are crackpots. Isolationists, anti-Negro, totally anti-Jewish, many anti-Catholics. Most are fanatics on one or two subjects.'"

"We, on the other hand, are religiously uncommitted, international, pro-Negro, pro-private enterprise, national Socialists and anti-Capitalists....the basic aspects of our world view are the same as ADOLF HITLERS. He was a gift from an inscrutable providence. A world Savior in his time."

"He described himself as 'anti-dictatorship, though no part of society has the right to complete freedom.' The Jews, under Rockwellism, would all be carefully investigated and 'those found to have had no part in the world Marxist conspiracy would not be harmed."

"The Rockwellians also have the answer to the integration problem. They would, he said, 'appropriate the ten billion now being spent on integration to establish an ultra-modern, fully-equipped nation for the Negroes in Africa.'"

WFO 105-29384

"ROCKWELL declared that he has 'five hundred hard - core supporters spread through the world - in Egypt, Iceland, the U. S. and Europe.' There is no membership card as yet and no real organization as such, he said, but added: 'Since the Atlanta business I've been living on pennies. I'm thinking of trying to register as a foreign agent and working for the Arabs. I want to cut off money to Israel. I think the Arabs should be willing to pay me a salary for that.'"

II. BACKGROUND OF GEORGE LINCOLN ROCKWELL

A. INFORMATION FURNISHED BY [REDACTED]

[REDACTED] advised on May 12, 1958, that GEORGE LINCOLN ROCKWELL arrived in Newport News, Virginia, approximately February 1, 1958, wearing the uniform of a Commander in the United States Navy. ROCKWELL went to the home of [REDACTED] Newport News, Virginia.

ROCKWELL approached [REDACTED] and showed an interest in pro-segregation activities, and left a number of his writings and artistic works with [REDACTED] for perusal. [REDACTED] permitted ROCKWELL to store some of his papers in his garage and ROCKWELL appeared at [REDACTED] home almost daily.

ROCKWELL, who draws caricatures and other cartoons, sold a number of caricatures [REDACTED]

[REDACTED] stated that ROCKWELL had quite a bit of literature on Nazism and informant heard ROCKWELL state that he was a Nazi and that the only antidote to the wave of communism at this time was Nazism.

[REDACTED] advised that ROCKWELL formerly worked [REDACTED] in Atlanta, Georgia, for the "American Mercury" magazine in New York City and [REDACTED] of [REDACTED]

WFO 105-29384

Memphis, Tennessee. ROCKWELL resided in a trailer at the Arch Trailer Court, 5115 Jefferson Avenue, Warwick, Virginia, with his wife, [redacted] and four children while in the Newport News, Virginia, area.

[redacted] advised that ROCKWELL at one time was interested in the magazine, "U. S. Lady," published in Washington, D. C., and directed at agitation among service women and wives of service men.

ROCKWELL met his wife while he was stationed in Iceland and the ROCKWELLS went to "HITLER's Retreat" in Germany on their honeymoon.

[redacted] stated that ROCKWELL's aim was to form an organization to support his pro-Nazi views and ROCKWELL has stated that the Constitution of the United States is out of date and that constitutional powers should be suspended. ROCKWELL also stated that the country needed a general "cleaning up" and felt that could be done under a form of Socialism.

[redacted] advised that while in Newport News, Virginia, ROCKWELL met one [redacted]

[redacted] According to [redacted] [redacted] had been doing research on the history of World War One and the Russian Revolution concerning the Zionists' participation in each.

According to [redacted] departed Newport News, Virginia, with ROCKWELL on May 10, 1958.

The October 13, 1958, issue of the "Washington Post and Times Herald" in an article entitled, "Blast From 40 Sticks of Dynamite Rips Jewish Temple in Atlanta," sets forth that the Temple, home of the Hebrew Benevolent Congregation on Peachtree Road, Atlanta, Georgia, had been "bombed" by an estimated forty to fifty sticks of dynamite on October 12, 1958.

The article noted that on the previous Sunday a series of blasts had shattered an integrated school in Clinton, Tennessee.

John L. B. INTERVIEW OF GEORGE LINCOLN ROCKWELL

On October 16, 1958, GEORGE LINCOLN ROCKWELL, 6512 Williamsburg Boulevard, Arlington, Virginia, advised Special Agents (SAs) of the FBI that he had read in the newspapers that WALLACE ALLEN had been arrested in Atlanta, Georgia, in connection with the bombing of the Synagogue there on October 12, 1958, and that he had evidentiary material to prove that ALLEN did not bomb any Synagogue.

ROCKWELL made available a letter which he said he received last July when plans were being made for an anti-Jewish demonstration to be held throughout the eastern part of the United States. The letter read as follows:

"Dear Linc:

"Congratulations on having obtained arms to fight the enemy. I hope the, [redacted] realized the necessity for a continuing and relentless assault, as for instance, a weekly attack by Truth against the Daily Liars.

b6
b7c

"Bless the Revolutionary Iraqi Government who are doing their utmost to show they are not communists in the face of the barrage of propaganda to the contrary and insults from the U. S.

"I hope you have thought the contents of the literature out to the extent you realize that the Mid-East may come under the hell of the communists. By pointing out that although these countries are not now communist, will be if we don't change our policy towards Israel, goyim will not think we were wrong when and if they fail to the Jews.

"A few ideas if it's not too late. EISENHOWER called out the troops twice. - Once against American people and once against the anti-communists. We didn't go to the aid of the French at Dien-Bien-Phu to save Indo-China. We are not now doing or saying anything about the communist take-over of Indonesia Sumatra-Java., ect.

WFO 105-29384

"Did you notice the clever scheme relating to captured Americans. The ordinary people were saying 'We ought to go in and get them, etc.' When we Went In to save the Jews--they were saying Action, at last.

"The exact method we will use here is still undecided and is entirely dependent on existing conditions which will be examined thoroughly. You will just have to trust we will do the best job possible with the means at hand. The Israeli consulate is next door to the F.B.I., if there is any significance to that. The Temple would be wrong since it relates to the religious rather than the political. Next is choosing picketers who are the most immune from Jewish economic retaliation, etc. But I'll figure out something.

"The stickers are great but I'll have to criticize some of the other. The piece from the American Hebrew is too subtle for the ordinary Goyim mind. Sounds fantastic but true. They will say, 'Well let's don't let anti-semitic moves succeed so we don't lose anymore boys.'"

ROCKWELL stated that the sentence in the letter by [] that "The Temple would be wrong since it relates to the religious rather than the political," is proof to ROCKWELL that [] would not bomb any synagogue since he would not even picket one.

b6
b7c

ROCKWELL stated that [] letter was an answer to a letter he had sent to [] and made available a copy of the letter which read as follows:

"Dear []

"It was wonderful to talk to you on the phone! Made me realize how feeble and un-informed most of the so-called 'hard-core' is, just by contrast.

"Still can't stand long enough to write a long and detailed letter, as I'd like to; want to get some material off to you right away and some more information on what's up. So please forgive the lack of amenities and proper narratives of how all this happened. Suffice to say that we are finally beginning to DO what we have all so long, talked about, mostly thanks to ONE man, -- [redacted] used to call them, -- who is putting his \$\$\$\$ where his mouth is. God bless him.

b6
b7C

"The enclosed 'hate-mongering' will give you an idea of the calibre of material we are preparing to roast the Jews alive in the fire of truth, as it were. (Next word obliterated) is all-out on the stickers, which are the ultimate weapon against the Jew, because he can't see where he's getting hit from, -- the technique he himself has been using to knock us all off. People who won't even publicly admit that there are such things as Jews have been sneaking up to get a supply of these "Communism is Jewish!" stickers to put up privately in the right places.

"The big blast is allset for either next Sunday or Saturday, if there is a local ordinance forbidding picketting, etc., on Sunday. We will know tomorrow, and will keep you informed. But we want to have it Sunday, if possible, because the boys are coming down from New York for the work here, -- no guts in the local citizens, -- and we want to have Saturday to pass out thousands of hand-bills and put up posters to sort of steam things up for the big blow itself. You'll have to find out if there is an ordinance in Atlanta against Sunday picketing too, and, if there isn't, your boys, just as mine, will not be free, in all probability, until Saturday, and can use that whole day to distribute the 'priming' we will get down to you in quality by Thursday or Friday.

"There are three items for handbills; (1) An inflammatory explanation of WHY we seem to be having

trouble in the Middle East, coupled with an announcement of the picketting and invitation to come and hoot at the Jews with us. (2) a documented, damning INFORMATION sheet to hand-out at the 'ceremonies' to establish exactly what Israel has done and is doing, and, generally, to piss off the citizenry at the traducers of our Country and traditions, etc., and (3) Membership applications for the National Committee to Free America from Jewish Domination, etc. -- The latter is still not solidified, because, so far, we can't find anyone with guts, intelligence, and FREE enough to open up and run the office. But after the national demonstrations, -- I think we will have that licked too.

"I know we can count on you to run a damned good show in Atlanta, [redacted] -- I only wish I was able to count on the same kind of BUSINESS-LIKE operation everywhere, --which is the thing that will terrify the Kikes more than any one other thing."

ROCKWELL stated that he intended to go to Atlanta, Georgia, if necessary to assist in any defense [redacted] and that he would use the letter he received in this regard.

ROCKWELL advised that he last saw [redacted] about six or seven weeks previously when [redacted] was at ROCKWELL's residence. At this time they discussed ideas on how to defend the persons arrested in Atlanta during the picketing of the Atlanta Journal Building on July 27, 1958. ROCKWELL stated that they had decided to raise money for a legal fight which would include suing the paper for "inciting" the people and causing some of the picketers to lose their jobs, and suing of the Anti-Defamation League because he had heard that they were responsible for having "my boys" arrested. ROCKWELL stated they were engaging in no violence, yet the police arrested them on a disorderly conduct charge.

b6
b7C

ROCKWELL advised that [redacted] might have called him from Atlanta once since that visit but that he cannot recall such telephone call.

WFO 105-29384

ROCKWELL stated he did not want to discuss the persons who had been arrested in Atlanta and added that he did not believe that any of them participated or had anything to do with the bombing of the synagogue on 10/12/58.

[redacted] mentioned in ROCKWELL's letter was described by ROCKWELL as [redacted] ROCKWELL stated that [redacted] had become convinced that the Jews could not be beaten. The term "big blast" mentioned in ROCKWELL's letter was a description used by ROCKWELL in describing his July demonstration.

b6
b7C

Regarding the National Committee to Free America from Jewish Domination, ROCKWELL said that [redacted] paid to set it up. He paid ROCKWELL to put out the literature for the July anti-Jewish demonstration under that name. ROCKWELL described [redacted] as a "hate monger and the most violent Jew hater" ROCKWELL ever met. ROCKWELL stated that [redacted] had remarked in ROCKWELL's presence that he would like to get rid of the Jews.

ROCKWELL stated that [redacted] whom he calls [redacted] had a big mouth but that he did not have the courage to actively participate in anti-Jewish activity but would always stay in the background. ROCKWELL noted that [redacted] had also [redacted] on occasions. ROCKWELL said that [redacted] has never said anything in his presence about wanting anyone to commit violence in the fight against the Jews. Although someone might have used [redacted] for violent activities, ROCKWELL was sure that [redacted] would not be directly behind any such activity.

b6
b7C

ROCKWELL stated that he could name some fanatics who might participate in violence but added he would not do so because Atlanta has "a police state, the biggest Jewish colony in the south, and anyone I named would be persecuted by the Atlanta Police Department." ROCKWELL stated that one of the five persons arrested in Atlanta might be capable of being implicated in the synagogue bombing. He described this person as an immature boy.

WFO 105-29384

ROCKWELL said that the anti-Jewish literature which he prints is not meant to incite anyone to violence and that he has printed several things which ask that violence not be committed. He says that his current aim is to form an organization to be called The World Union of Free Enterprise and National Socialists which would be a legitimate political group based on free enterprise and racial nationalism. The group would be something like the organization ADOLF HITLER formed, he said; however, "we" would not be Nazis. "We" want to defeat the Jews with the truth, ROCKWELL said, just like HITLER. He said that HITLER only committed violence when he was attacked but that his proposed group would not use violence while being attacked by the Jews.

ROCKWELL said literature setting forth the truth was worth more than 10,000 cross burnings or a bombing. He and [] he said, are fighting the political Jews and not fighting the religious aspect. ROCKWELL said that his new political party is necessary in this country

because democracy as it is in this country today "is a perversion of the original democracy of our forefathers." To substantiate this remark, ROCKWELL cited the arrest of "my boys" in Atlanta in July as an example.

He said that JOHN KASPER called him on October 11, 1958, and talked briefly but that he did not encourage KASPER. He said that he does not want to become associated with the Seaboard White Citizens Councils (SWCC) in Washington, D. C., because he, ROCKWELL, does not believe in segregation per se. He said that he does not want any part in any anti-Negro group which he described as basically the aim of KASPER and the Seaboard group. ROCKWELL said that he wanted to give the Negro a break, adding that when the Jews are whipped there will be no Negro problem.

III. NATURE AND EXTENT OF DISTRIBUTION OF HATE LITERATURE BY GEORGE LINCOLN ROCKWELL

b2

b7D

On November 10, 1958, [redacted] advised that on October 9, 1958, GEORGE LINCOLN ROCKWELL, 6512 Williamsburg Boulevard, Arlington, Virginia, sponsored the distribution of approximately 1600 leaflets in Arlington, Virginia, that date.

Those assisting in the distribution besides ROCKWELL, included [redacted] Virginia, [redacted] Virginia.

[redacted] stated that the leaflets contained a picture of ROCKWELL, an item headed "Who's A 'Hate-Monger?'" and an item headed "Our Own 'Creed'." The first item attempted to show that Jews are behind international communism and that the American Jewish Committee and the Anti-Defamation League of B'nai B'rith are the sponsors of "race-Mixing."

The second item describes capitalism as a program by which Jews are attempting a peaceful, secret conquest of the world. The item says that America was built on free enterprise and adds that free enterprise is productive while capitalism is destructive. It states that National Socialism, the philosophy of ADOLF HITLER, is the answer. National

WFO 105-29384

Socialism has nothing to do with extermination and hate and is a positive, progressive, scientific approach to the social chaos and strife caused by Jews, it reads.

The item states that a free program of the World Union of Free Enterprise National Socialists (WUFENS) can be obtained by writing to the American WUFENS Party, 6512 Williamsburg Boulevard, Arlington, Virginia, of which ROCKWELL is listed as National Commander.

On November 10, 1958, [] substantiated the above information furnished by []

b2
b7D

On December 4, 1958, [] advised that as of that date subject had printed a two-page program for the organization he was promoting called the WUFENS. ROCKWELL intends to distribute the program but informant was unable to ascertain how it would be distributed.

A copy of the program, as furnished by the informant, reveals that the top of the program contains two swastikas surrounded by white circles within red boxes. In what appears to be a foreword signed by LINCOLN ROCKWELL, Commander, American Party, WUFENS, Box 1381, Arlington, Virginia, it states that Jewish Bolshevism is the evil of today and that this evil can only be conquered by National Socialism.

The Program states how the proposed party would deal with various domestic and international issues, and under the heading of "The Jewish Problem" it states: "We shall immediately remove all disloyal Jews from positions where they can control non-Jewish thoughts or actions," "expose the criminal nature of the hate-book of the Jews;" ".....cancel all debts owed to Jews by non-Jews, where there is evidence of unfair or immoral business methods or conspiracy." ".....make a long term, scientific study to determine if the Jewish virus is a matter of environment," ".....establish an International Treason Tribunal to investigate, try, and publicly hang, in front of the Capitol, all non-Jews who are convicted of having acted consciously as fronts for Jewish treason or subversion,"

WFO 105-29384

Under the heading of "The Negro" it states:
"We shall appropriate ten billion dollars a year, for five years, from the money now being wasted fighting over integration, poured into foreign aid, and lost on Negro crime, and use the money to build a modern, industrial nation in Africa, complete with shopping centers, airlines, super-highways, cities and handsome suburbs, and everything else to make it the finest in the world; and then grant \$10,000 to every Negro family of five or more migrating to the new land...." It states that no Negro will be forced to return to Africa." However, Negroes remaining in America will be rigidly segregated non-citizens."

On January 28, 1959, [] made available a copy of a "Program" signed by LINCOLN ROCKWELL, Commander, American Party, WUFENS.

[] advised that ROCKWELL has been in touch with JAMES MADOLE of the National Renaissance Party in New York. Informant mentioned that ROCKWELL had sent MADOLE a volume of "swastika-type literature" to be passed out or distributed. According to the informant, ROCKWELL still has a ton or two of paper paid for []
[]

Informant advised that ROCKWELL has asked MADOLE to be at a joint meeting in New York and MADOLE thinks that ROCKWELL wants to make a showing with the last of [] funds, sufficient to build a following for himself in New York City. MADOLE advised informant that ROCKWELL was paying rent on a small flat over a bar near 85th Street and Third Avenue, New York City, which was frequented by a gang of "punks and young hoodlums."

[] on April 21, 1958, described the National Renaissance Party as an anti-Semitic, anti-Negro, neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by JAMES H. MADOLE, who is in complete control of the party. The Party's main function is distribution of the "National Renaissance Bulletin" on a monthly basis and distribution of pro-Arab literature obtained from official Arab establishments

in New York City. The Committee on Un-American Activities of the United States House of Representatives in a preliminary report dated December 17, 1954, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American."

B. ACTIVITIES IN CONNECTION WITH THE SEABOARD WHITE CITIZENS COUNCILS (SWCC)

The White Citizens Councils of the District of Columbia, also known as Seaboard White Citizens Councils, were organized in Washington, D. C., on June 4, 1956, by FREDERICK JOHN KASPER, also known as John Kasper. According to KASPER, the aims of the organization are: to stop the integration process in Washington, and reverse and re-establish segregation; have the National Association for the Advancement of Colored People (NAACP) placed on the Attorney General's subversive list; publicize commercial contributions to the NAACP and Urban League and wipe out "Rock and Roll" music. (Washington Post and Times Herald, June 6, 1956).]

b6
b7C
b7D [] advised in 1956 that he participated in July, 1956, with JOHN KASPER and other members of the White Citizens Councils of the District of Columbia in burning crosses at the homes of prominent public officials in Washington, D. C.

In the fall of 1957, KASPER and the other members of the White Citizens Councils of the District of Columbia picketed the White House carrying signs against integration (Washington Evening Star, October 1, 1957).

The Supreme Court of the United States on October 14, 1957, refused to review JOHN KASPER's conviction and one year sentence imposed as a result of an anti-integration speech in Clinton, Tennessee, in that he violated, through his speech, a restraining order issued by the United States District Court at Knoxville, Tennessee (Washington Evening Star, October 14, 1957).

The Seaboard White Citizens Councils, during 1958, have mailed to high school seniors in Arlington, various pieces of literature which have been anti-Negro and anti-Jewish in nature (Northern Virginia Sun, September 20, 1958).

WFO 105-29384

On December 15, 1958, [] advised that as of December 13, 1958, the following were officers of the SWCC:

Executive Director: JOHN KASPER

Informant stated that [] had said that he would work with LINCOLN ROCKWELL if ROCKWELL would stop the "Nazi stuff."

[] advised on January 14, 1959, that as of January 11, 1959, [] had said that LINCOLN ROCKWELL was going to print the material on "Civil Rights" which [] wants to distribute around the Capitol. [] also said that ROCKWELL gave [] permission to print a book prepared by ROCKWELL called "Black Puppets." The book deals with the problem of the Jew controlling the Negro and is illustrated with cartoons. [] wants to distribute this material to school children.

[] advised on January 21, 1959, that as of that date the trend of the SWCC was toward closer cooperation with GEORGE LINCOLN ROCKWELL in Virginia and permission has been extended by ROCKWELL [] to publish a pamphlet entitled "Black Puppets" written by ROCKWELL.

C. ACTIVITIES IN CONNECTION WITH THE NATIONAL STATES RIGHTS PARTY (NSRP)

On November 3, 1958, [] advised that the NSRP was founded in 1958 and is composed of past members of the Ku Klux Klan (KKK) and notorious anti-Semites.

At its convention in Louisville, Kentucky, on August 30, 1958, [] advised that the NSRP indicated that it was a political party dedicated to segregation.

The KKK has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

WFO 105-29384

The October, 1958, issue of "The Thunderbolt", an official "Racial Nationalists organization of the National States Rights Party" sets forth the national headquarters of the NSRP as Post Office Box 261, Jeffersonville, Indiana.

[] advised on November 3, 1958, that the Nationalists Party, also known as the National Youth League (NYL) was an anti-Semitic, neo-Fascist organization founded in New York City in 1954 []

[] The informant further advised that this organization was inactive from 1956 to July, 1958, at which time GEORGE LINCOLN ROCKWELL, associated with the NSRP, revived it to use in connection with activities of the NSRP.

On October 22, 1958, [] advised that the New York City group of the NYL possibly received money from [] and further advised that [] had turned over the New York City group of the NYL to LINCOLN ROCKWELL of Arlington, Virginia, when [] left the United States.

On July 23, 1958, [] furnished information that [] of the Atlanta Unit of the NSRP had been in contact with LINCOLN ROCKWELL and that ROCKWELL had apparently received \$4,000 from an undisclosed source which sum would be used to prepare and distribute leaflets on a nation-wide scale protesting President EISENHOWER's sending troops to Lebanon, the purpose of the leaflets being to educate the public on the Jewish influence in the Far East.

[] told the informant that his organization was expecting help from the Arabian or Egyptian element in New York City who would come to Washington, D. C., to aid in the "storming" of the Israeli Embassy. [] said that plans for Atlanta participation were not complete but indicated that plans were being made to possibly picket the Israeli Consul, Atlanta, Georgia, the picketing to coincide with the demonstration in Washington, D. C. [] told informant that some Egyptian and Arabian elements were expected to come to Atlanta.

On July 27, 1958, [] advised that ROCKWELL with seven other persons began to picket the White House in Washington,

WFO 105-29384

D. C., on that date at 12:45 p.m. Informant advised that the picketing terminated about 2:12 p.m. the same date.

On July 27, 1958, a Special Agent of the FBI observed men picketing the White House, Washington, D. C., and carrying seven signs. Each sign, which measured about 3 inches by 5 inches, had a red background on top and bottom. Written on the top background of each sign was "Don't Fight Another War To Save The Jews." On the bottom background of each sign was the following: "National Committee to Free America From Jewish Domination." Each of the signs carried different messages between the top and bottom red background as follows: (1) "NASSER has jailed his Reds, but Jews lie that he is Red." (2) "Communism is Jewish. Twelve out of thirteen convicted spys are Jewish. ROSENBERGS, GREENGLASS, SOBEL, GOLD, BROTHMAN, WEINSTEIN, MOSCOWITZ, etc, etc." (3) "The only communist party in the Middle East is in Israel." (4) "Jews won't dispute our facts. They must shut us up." (5) "Zionism is causing the trouble in Lebanon." (6 & 7) These two signs carried a caricature of a large hook nosed man holding a pistol at the head of a caricature of President EISENHOWER with the phrase, "Save IKE From The Kikes."

On August 5, 1958, [] advised that ROCKWELL was getting literature ready and was preparing plans for a follow up to the July 25-27, 1959, anti-Jewish demonstration.

[] stated that according to ROCKWELL, five of "his boys" were arrested in Atlanta, Georgia, while picketing a newspaper in connection with the July demonstration and two persons had been arrested in Louisville, Kentucky, while passing out the leaflets, "How to Stop World War III."

Informant stated that ROCKWELL said that public opinion was building up in Atlanta against the arrest there of "his boys." The same anti-Jewish literature which was distributed and the same anti-Jewish placards which were carried by picketers during the July demonstration would be used in the follow-up demonstration. ROCKWELL stated that there would be another placard added to the effect that "Jew tactics can not be used to fight Jews." As an example, the placard would cite the Atlanta arrests as "typical southern justice and Jew control."

WFO 105-29384

[] advised on October 2, 1958, that on September 20, 1958, ROCKWELL [] took a large number of stickers to New York City and that the stickers were given to the group who participated in the anti-Jewish demonstration in Washington, D. C., on July 26, 27, 1958.

b2
b6
b7C
b7D

[] described the stickers as about one and one-half inches wide and four inches long. About two and one-half inches of the sticker has a red background around a white circle. Inside the circle is a black swastika. The other inch and one-half of the sticker has a white background with the black lettering, "We Are BACK."

On November 10, 1958, [] advised that GEORGE LINCOLN ROCKWELL was mailing a three-page leaflet entitled, "In Memorium: American Conservatives" to several "millionaires" throughout the country.

The leaflet states that Senators TAFT, McCARRAN, and McCARTHY are dead and that Senators JENNER, BRICKER, KNOWLAND and MALONE are politically dead. It points out that these persons tried to fight Jewish Communism, Zionism and subversion by being "nice" about it, and that their battles are over because they waged the wrong kind of fight.

The leaflet states that DeWEST HOOKER came close to telling the story of Jewish Communism in New York City, "The world capital of Jewish imperialism." He went into the streets of that ugly city, rescued youths who were on the way to the Jew-caused frustration which is called 'juvenile delinquency', gave them a vision of a clean, free America, with social justice for all,---and turned them into a devoted corps of tough, dedicated FIGHTERS." It states that HOOKER was on the way to establishing the only non-Jewish television film producing network in America when "JACOB JAVITS, then attorney general of New York was rushed into the breach by the Jews, with a permanent injunction against HOOKER, and other persecutions which forced him to move to Connecticut." It states that HOOKER became disgusted and resumed his position in the business world.

The article states that money is needed. It says that "Revolutions, -and the anti-Jewish counter-

revolution we so desperately need, are BOUGHT, not just made by amateurs with pitch-forks and burning eyes.

"I have inherited 'Hooker's Hoodlums' as the Jews called the boys, and we have expanded and organized into a very potent working team. I have also been able to organize similar groups in other cities, and, last July, we managed to stage simultaneous, all-out demonstrations against Jewish lies about the Middle Eastern Situation in Atlanta, Louisville, and Washington, D. C. It is because of this growing power, we believe, that the Jews bombed their own (empty) synagogue in Atlanta, and then had the men who picketed there seized as 'suspects' although the only 'evidence' is a statement by a man who didn't even know our people when the bombing is alleged to have been planned! We set out to 'hurt' the Jews, and this effort to terrorize pickets with the death sentence is, we believe, solid evidence that our work is EFFECTIVE, and they intend to STOP it.

"But far from being stopped or terrorized or defeated, we are ready to use the cheap Jewish bombing trick to launch a final, all-out battle to tear the hand of JUDAH from our throats, once and for all. -And we don't have to -and WON'T -resort to a single illegal or even questionable act to do it."

The article says that Jews are violating the Foreign Agents Registration Act of 1938 by raising funds for Israel, and continues that:

"We are prepared to put trucks on the road, each one filled with printing and photographic equipment, loud-speaker system, and squads of our stout lads. One town at a time, we will descend wherever the Jews are illegally raising funds for 'brave little Israel' with their illegal bond drives, force legal action to stop their activity and jail violators, record and photograph all incidents and brushes with Jewish 'brotherhood squads,' print and distribute overnight a blanket coverage of the town, showing with documented power the REAL nature of their 'loyal' Jewish 'friends' who are such stout believers in equality before the law, (for other people of course). This will not only expose and stop Jewish criminals and traitors, but will also reveal to an entire town the dishonesty of their press, when they see the suppressions or distortions of what we show with documents and photographs. It will be a dramatic, legal demonstration worth a million tons of dynamite, in stopping these parasitic criminals."

The leaflet points out that ROCKWELL is suing the B'nai B'rith and that this has taught the Washington, D. C., newspapers to be careful not to call him an "anti-Semitic." He says that "...we are actually INVESTIGATING THE INVESTIGATORS, we have started tailing ADL agents, and believe we will soon have some most interesting DOCUMENTED information to spread before the public on this Jewish OGPU."

The article concludes with an appeal for money, including "maximum size bills" which can be sent anonymously to ROCKWELL, and states that "The boys and I pledge you our lives and our honor that you will be buying the greatest value on this earth; -the return of your Country to YOU, clean, decent, FREE, -and fun to live in once more."

**IV. EXTENT OF PARTICIPATION IN OR CONTROL
OF GEORGE LINCOLN ROCKWELL'S ACTIVITIES
BY ARABS**

By letter dated October 31, 1958, J. WALTER YEAGLEY, Acting Assistant Attorney General, Internal Security Division, United States Department of Justice, advised that on October 30, 1958, GEORGE LINCOLN ROCKWELL had conferred with NATHAN B. LENVIN, Chief, Registration Section, Internal Security Division, United States Department of Justice, regarding ROCKWELL's possible obligation under the terms of the Foreign Agents Registration Act of 1938, as amended, in the event he was retained by the Government of Egypt as a propaganda agent. ROCKWELL advised that he had been approached by representatives from the Egyptian Embassy regarding a job as a propaganda agent for the Egyptian Government and that he was planning to leave for Cairo shortly to discuss this matter further. ROCKWELL inquired whether his registration was required prior to his departure for Egypt. ROCKWELL was advised that his trip was not a basis for registration since the Foreign Agents Registration Act contemplated only activity within the United States. ROCKWELL was informed that in the event he agreed to act at the order, request or under the direction of the Egyptian Government with respect to his propaganda activities, he would be under an obligation to file a registration statement pursuant to the provisions of the Act.

ROCKWELL stated that he did not want registration forms until after he had concluded his agreement with the Egyptian Government.

WFO 105-29384

On October 31, 1958, GEORGE LINCOLN ROCKWELL telephonically contacted a Special Agent of the FBI and advised that a dinner was to be held at the Arlington Jewish Center, Arlington, Virginia, on November 1, 1958, for the purpose of raising funds to build a village in Israel. According to ROCKWELL, funds were to be raised to build the village by selling Israeli Government bonds. ROCKWELL stated he had contacted [redacted] the Registration Section", United States Department of Justice, and inquired if he, ROCKWELL, could sell Egyptian Government bonds to build a village. ROCKWELL stated that he was advised that he could not sell Egyptian Government bonds without registering as a foreign agent.

b6
b7C

ROCKWELL stated he had called [redacted] on October 31, 1958, concerning the chairman of the Israel Fund Drive and was furnished different information from that supplied him on October 30, 1958.

ROCKWELL stated he and associates planned to picket the dinner at the Arlington Jewish Center and that he felt the dinner was being held in violation of the law.

By letter dated November 25, 1958, Mr. YEAGLEY informed that [redacted] did not recall any mention by ROCKWELL during their conference on October 30, 1958, of selling Egyptian Government bonds, and that ROCKWELL had spoken only of his possible obligations under terms of the Foreign Agents Registration Act of 1938, as amended, in the event he was retained by the Government of Egypt as a propaganda agent.

[redacted] advised on January 26, 1959, that on January 23, 1959, a meeting was held at the residence of GEORGE LINCOLN ROCKWELL, 6512 Williamsburg Boulevard, Arlington, Virginia. During the meeting, ROCKWELL reported the following plan through which he hoped to raise money for his anti-Semitic and pro-Nazi campaign. ROCKWELL stated that [redacted] where he operated [redacted] ROCKWELL stated that he was in contact with [redacted] and that [redacted] is to go to Cairo, Egypt, to see Colonel NASSER in order to get him to make a statement that he intends to nationalize Egypt's oil industry. As a result, oil stocks in the United States would go down, ROCKWELL said.

b2
b6
b7C
b7D

When the value of the oil stock decreases a millionaire whom ROCKWELL referred to as [] (phonetic) and whom ROCKWELL said has contributed money to ROCKWELL's anti-Semitic activity in the past, and other anti-Semitic millionaires will purchase the stock. ROCKWELL said that NASSER would then retract his statement, the price on the stock would go up, and [] and others who invested would amass a small fortune. ROCKWELL stated that a huge portion of this money would be used for his anti-Semitic campaign.

b6
b7C
b7D

ROCKWELL felt certain that NASSER would go along with the plan because he would then have a strong pro-NASSER group to oppose the Jews in the United States.

On March 10, 1959, [] advised that ROCKWELL has said that he visited the UAR Embassy and was asked to leave. ROCKWELL wrote a letter to NASSER asking for a union of the two, but that he had not received an answer as yet. ROCKWELL mentioned that his "Save IKE From The Kikes" signs were in Cairo and that his picture had appeared on the front page of a Cairo paper. ROCKWELL has mentioned that the head of the Arab Secret Service in the United States had been in his house, but never furnished any details in that regard. ROCKWELL has stated that if he worked for the Arabs as a foreign agent he would give up the "Nazi line" for the time being.

b2
b7D

[] advised that he had learned on January 30, 1959, from [] Embassy of the UAR, Washington, D. C., that he had informed an unidentified person at the United States Department of State, that a Mr. ROCKWELL had introduced himself to [] at the Embassy on January 28, 1959. According to [] ROCKWELL stated he had an abundance of information that would be of interest to the Embassy of the UAR. [] commented that he had reminded ROCKWELL that the UAR had already become the victim of vicious propaganda based on false allegations concerning "complicity in the bombings of Jewish institutions" (in the United States). [] stated that he had advised ROCKWELL that he was simply not interested, and had told ROCKWELL to leave the Embassy of the UAR immediately. [] stated that ROCKWELL then left the Embassy.

b2
b6
b7C
b7D

[] informed the source that he had reported this incident to the United States

WFO 105-29384

Department of State in order to protect the Embassy of the UAR, Washington, D. C., from any misunderstanding "malicious or otherwise", which might arise should a report get out that ROCKWELL was seen at the Embassy.

[] commented that he had told the State Department representative that he was afraid that ROCKWELL would register as a foreign agent of the UAR and [] wanted to know how this could be done (without the permission of the UAR). [] was informed that he did not know how this could be done, and [] commented that the UAR had learned that another agent had registered for the UAR and that [] had sent to the United States Department of State, a note mentioning this fact. [] stated that to his knowledge the UAR does not have any foreign agents in the United States. [] said he then inquired as to why they had not heard from the United States Department of State concerning the man who registered as a foreign agent of the UAR, and was advised that his contact had not heard anything about it. [] told the informant that he had expressed his concern that ROCKWELL might be registered as a foreign agent for the UAR to the State Department representative, and commented that he had been told by the latter, that he would find out what he could about ROCKWELL and the situation in general and inform [] of the results later.

On February 17, 1959, [] furnished a copy of a letter which, according to the informant, was mailed by GEORGE LINCOLN ROCKWELL to President NASSER of Egypt on February 5, 1959, which letter reads as follows:

b2
b7D

"His Excellency President NASSER
"Cairo, Egypt

"Excellency:

"There can be no doubt that you have seen the despicable articles in the New York Daily News pillorying us all as a gang of dirty 'hate' conspirators against the poor, innocent Jews, --so I will not waste your time with a recital of the contents.

"However your representatives here in America have stated that they would throw such 'scum' as myself out of their premises 'bodily', and I cannot believe you have authorized such cowardly and traitorous utterances.

"I know they are cowardly, because I have appeared at your Embassy in Washington to be thrown out as promised, --and, while I was indeed dealt with most discourteously, I was NOT thrown out.

"I am a Commander in the U. S. Navy --a fighter pilot-- and I know you too are a military man. I am a man of honor and integrity and courage like yourself, and I cannot believe you will run like a rabbit because the Jews here snarl at us.

"Can it be that the great character which was able to unite and defend his people against the Jewish Imperialist conspiracy has grown so soft and weak that he is now frightened to speak for those who are brave enough to fight the same thing you defeated?

"We mean to expose the vicious conspiracy which is destroying our people, as it almost did yours, and to drive the ugly thing to its well deserved death. We propose nothing immoral or illegal. On the contrary, we are prepared to expose the ILLEGAL fund raising here in the billions for Israel, --and to STOP these illegal funds with the LAW. We are prepared to do this, honorably, openly, powerfully.

"When a man is accused of being a hunchbacked monster, his best defense is to step into the light and demonstrate the TRUTH. We have been accused of being illicit, sneaky, cowardly conspirators.

"I suggest that you instruct your people to see me openly, honestly, and that we join in an open, honest, and successful fight to destroy Israel the way it must be destroyed, by cutting off the parasite's blood.

WFO 105-29384

"Respectfully and with admiration,

"s/ LINCOLN ROCKWELL"

The "Washington Post and Times Herald" in its February 17, 1959, issue in an article by DREW PEARSON entitled, "Virginia 'Haters' Write to Nasser" sets forth in part the following information:

"Just across the Potomac River from the Nation's Capital, in fact only a stone's throw from the Lincoln Memorial where the Great Emancipator is shown in thoughtful meditation, are the headquarters of one of the most virulent and vitriolic hate-nests in the U. S. A.

"It has had contact with those investigated in connection with the bombing of the Atlanta synagogue, draws money from Arab sources, and even sends word of its activities to Col. GAMAL ABDEL NASSER of Egypt.

"On Feb. 6 a registered letter was mailed to NASSER from GEORGE LINCOLN ROCKWELL, the Arlington hate-monger who is circulating thousands of copies of petitions calling for the impeachment of Gov. ALMOND. Simultaneously, ROCKWELL's picture appeared on the front page of NASSER's newspaper, El Aharan, though in denial of reports that NASSER had anything to do with the American hate-nest.

"The group, which recently has assumed the name of 'The Virginia Committee to Impeach Gov. ALMOND,' gives its mailing headquarters as P. O. Box 1352 in Arlington.

"The box was rented on Feb. 3 by [redacted] grizzled old hate agitator and sidekick of rabble rouser JOHN KASPER. The Seaboard White Citizens Council was built around them. [redacted]

[redacted] also signed the rental papers for the box.

b6
b7C

WFO 105-29384

"The group operates largely from ROCKWELL's home at 6512 Williamsburg blvd. ROCKWELL is the son of the prewar radio comedian and rocking-chair philosopher, 'Doc' ROCKWELL whose squeaky voice was once familiar to millions of listeners.

"ROCKWELL's letters to [redacted] a crippled printing salesman, were picked up by Atlanta police during their investigation of the synagogue bombing. [redacted] was identified by police as one of the five men who attended a strategy session at which the dynamiting was discussed. ROCKWELL ended some letters to [redacted] with the Nazi phrase, 'Sieg Heil.' One of his letters referred cryptically to a 'big blast,' but ROCKWELL insisted to the FBI that he meant a planned picketing and knew nothing of the subsequent bombing.

b6
b7C

"One letter also spoke of [redacted] who turned out to be [redacted] [redacted] took offense at the reference, apparently thinking ROCKWELL was ridiculing [redacted]

b6
b7C

"ROCKWELL boasted to associates that 'IKE the Kike' signs, used in picketing the White House, are now in Cairo. What apparently happened, however, is that snapshots of the picketing were forwarded to Cairo.

"It appears to be true that [redacted] was in touch with [redacted] who runs what he calls [redacted] [redacted] registered as a foreign agent in 1957 and listed contributions from Saudi Arabia of \$500 on March 18, 1957, and another \$150 on April 8, 1957."

On February 21, 1959, [redacted] advised that during February, 1959, he visited the residence of GEORGE LINCOLN ROCKWELL, 6512 Williamsburg Boulevard, Arlington, Virginia, and observed considerable anti-Jewish material and data bearing Nazi swastikas. During conversation concerning DREW PEARSON's column in which PEARSON indicated that the Arabs were financing anti-Jewish activity in the United States,

b2
b7D

WFO 105-29384

ROCKWELL stated he would be glad if the Arabs would give him money to fight the Jews, but that they had not given him any money yet. ROCKWELL informed that a representative of the "Arab Delegation" had called on ROCKWELL and requested signs used in a demonstration last July, which ROCKWELL gave to him.

b2
b7D [] advised on March 4, 1959, that either during the last part of February or early March, 1959, GEORGE LINCOLN ROCKWELL had sent a "hate sheet" to the Press Office, Embassy of the UAR, which contained excerpts from DREW PEARSON's recent article in the "Washington Post and Times Herald" and DAVID BURK's recent articles in the "New York Daily News." Informant advised that in addition, ROCKWELL had sent a letter with the leaflet, but informant was unaware of the contents of the letter.

Informant knew of no communication which ROCKWELL might have sent to President NASSER of the UAR.

b6
b7C
b7D Informant did not know of any literature being furnished or supplied to GEORGE LINCOLN ROCKWELL by the Embassy of the UAR. The Embassy of the UAR is not cooperating in any manner with ROCKWELL or any other individuals in the United States who are known to be associated with "hate groups." The Embassy of the UAR has never given any articles for publication to any "hate sheets" or "hate groups." Informant commented that the Press Office, Embassy of the UAR, has "absolutely nothing to do with any hate groups or hate sheets." Informant noted that [] Embassy of the UAR, has written letters and reports to the Department of Information in Cairo concerning "hate groups" in the United States and [] has commented that he was "trying to convince Cairo (Department of Information) that these people were not only dangerous, but are idiots."

During March, 1959, informants who are familiar with some phases of Arab activities in the Washington, D. C., area and/or the activities of GEORGE LINCOLN ROCKWELL, advised they possessed no information indicating Arab participation and/or influence in distribution of "hate literature" in the United States.

For example, a report would state that 15,000 copies of a particular item were distributed to libraries, the identity of the libraries not being further identified. The report also might state that 15 persons or organizations received bulk distribution of more than 100 copies of a particular item, the identity of the persons or organizations not being further identified.

On 3/4/59 [redacted] who is familiar with some Arab activities in Washington, D. C., particularly concerning the United Arab Republic, furnished the following information to SA [redacted]

Informant does not know of any literature being furnished or supplied to GEORGE LINCOLN ROCKWELL by the Embassy of the United Arab Republic (UAR). The Embassy of the UAR is not cooperating in any manner with ROCKWELL or any other individuals in the United States who are known to be associated with "hate groups". In addition, the Embassy of the UAR has never given any articles for publication to any "hate sheets, or groups".

b6
b7C
b7D

Informant commented the Press Office at the Embassy of the UAR has "absolutely nothing" to do with any "hate groups or hate sheets". In fact, [redacted] has written letters and reports to the Department of Information in Cairo, UAR, on "hate groups" in the United States and he has commented to an employee of the Embassy that he was "trying to convince Cairo (Department of Information) these people are not only dangerous but are idiots".

Concerning the following individuals and publications, informant made the following comments:

JAMES H. MADOLE and National Renaissance Party, New York City, are unknown to informant.

Informant has never heard of any literature, including "Fact for Fact", being published by BENJAMIN H. FREEDMAN and has never seen any of this literature at the Embassy of the UAR. However, an employee told informant that FREEDMAN had visited the Embassy of the UAR when it was known as the Embassy of Egypt and had met with [redacted] on two occasions. This was approximately six or seven years ago. Informant did not know the purpose of these visits.

Informant has never heard of MERWIN K. HART or the "Economic Council Letter" as well as CHARLES SMITH or Truth Seeker Company, Inc.

Informant has heard of HAROLD N. ARROWSMITH, Jr., through newspaper articles informant has read, but has not seen or heard of any of his literature being received at the Embassy of the UAR.

The name GERALD B. WINROD is not familiar, but informant recalls hearing an employee state the Press Office has received copies of the "Defender Magazine" and might still be receiving it. However, the Press Office has not subscribed to it.

The name FRANK L. BRITTON is not familiar, but the Press Office has received copies of "The American Nationalist". Sometimes now, on an infrequent basis, the Press Office receives a copy of such, but does not subscribe to it.

The name of GERALD L. K. SMITH is known to informant and the Press Office has received literature from SMITH. However, the Press Office does not do anything with such literature and does not subscribe to it.

The name ROBERT H. WILLIAMS is familiar as [redacted] subscribed to "Williams Intelligence Summary" three or four years ago. The Press Office has not received it for over two years. When it was received, nothing was ever done on it or with it.

CONDE MCGINLEY and "Common Sense" are known to informant. An employee stated that five years ago he had seen a copy of "Common Sense" at the Embassy of

Egypt, Washington, D. C. The employee told the informant that when [redacted] he had the Press Office subscribe to it. However, nothing was ever done with it. About three or four years ago McGINLEY wrote the Embassy of Egypt and stated if it had any literature for distribution, he would distribute it for the Embassy. At that time [redacted] sent him approximately 800 copies of a pamphlet favorable to Egypt, as well as possibly a pamphlet concerning Israel's failure to comply with United Nations resolutions and recommendations. Since that time, the employee mentioned to informant, no other literature has been sent to McGINLEY.

Informant commented that either during the last part of February or early March 1959 GEORGE LINCOLN ROCKWELL had sent a "hate sheet" to the Press Office, Embassy of the UAR, which contained excerpts from DREW PEARSON's recent article in the "Washington Post and Times-Herald" and DAVID BURK's recent articles in the "New York Daily News". In addition ROCKWELL sent a letter with this leaflet, but informant did not know the contents of such letter.

Informant stated he did not know of any wires, letters, registered or otherwise, or other communications which ROCKWELL might have sent to President GAMAL ABDEL NASSER of the UAR, or to the UAR or its Embassy.

Informant stated that he did not know of any articles, literature, or other material being furnished to any of the above by the Embassy of the UAR, the country, its President, or its officials.

Rockwell later said that unless they could be sure of not getting caught, they were not to do it, unless they took all blame on themselves. He told this to [redacted] and not the boys, as he was asleep when they came. They are to call back, using the name Alexandria Auto Club, and make an appointment with Rockwell.

"Rockwell said that [redacted] the C.U. member, is wavering, and he was to talk with him at [redacted] house Saturday night, to try and convince him that he wasn't 'picking on the Jews'".

A review of this material reflects that in the main the "Arab World" follows the caption on its masthead, "A monthly review of progress in the Arab Countries." This magazine is devoted almost in its entirety to the social and economic advantages and advancements of the Arab countries.

The "Arab News and Views" is a four page pamphlet published monthly and sometimes more frequently. This particular media is devoted to social, economic and political news relating to the Arab countries.

The social and economic views portrayed are of no interest to this inquiry. The political views are favorable to the Arab causes and problems; however, in some issues the political columns are mildly critical of the Algerian situation (1957) and the attempt by Israel to exploit the (UN) Security Council for propaganda purposes.

The AIC press releases which are issued several times a month contain such information as: a Cedar Falls release of March 27 (1957) regarding a statement before a conference on the Middle East sponsored by Iowa State Teachers College wherein MUHAMMAD H. EL-FARRA, member of the Syrian Permanent Mission to the United Nations blamed Zionist pressure groups in America for the "unfortunate feeling towards the United States in the Arab World;" a statement dated November 1, 1957 concerning Syria's fear of Turkish aggression; a release datelined, Milwaukee, October 31, 1957, indicating that reports disseminated in the American press and originating in most instances from London, Paris and Tel Aviv about Communist penetration into the Arab World are misleading; a release dated October 24 (1957) wherein Dr. FAYEZ SAYEGH stated "The Arab world would never voluntarily accept the Communist doctrine;" a release dated at New York, October 14 (1957), wherein the people of Oman appealed to the world conscience for "badly needed" relief material and medical supplies; a release dated at New York, January 3 (1957) announcing Arab League Secretary General ABDEL KHALIK HASSOUNA'S flight to Canada for an informal four-day visit

which would include talks with top Canadian officials; a release dated March 2 (1957) at New York, announcing the arrival in New York of Ambassador KAMIL ABDUL RAHIM, Permanent Observer of the League of Arab States at the United Nations after a three month visit to the Arab world; a release dated at San Francisco, October 23 (1957), which states, "Communism is incompatible with the objectives of the Arab national movement," said Dr. FAYEZ SAYEGH, Deputy Director of the Arab States Delegation Office in New York, in a lecture on the Berkley Campus of the University of California. ----"Aggressive Zionism, not communism, is the real threat to the peace in the Middle East. Arab states have purchased arms from the Soviet Bloc purely for their own self-defense against Israel -- the same source from which Israel received arms in 1948 and 1949."

The following described material does not appear to have any direct connection with instant inquiry. However, it is being set out by way of reference.

NOTE: The following material describes in great detail the so called "Palestine problem" beginning with the alleged tragedy of 1948. This material comments on the original geographic boundaries of this country and the results of mass immigration of Jews into the area and the resultant partitions of the land which greatly affected the physical well being and economic situations of the Arabs who originally resided in Palestine.

The material also comments on the Israeli and Zionist propaganda that not only attended this mass migration of Jews but has given a distorted picture of the situation in the Holy Land.

One particular document traces the "Palestine Case" from the Husain-McMahon Correspondence of 1916.

In view of the amount of this particular material it is only being mentioned generally.

In view of the fact that there is no indication that this material has been supplied to any of the so called "hate propagandists" in this investigation it is not being placed in the details of this report.

This material is set out as follows:

"Land Ownership in Palestine"

This is a 46 page booklet by SAMI HADAWI and published by the Palestine Arab Refugee Office, 801 2nd Avenue, New York 17, New York.

The following is quoted from the foreword of this booklet:

"Most of the material which has been written about Palestine since the tragedy of 1948, has dealt with the political side of the issue. The Israeli propaganda machine tries to give the impression to the outside world that the Palestine problem is nothing more than a case of a dispute over a country which legally and legitimately belongs to the Jews and which the Arab States covet to annex to their own vast territories. As such, all other problems affecting the rights and interests of the Arab inhabitants of Palestine are of a secondary nature.

"The fact that is generally over-shadowed by this Israeli and Zionist propaganda, and which, as a result, has been overlooked by world opinion so far as Palestine is concerned, is that the status of a country as belonging to a particular people is judged by the natural rights of the individuals who have been born and have tilled its soil for generations, rather than governed by political or other considerations.

"For the last four decades, Zionist propaganda has given a distorted picture of the situation in the Holy Land. Statements have been made that Palestine was an undeveloped country; that it was sparsely populated by nomad tribes ruled by 'feudal lords'; that there was room for Jewish immigration; and that Zionist achievements are liable to make 'the desert blossom.' The effect of this propaganda on the average person has been that many were led to believe that the lands of Palestine legally belong to the Jews and that the Arabs, who had sold their lands at high prices, were now trying to get them back by aggression against Israel.

"The aim of the Palestine Arab Refugee Office in New York has been to refute such falsehoods and place before the American people, the Government and the United Nations the true facts about the situation in Palestine from the date of the 'Balfour Declaration' until the present deadlock.-----"

This booklet then goes on to describe the geography of Palestine; the land problem; demilitarized zones and no-mans land; Arab "seized" property and Israeli measures for expropriation of Arab property. (Filed 3/7/57)

"Tension and Peace in the Middle East."

This is a forty page booklet by IZZAT TANNOUS, M.D., published by The Palestine Arab Refugee Office, 801 2nd Avenue, New York 17, New York. This booklet is also entitled "An Account of the Tragedy of the Holyland."

The forward of this booklet states in part....."In this pamphlet we give a brief account of the historic background of this tragedy, the tension it has caused in the Middle East, and the disastrous effects it will have on the whole world if a just solution to the Palestine problem is not found.-----"

"In the last fifty years, Zionists in the United States have been, by an extraordinary and unparalleled propoganda machinery, meticulously educating the American people to see only their point of view in the Palestine issue. By distorting facts and often giving wrong information, they were able to win American sympathy to such an extent as to make the American people participate with them in uprooting a whole nation from its homeland and replacing it with militant Zionists from all parts of the world. The newcomers became the legal owners of Palestine and the original lawful Arab inhabitants became strangers to it. This is precisely the cause of the war that has been going on in the Middle East for the last nine years.-----"

This booklet then goes on to describe the Arab way of life, historical background of the Palestine problem, the refugee problem, Arab persecution, the refugees and communism and a way to peace in the Holy Land. (Filed 5/28/57)

This material also contains a book entitled:

"Official Documents, Pledges and Resolutions on Palestine" "Beginning with the Husain-McMahon Correspondence, 1916."

This is a 69 page mimeographed edition of documents of special interest in any study of the Palestine case compiled by the Palestine Arab Refugee Office, 801 2nd Avenue, New York 17, New York, dated at New York, January, 1957.

Most of the material appearing in this book also appears in issues (1957) of the "Newsletter" issued by The Palestine Arab Refugee Office, 801 2nd Avenue, New York City.

The foreword of this book is written by IZZAT TANNOUS, Director of the Palestine Arab Refugee Office.

TANNOUS states that in November (1957) the Palestine case will celebrate its fortieth birthday; "and when a problem remains unsolved for so long and continues to deteriorate there must be something basically wrong that has been done which needs to be undone."

The book relates a series of historic events all of which appear according to the story to be indicative of the continuous and present plight of the Arabs in Palestine.

The table of contents of this book is as follows:

- I. The HUSAIN-MC MAHON Correspondence
July, 1915 - March, 1916

Negative information developed at the Anti-Defamation League concerning GERALD L. K. SMITH, FRANK L. BRITTON and ROBERT H. WILLIAMS would no doubt leave insufficient basis for conducting Registration Act cases concerning these persons.

In view of the absence of instructions from the Bureau directing interviews of SMITH, BRITTON or WILLIAMS concerning instant matter, Los Angeles should place this case in a closed status.

JAMES H. MADOLE

On March 19, 1959, JAMES H. MADOLE voluntarily appeared at the New York Office of the Federal Bureau of Investigation and was interviewed by SAS [redacted]
[redacted]

b6
b7C

JAMES H. MADOLE advised that in connection with material he has published for the National Renaissance Party (NRP), he has never been approached by any representative of any foreign government to act on their behalf. He also stated that no foreign government official has requested him to publish any material favoring a particular stand of a foreign government in any of his, MADOLE'S, publications. MADOLE also advised that at no time has he ever received any money from any agency of any foreign government in connection with his associations with the NRP, or for any other reason. MADOLE further advised that at no time had he ever been approached by a representative of a foreign government with a solicitation that MADOLE publish material concerning a foreign government in any of his, MADOLE'S, publications. MADOLE stated, however, that he has, on numerous occasions, published material in his publication, principally the "National Renaissance Bulletin," concerning matters in which a foreign government had an interest. Although MADOLE frankly stated he could not afford to be specific in this regard, that he did, from time to time, publish in his "National Renaissance Bulletin" economic and political material affecting countries other than the United States. He stated that if the material in question was pertinent to a particular problem in a foreign country, he would supply this particular foreign government, either in the United States or abroad, with copies of his material dealing with this particular problem.

When questioned concerning whether the bulk of his material was concerned with the so-called Middle East countries, MADOLE stated that he did not want to answer that question directly, and replied that the information might concern any country in the world. MADOLE indicated that he would not specify any particular foreign representative or foreign government which he had furnished literature to, inasmuch as he did not want to divulge his contacts in this regard.

NY 105-34293

MADOLE was questioned whether he had ever received any correspondence resulting from his furnishing copies of his "National Renaissance Bulletin" to representatives of foreign governments. MADOLE stated that he had never received any replies from any government to whom he had sent his material in which that government had commented on the content of his material. MADOLE stated that not only had he not received any acknowledgements in sending this material, but that he had not received any remuneration for having directed this material to these foreign governments.

MADOLE stated that during the past several years he had obtained quantities of literature published by foreign governments which he had stamped with the name of his party, the NRP, and had distributed to members of this party. He stated he had never sold any of this literature, and indicated that it would not be profitable to attempt to sell this type of literature. MADOLE indicated that this literature was obtained from many different foreign countries and was by no means restricted to Arab countries, although it was primarily concerned with countries which have a strong nationalistic tendency. MADOLE again stated that he would not specifically indicate which countries he had obtained literature from, or any specific foreign representative who had furnished him with such literature. He explained generally this literature dealt with the same aims and objectives which the NRP supports.

Concerning the NRP, MADOLE stated that he had never made public the number of its members, and would not do so at this time; however, he indicated that several weeks ago, when he was robbed, that over 5,000 names were taken from his files, and this did not include all the names which he maintained. He stated, however, that he did not necessarily mail the bulletin or other literature to everyone on his mailing list, inasmuch as the cost would be prohibitive.

NY 105-34293

MADOLE would not indicate the number of persons to whom he did mail literature, or the number of copies of the "National Renaissance Bulletin," which are produced each month. He added that he knows that his literature has been received in all states of the United States, and in many foreign countries. MADOLE explained that finances for the party are obtained from contributions and from the sale of the "National Renaissance Bulletin," and other party literature. He stated that he is the only person who is authorized in the NRP to print literature, and to his knowledge, no other individual has ever used the stamp of the NRP on any literature. He indicated he knows of no person in the NRP who has been solicited by a foreign government to perform any services. MADOLE identified an individual named [redacted] as a follower of the NRP by the name of [redacted] who resides at [redacted] New York City, but indicated that he was not more active than any other NRP member, and had never been in contact with any foreign government in behalf of the NRP, so far as MADOLE knows.

b6
b7C

MADOLE said that it was his opinion that the "New York Daily News" articles concerning him, which had been written by DAVID BURK, were instigated and probably written by the Anti-Defamation League of B'nai B'rith, in New York City, in an effort to embarrass the United Arab Republic Government at a time when it was seeking a re-approachment with the United States Government. He based this observation on the fact that the November, 1958, Anti-Defamation League Bulletin contained information and pictures identical to those which later appeared in the "Daily News" articles. He cited an example of this was information contained in the November, 1958, Anti-Defamation League Bulletin concerning HAROLD ARROWSMITH, which appeared January 20, 1959, in the "Daily News" articles.

b7D

[] stated that he did not know the source of this material.

This photostat contains the following information.

"B E N J A M I N H . F R E E D M A N .

"AMERICAN! CHRISTIAN CRUSADER PATROIT

"Benjamin H. Freedman, former industrialist and businessman, former owner of the Woodbury Soap Co., and several other corporations, was born in New York City. He attained his present status as a Christian patroit the hard way.

"Born of Jewish parents, Mr. Freedman became a Christian when quite young. Mr. Freedman has accepted Jesus Christ fully, is a sterling Christian, and spends his time lecturing and educating.

"Some 15 years ago, Mr. Freedman began to wonder about a lot of things in general, world events being what they were, and the Jewish question in particular. He set out to find what was meant by the 'Jewish Race', the 'Chosen People', the 'Promised Land', etc. His inquiry and pursuit of truth led him to the proposed State of Israel, Zionism in general, the Dead Sea and its limitless wealth - the Arabs, their background, status, etc.

"The unbelievable truth that he learned from exhaustive research - the Marxist catch-phrases that the light of history, and the constant searching and unearthing of valuable documents gave the lie to, are written deep in the series of lectures he has given in the past ten years. Mr. Freedman has delivered several lectures to Officers in the Pentagon Building.

NY 105-34293

"Benjamin Freedman never let up in his search for truth and in his determination to speak and print the truth. His findings told him that the rank and file Jew and Gentile had been deceived by the small clique ruling the Sanhedrin. Mr. Freedman set out to undo the work of Satan's agents, - and thus remove the shackles from both Jew and Gentile. He resolved to do this by oral and printed word.

"He set up the League for Peace with Justice in Palestine in 1946 and founded the first Conference of Christians and Moslems in 1950. He ran page ads in leading newspapers over the United States, spending more than a half million dollars exposing the Palestine conspiracy and the anti-Christian plot. He continued this as long as newspapers would accept the ads. When the newspapers refused to accept ads which Mr. Freedman and those Jews associated with him submitted - - - regardless of their truth, their crying need, and the patriotic character of their content - Mr. Freedman felt the door had been closed to his propagation of the printed word.

"With the press (and of course radio and television) denied him, the future looked glum for this patriot. There was one ray of hope. Mr. Freedman knew of a fighting little anti-Communist paper, printed in Union, N.J. which had carried on a relentless, forthright anti-Communist fight for some years. Perhaps they would run these ads and even whole issues. Mr. Freedman arranged to meet another American patriotic, Conde McGinley, Editor of the above paper.

"Several lengthy conferences ensued. Mr. McGinley went over the matter thoroughly with Mr. Freedman. At length, convinced of his sincerity and that he knew what he was about, and realizing only too well the need for extensive education with regard to the Jewish question in general, and particularly the Zionist phase, decided to open the columns of COMMON SENSE to Mr. Freedman.

NY 105-34293

"He submitted copy and paid for several entire issues of the paper, running off average of 200,000 copies an issue. Most of these copies were mailed out first class, at Mr. Freedman's expense, to some of the most influential people in the world. A terrific campaign of education was carried on, which later resulted in the change in opinion and policy of some of the most important world leaders.

"Meanwhile, Mr. Freedman continued to lecture. His subsequent appearances included lectures before Christian religious leaders of different denominations, clerical and lay, and civic and business leaders. No group was too big or too small. No hour of the day was too early or too late, no distance too far, as long as more Americans could be informed.

"Ben Freedman was willing to spend and be spent for the sake of Christ. His never-ending, long hour - seven day week - activity of lecturing, writing and counseling has borne fruit over the years. Today he is the confidant of some of the biggest men in the country, and many outside of the country. He is recognized as this country's foremost authority on the Palestine and Israel question. Senators and Congressmen of both parties seek his counsel.

"Mr. Freedman has expended his limit and is unable to help the anti-Christ campaign financially in any way. However, he is giving his full time and efforts and is making available his vast store of knowledge. He will gladly speak anywhere in the United States if he is reimbursed for the bare cost of transportation.

"Mr. Freedman is at present available for talks or lectures before small or large groups. He covers not only the Palestine - Arab - Israel question, so important at this time, but the whole Communist question, and invites any and all questions on the subject and any phase of Marxism.

The December, 1957 issue of "The Defender" largely a memorial issue due to GERALD B. WINROD's death, contains an article entitled "The Arameans and the Gospel" by Dr. GEORGE M. LAMSA, New York City. This article is a scholarly religious treatise.

NY 105-34293

FRANK L. BRITTON

The book "Cross Currents" mentioned in this report, contains the following items pertinent to FRANK L. BRITTON:

"October 28, 1954

"Library to BRE

"The current issue of Frank Britton's monthly newsletter, 'The American Nationalist', includes this very significant item: 'If you read Arabic you will be interested to learn that an Arabic translation of our book, "Behind Communism", is now available from the Farajalla Press, Box 1012, Beirut, Lebanon.'

"It means that for the second time, at least, this young professional anti-Jewish agitator has worked a deal for himself with the Arabs. The November 1953 issue of his slick-sheet publication featured a piece on the Kibya incident, purporting to show how 'the parasitic state of Israel added another murderous chapter to its already blood-spattered record....' In January, Britton got his reward for the article - money from Arab sources.

"The pay-off was for services rendered; the article had been drafted by Omar Halig of the Arab League, then shipped to Britton for publication. With the check went an order for more copies of the Britton publication, ten to twenty thousand, which the Arab League will underwrite.

"The Arabs cannot wriggle out of this one. A quick perusal of the Britton newsletter reveals that it is one of the worst anti-Semitic rags in the United States. On a solid basis of co-operation with most of the older professional Jew-baiters, Britton conceals nothing....

"Britton apparently has still other deals pending with the Arabs at this very moment. Earlier this month he was invited on behalf of Abdul Khalek Hassouna, secretary general of the Arab League, to come East as a guest of the Arab League, all expenses covered, for a private conference. In extending the invitation it was explained to Britton that no final commitments could be made to him via mail pending the arrival of the new director of the Arab League propaganda office (Kamil Abdul Rahim) from the Middle East.

"Now we understand why Frank Britton is preoccupied with rewriting for his magazine much of the Arab propaganda coming out of the Middle East. His stories include charges that Arabs suffer second-class citizenship in Israel; that Israel has been blackmailing Germany with demands for reparations; that all Jews give their first loyalty to Israel; that Jews are mistreating Arab refugees; that Israel's immigration laws are harsher than the McCarran-Walter Immigration Act; that Israel pursues an anti-Gentile policy more ruthless than Nazi Germany's Nuremberg laws; that Israel is an aggressor nation, a perpetrator of atrocities, a deadbeat on its obligations to Arab refugees, etc., etc. . . ." ". . . Now we have a memorandum, marked ~~secret~~, sent by Halig to Hassouna that further implicates those old American friends of ours. What it has to say on Rahim's mission is particularly interesting. . . .

"Here is the translation:

~~"SECRET"~~

"MEMORANDUM

"~~Mr. Abdul Khalek Hassouna~~
Secretary General of the Arab League
Cairo

"With reference to your letter dated April 11, we have the honor to call your attention: . . .

NY 105-34293

"I have the pleasure to enclose herewith 5 copies of a magazine which has a great influence on the American people and its name is 'American Nationalist'. You will find in it an article written about the Arabs and the tragedy in wounded Palestine. You will be glad to learn that this letter was written after a close co-operation between Mr. Britton and your servant. A sum of \$500 is required now to be able to continue the publication of articles of that type in these and other friendly magazines. . . .

"Jewish propaganda remains at its height here, and we still are in great need of a strong office to clarify the minds and we are waiting with great impatience for the arrival of Mr. Kamil Abdul Rahim and it is important to know before he arrives that the task is extremely difficult and that the Jews still control all information and propaganda services. As Mr. Hopkins told me recently 'The situation is very serious but the American people have started to understand the reality of the Jewish conspiracy and it is necessary to co-operate closely in order to find the opportunity to defeat it.'

"Accept the sincere respects,

"Omar Halig
~~Arab League~~ Representative

"New York, April 26, 1954" (Pages 357-359).

The publication "Facts" dated March, 1954, published by the Anti-Defamation League, B'nai B'rith, New York City, contains the following information:

"FRANK L. BRITTON

"Unlike legitimate publishers who pay for editorial content, the hate press often works in reverse, collecting for its propaganda. So it is with Frank L. Britton (see: 'Facts', Mar. 1953), the 33 year-old publisher of a slick, four-page, anti-Semitic fortnightly called The American Nationalist.

NY 105-34293

"In his Nov. 23, 1953 issue Britton, who operates out of Inglewood, Calif., featured a slanted, inflammatory piece on the Kibya incident to show how 'the parasitic state of Israel added another chapter to its already blood-spattered record. . .'. Last January he got his reward - a \$500 check from the Arab League. Made payable to The American Nationalist, it was signed by Rachad Mourad, former Egyptian consul general in New York who has since moved up to a new job as propaganda chief in Washington, with diplomatic rank of counsellor.

"The payoff was for services rendered: the article had been written by Omar Haliq of the Arab League, then shipped to Britton for publication. With the check came an order for more copies, 10- to 20,000, which the Arab League will underwrite.

"Rachad plans more such 'publishing deals' with Britton in the future."

GERALD L. K. SMITH

The book entitled "Cross Currents" by ARNOLD FORSTER and BENJAMIN R. EPSTEIN copyrighted 1956 by "The Anti-Defamation League of B'nai B'rith, contains the following information:

"November 20, 1954

"AF to BRE (ARNOLD FORSTER to BENJAMIN R. EPSTEIN):

"KAMIL ABDUL RAHIM, Egypt's former ambassador to the United States, returned to this country this morning, this time to assume the duties of executive director of the long-planned Arab League propaganda office in the United States.

"November 22, 1954

"Research to AF:

"RAHIM made some interesting, off-the-record comments about American Jews to friends the day he arrived. If the Arabs in the United States were to minimize their anti-Semitic agitation, said RAHIM, many American Jews might then lose interest in Zionism and Israel. But, added RAHIM, this was not the solution; there is a better answer. Most Americans do not distinguish between Zionists and Jews. This, he added, is 'something we have to exploit carefully.' Understanding American public opinion as well as he does, RAHIM concluded, it won't be very difficult--although delicate.

"November 23, 1954

"Library to BRE:

"One of the professional agitators with whom the newly arrived RAHIM has been in touch, at least through intermediaries, is GERALD SMITH.

NY 105-34293

"In 1952, SMITH sent out a number of letters to prominent Arabs concerning various aspects of the 'Jewish problem'. Among those to whom he wrote was KAMIL ABDUL RAHIM, ambassador from Egypt at the time, and when RAHIM's representative, Colonel MOHAMMED ABDEL HALIM KHALIFA, attended the 1952 Republican Convention in Chicago, he had an hour's conversation with the Christian Nationalist leader.

"In his report to RAHIM, KHALIFA indicated that he had been very favorably impressed by SMITH, whom he characterized as one of the principal fighters against Zionism and Jewish influence in the United States. Always the salesman, SMITH boasted to KHALIFA of the 'wonderful cooperation' he had been receiving from various representatives of Syrian-Lebanese American clubs. Believe it or not, SMITH promised KHALIFA that he would exert great influence to see that the platforms of both major parties pay respect to the national aspirations of the Arab states. For a discredited rabble-rouser like SMITH to palm off successfully such a patently phony promise, KHALIFA must be a man who is quite ignorant of the American scene.

"But apparently SMITH has a way with the Arabs. Back in January 1953, Dr. AHMED GALAL ABDELRAZEK, Egypt's permanent representative to the United Nations, ordered SMITH's pamphlets for his legation and found The Cross and the Flag so stimulating that he purchased a hundred subscriptions and expressed an interest in personally meeting its editor, DON LOHBECK.

"It is interesting also to note that the Saudi Arabian delegation, subscribing to ten copies of The Cross and the Flag at the subscription rate of \$2.00 each, sent SMITH a \$120 check for the purchase; the \$100 gratuity obviously reflected Saudi Arabian gratitude.

NY 105-34293

"SMITH must really have put his best foot forward in Arab circles. Our files also show that back in October 1951 he was the subject of extended comment during a meeting at the home of MAHMOUD FAWZY BEY, permanent Egyptian representative to the United Nations. Six very top official representatives from the Arab world attended, including the Iraqi, Syrian, and Saudi Arabian representatives to the UN, and CHALRES MALIK, Lebanese ambassador. The Iraqi delegate, AWNI KHALIDY, was holding forth. Here is the substance of his remarks:

"My brothers, my activities last week were concentrated mainly on reports from Iraqi students in American universities. I have given them the task of carrying on an intensive agitation against the gangsters of Tel Aviv. I received eighteen letters from my correspondents in which they reported distributing a considerable number of pamphlets and prospectuses in favor of the Arab cause at universities in Michigan, Massachusetts, California, Washington and at Syracuse and Philadelphia. In these universities my correspondents work quietly and secretly so that Jewish students do not learn about their activities or report about them to their espionage agencies. I sent my correspondents 1800 copies of a pamphlet which I received from my very good friend GERALD SMITH. The sum of it was that the cause of the Arabs is our cause; that we must try to understand it; that we must try to fight for it and learn about it day and night; that we should understand that the cause that the Arab world defends is real anti-communist democracy, and that the Jews are the inventors of communism and are its largest supporters; that we must study the Arab world and understand it; that the Arab world is a world founded by honest people, sincere, frank, and cherishing democracy. I believe that such a pamphlet will touch the hearts of young Americans. Last week I also succeeded in obtaining from my government an appropriation of \$2000 which I will spend exclusively to finance our friends organizing a number of meetings. . .

"An Arab League plan, nursed for five years, to organize a major, centrally directed, opinion-molding apparatus in the United States, becomes a reality with the opening by the League of its propaganda center at 445 Park Avenue in New York City.

"According to the current plan, this will be the main coordinating point for nationwide dissemination of pro-Arab, anti-Israel, and anti-Semitic propaganda; and here various activities will originate to rouse public feeling against Zionist and the 'all-pervading Jewish influence' on American opinion.

"To attain these ends, representatives of the Arab Center will seek the aid of the nation's well-known professional anti-Semites, such as GERALD L. K. SMITH, . . ROBERT H. WILLIAMS, FRANK BRITTON, . . and others.

"~~Dr. OMAR HALIQ~~ Arab League representative in New York, in a comprehensive report submitted last August to his superiors in the Middle East, outlined the suggestions and offers of assistance he has already received from . . . BRITTON and WILLIAMS. On the question of how and under what circumstances the Arab Center could proceed to work with these people without provoking accusations of anti-Semitism, HALIQ strongly advised 'steady' contact, carried out in secrecy, so as not to hinder or 'deeply impair' the work of the new Center.

"Outlining the cooperation the new Arab office could expect from these men, HALIQ said his conclusions were based upon talks he himself had with them; . . with SMITH . . . some time later. (After last July.)

"HALIQ suggested in his report that to rule these men out of the Arab propaganda effort, as recommended by friends in the American Friends of the Middle East, would be unrealistic, because the Arab Center's Mission with regard to Jews is identical with that of the anti-Semites." (Pp, 328-331.)

"Our library has just dropped on this desk the current issue of The Cross and the Flag containing a malicious piece entitled: 'The New Crucifixion in Palestine.' SMITH prefaces his very detailed story with an admission that it is actually based on a memorandum which came to him 'from Jerusalem.' Our files, however, indicate that SMITH's admission is somewhat of an understatement. This is what we mean:

"Some months ago, SMITH met with EZZAT TANNOUS in Washington about the possibility of publishing TANNOUS' propaganda material in his magazine for a fee. The cost would be on a 'per line' basis as though it were advertising matter. TANNOUS agreed; but since the cost was high, \$10 a line, he has been careful about the quantity forwarded to SMITH. By TANNOUS' own admission, there is only one story in the current issue of The Cross and the Flag submitted by him.

"In all of SMITH's distortions about alleged desecration of Christian holy places he finds no room to report the appreciation expressed by leaders of the Christian communities to the government of Israel for having safeguarded their property and for making prompt repairs to damage which occurred during the course of fighting. Such statements are available by the Latin Patriarch in Jerusalem, the Greek Orthodox Patriarchate and the Greek consul general in Jerusalem, the Greek Catholic archbishops of Galilee, the special delegate of the Lutheran World Federation, and many others.

"And of course, SMITH has maintained a very careful silence about the failure of the Arabs to show the same consideration for Jewish religious property in the Old City of Jerusalem. Twenty-seven synagogues were razed to the ground. The historic cemetery on the Mount of Olives where Jews had been laid to rest for generations was sacrilegiously plowed up and the headstones reduced to dust.

"When we first learned of the GERALD SMITH-EZZAT TANNOUS arrangement, we asked our library to run through recent issues of The Cross and the Flag and mark off the pro-Arab material. Of course we do not know whether the following two items are the result of the SMITH-TANNOUS arrangement, but their substance fascinates us:

"In the August 1954 issue we find the following:

"We (GERALD SMITH) were received by the Ambassador from Egypt and his staff. They are the ones who represent the new government of Egypt in the United Nations. There are Jews in Egypt, but the Jews are not running Egypt. It is the intention of the internationalist clique, directed by Jewish and British politicians, to starve Egypt out by denying her the proper world trade facilities. The trick is to force her to trade with Russia, if possible, so that propaganda can be put out in the U.S. that Egypt is pro-Russian. Then the American people will be taught by the Jews to hate Egypt thus exploiting the American antipathy for Communism. . . . Egypt refuses to recognize the Jew-Palestine Government on the grounds that it is an invasion. The Ambassador, whose name is ABDEL HAMEID GHALEB, is a Moslem. . . .

"In his June 1953 issue, SMITH'S 'Letter No. 6,' addressed 'Dearest mother,' reads in part as follows:

"One of the most outspoken delegations concerning the world situation is the delegation representing Lebanon, which is one of the Arab states. We interviewed this delegation and confirmed many important and sensational facts which we already knew. Jew-Zionists captured Palestine with the help of England and the United States, driving a million Arabs out of their homes and their places of business to suffer and die in the desert. Many of these people were refined and cultured people living in lovely homes. The Jews not only came in and stole their homes and their farms, but they froze the bank accounts, looted their safety deposit boxes, stole their cattle, swine and orange groves,

NY 105-34293

"using the prestige and power of the United States and Western governments to support their lootings. . . .

"If SMITH's allegations seem vaguely familiar to you, there is good reason for it. You have read these statements many times before in Arab propaganda, the difference being that for the most part Arab literature uses less blunt language than SMITH. But I suppose SMITH feels impelled to rewrite all his source material; he has earned the right to consider his style inimitable, after all the years he has spent on it."
(Pp. 351-353.)

"January 31, 1955

"Library to Research

"An examination of recent issues of SMITH's The Cross and the Flag against propaganda emanating from the Arab Middle East shows that he has echoed a very large part of it, viz., editorials the 'Israeli Invasion of Palestine' combined with pleas for Arab refugees and charges of church desecration by Jews; articles accusing Israel of peddling opium; stories accusing the Jews of using the United Nations to create war upon the Arabs; items claiming that the Jews want peace with the Kremlin but war with the Arabs; editorials in behalf of the Arabs and endorsing such booklets as The Palestine Refugees, etc., etc.

"Most of these items in SMITH's magazine appeared previously in substantially the same form in Arab literature, radio broadcasts, or official releases. Those that SMITH thought of first appeared later in Arab propaganda." (P. 355)

"February 18, 1955

"Research to AF

"The answer as to why there is such a deadly parallel between the propaganda of official Arab representatives in the United States and local American anti-Semites lies in the close behind-the-scenes cooperation between the two groups. The fact of such cooperation is absolutely documented by such letters as the one Dr. TANNOUS wrote from New York to a colleague three days ago.

NY 105-34293

"Indicating with apparent regret that he will have to register in the United States as a foreign agent, TANNOUS goes on to describe 'the pro-Arab Americans' with whom he will have to deal on the domestic scene:

"These Americans can be divided into two categories. The first consist of decent and honest Americans who do not know enough about the Jewish plot in Palestine and who could be well influenced. They are not aggressive but honest. They will not help us in any 'big way,' but their influence on the US public opinion is steady and important. They include Church people, some relief organizations, and others. The second category consists of what the Jews call anti-Semites. I have seen some of them and although I cannot say the same thing of all of them, there are some who can do a lot of things to our cause. I have met people like GERALD SMITH, a strong anti-Zionist with a tremendous following (who helped us in his publications by some articles we have sent him), Our contacts with them have been careful to avoid accusations by strong Jewish organizations, like the Anti-Defamation League (which is called here the Gestapo of the Jews). But we remain always on our defensive to prevent wrong interpretations of our actions." (P. 356.)

ROBERT H. WILLIAMS

The book "Cross Currents" contains the following passages concerning ROBERT H. WILLIAMS:

"October 10, 1953.

"Middle Eastern Correspondent to Research

"Several days ago Omar Haliq responded favorably to a proposition he received through the mails from Robert Williams. In September, Williams contacted the Arab League with an offer to prepare a 12-page pamphlet on various phases of the Israeli-Arab controversy, including a report on the alleged pro-Israel activities of the Anti-Defamation League and the American Jewish Committee. Williams offered to do the complete job, furnishing suitable names from his mailing list to aid distribution, for the 'bargain price' of \$2000.

"Haliq asked Williams for an outline of the proposed brochure for submission to Cairo. Haliq hoped that the suggested project would be approved and he offered to assist Williams in its preparation in any way he could.

"But Haliq does not make the decisions; his approval alone is meaningless.

"October 11, 1953

"Library to Research

"This is to remind you that the tentative Haliq-Williams deal is not the first time Williams has tried to do business with the Arabs. In the spring of last year, before the political conventions, Williams got in touch with Abed Bouhafa, correspondent for the influential Cairo daily, 'Al Misri', and pointed out the danger to the Arab cause in a 'Zionist-supported' candidate

NY 105-34293

"receiving the nomination. Williams had, he said, a scheme to spike such a move which deserved the support of Arab newspapers and suggested getting together with Bouhafa to talk the matter over.

"Williams' strenuous efforts to sell his services to Arab representatives in the United States is a long-time thing. Read the following letter to Bauhafa from Williams after the latter sold the Syrian Minister a bill of goods:

"Mr. El-Abed Bauhafa
~~Al-Misri Bureau~~

New York, N.Y.

"Dear Mr. Bauhafa:

"The Hon. Faiz El-Khourī, Minister for Syria, writes that he has talked with you about my unfinished manuscript 'A Gentile Looks at the Jewish Problem' and that your paper might possibly be interested in publishing the book in Arabic, when it is finished.

"I think I would be greatly interested in such a proposition.

"The book really is finished, but requires much revising and reducing. It now stands at something over 500 pages of double-spaced typed manuscript and should be reduced to not more than 300 pages, I should think. Furthermore, on the chapter dealing with the destruction of Rome and the two chapters dealing with the destruction of Russia, I must do some more research.

NY 105-34293

"I doubt that the book can be ready before fall.

"Meanwhile, it occurs to me that your paper might want to publish in Arabic one or both of the two booklets which I am sending you separately: 'The Anti-Defamation League and Its Use in the World Communist Offensive' and 'FEPC and the Minority Machine'.

"If your paper wants to publish them, in book or booklet form, I would be agreeable to the customary royalty arrangement. If, in addition to the booklets, or without publishing them as booklets, your paper should want to print them serially in its columns, then I would welcome a reasonable offer of remuneration.

"May I hear from you at your convenience?

"Sincerely,
Robert H. Williams
Major, MI-Res.

"PS - I believe I shall send both booklets herewith instead of separately." (Pages 318-320)

It would appear that this material should constitute a sufficient basis for analyzing various media published by the Arabs in the United States. Accordingly, unless advised to the contrary by New York, WFO does not contemplate obtaining any additional propaganda material from the Registration Section at this time. In event New York feels that additional propaganda material filed with the Registration Section by Registered Agents of Arab countries would be desirable and necessary, New York is requested to so advise WFO.

Referenced New York report sets forth lead for WFO to report information supplied by [redacted] as set forth in WFO airtel dated 4/1/59. In the interest of economy, WFO does not contemplate submitting a negative report containing only one negative informant contact, and New York is requested to handle in its next report.

Since all outstanding leads have been covered, WFO considers this matter RUC'd.

Re NY letter 7/28/59.

Washington Field letter, of 6/22/59, enclosed numerous items filed with the Registration Section of the Department during 1958, by the Arab Information Center NYC, under the provisions of the Foreign Agents Registration Act of 1938.

These items consist of copies of "Arab News and Views"; Arab Information Center, (AIC) Press Releases; "The Arab World" and several pamphlets dealing with the "Arab Financial Institution for Economic Development" and a 116 page document entitled "The Palestine Case".

A review of this material reflects that in the main, the "Arab World" follows the caption on its masthead, "a monthly review of progress in the Arab Countries". This magazine is devoted almost in its entirety to the social and economic advantages and advancements of the Arab countries.

The "Arab News and Views" is a four page pamphlet published monthly. This particular media is devoted to social, economic and political news relating to the Arab countries.

The social and economic views portrayed are of no interest to this inquiry. The political views are favorable to the Arab causes and problems and critical in some instances to Israel.

For instance, the 5/20/58 issue of "Arab News and Views" contains a story captioned "American Financial Assistance to Israel", "How tax-exempt philanthropic funds from the US were used to finance Israeli aggression".

The article states that "philanthropic funds" have been used by Israel as source of foreign currency to bolster the Israeli economy in general without regard for the philanthropic motive as such.

Also, that the bulk of "philanthropic funds" remitted to the Jewish Agency for Palestine is invested in Israel in undertakings which cannot be described as "philanthropic".

Also, that funds raised in the US have been used by Israel for military purposes including the purchase of arms and other military equipment.

An AIC press release dated at Chicago 4/2/58, entitled "The Council of the League of Arab States Has Adopted the Following Resolution.

" In today's meeting the Council of the League of Arab States examined the question of the recent Israeli aggression of the demilitarized zone of Huleh on the borders of the northern province of the United Arab Republic (UAR). In drawing the attention of world public opinion to the gravity of Zionist policy which continues to pursue aggression in order to realize its expansion ambitions, the Council adopted the following resolutions:

"1. Member states of the Arab League reiterate once more that they consider any aggression against any one of them as an aggression against them all which they will oppose.

"2. That Israeli aggression against the demilitarized zone is a violation of the armistice agreement which threatens peace and security in the area.

"3. That cables be sent to that effect to His Excellency the Secretary General of the United Nations and to His Excellency the President of the Security Council and that the United Nations should be called upon to fulfill its obligations."

An AIC press release dated at NYC, May 14, 1958, is quoted as follows:

"The tenth anniversary of the uprooting of over a million Palestinians and the beginning of their continuing exile will be mourned across the Arab World today.

NY 105-34293

"The League of Arab States from its headquarters in Cairo has called upon the Islamic world to observe a five minute mourning period at noon. Arab governments planned official observances of the tragic date.

"May 15 was chosen because it is the anniversary of the day when British withdrawal from Palestine allowed Zionist forces to overrun the Holy Land. However, months before, the Palestine situation had deteriorated into an anarchy and bloodshed.

"Documented sources proved that Zionist forces occupied cities in the Arab assigned areas beginning in December 1, 1947, and were in control of Haifa, Acre and Jaffa several weeks before British withdrawal.

"The infamous Deir Yassin massacre of defenseless Arabs, including many women and children in mid-April 1948, with other ruthless Zionist action, was responsible for the flight of a good share of the Palestinians from their homeland.

"In their observance of the tenth anniversary of the Palestine tragedy, the Arabs share a conviction that the problems arising from American support of Israel are largely responsible for the present alienation of the Arab people from the US.

"The Arabs point to the fact that public and private American aid has poured into Israel at the rate of close to 200 million per year. This amounts to a "bonus" of \$1,000, to \$1,500 for every Israeli man woman and child in the past ten years.

"In addition, the probability of Israeli expansion, dominant in the Arab mind today, accounts for Arab defense build ups. Previous attacks as well as the Sinai invasion of November 1946, says the Arabs, is proof of Israelis aggressive potentialities.

A two page mimeographed copy of an item entitled "Editors Fact on File on Arab Affairs", dated for release August 9, 1958" carries the text of Senator RALPH E. FLANDERS, of Vermont, speech in the US Senate entitled "The Threat of Zionism" delivered July 30, 1958.
